Music

There is so little in a musical way this month that people will be delighted at the announcement that Miss Francesca Bendeke will give a concert Friday evening in Plymouth church. Miss Bendeke is one of the younger musicians and her artistic playing of the violin won her an enviable reputation in Germany where she studied for five years. She was a pupil of

MISS FRANCESCA BENDEKE.

the Stern Conservatory in Berlin where she studied with Hollaender, Lady Halle, and Johannes Miersch. This is really her first public appearance since her return and Minneapolis people will be interested in hearing her again. She has a strong musical temperament and her interpretations are always sympathetic and true. She will be assisted in her concert by the Misses Esther and Constance Osborn and Miss Abell will play her accompaniments.

The members of the senior class of the Johnson School of Music, Oratory and Dramatic Art will give a recital Thursday evening in the school auditorium. Miss Pearl Graves, a pupil of Miss Hall will assist. The program will be given by Mabel Stone, Ella Peterson, Edna Moritz, Clara Kyelle, Gladys Williams, Margaret Currie, Etta Rue, Mabel Vanstrum, Katherine Tod, Florence Burgess and Alice Nolon.

A number of Minneapolis people will go over to St. Paul Monday evening to attend the concert which will be given in Odeon hall, Sixth and St. Peter streets, by Miss Celestia Bellaire, the talented young vocalist, who formerly resided in the city. Miss Bellaire will be assisted by Miss Clara Williams, soprano; Carlo Fischer, 'cellist, and the Orpheus quartet, which is composed of J. A. Jaeger, R. C. Geddes and E. H. Wetherbee.

After the holiday vacation, the Ladies' Thursday Musicale will resume its work and will have its next meeting, Thursday morning, in the Unitarian church. Instead of the regular program Miss Edith Abell will give an illustrated lecture on "The Development of the Opera, or Three Centuries of Operatic Composers." In the illustrations Miss Abell will have the assistance of Miss Ednah Hall, Mrs. De Witt, Miss Esther Osborn and Miss Clara Williams, members of the musicale. From training, experience and study Miss Abell is admirably fitted to give such a lecture. She has sung in many of the great operas herself, and she has had a personal acquaintance with many of the famous directors and composers. Her talk is sure to be both entertaining and instructive and no member of the musicale can afford to miss it. All are urged to be in their seats promptly at 10 o'clock as no one can be seated while Miss Abell is speaking.

There will be some changes in the church choirs this year and all of the vacancies have not yet been filled. The greatest changes will be in the Hennepin Avenue M. E. church, where Dr. W. Rhys Herbert of St. Paul will be the organist, Mrs. Parthenia De Witt, contralto; J. L. Belknap, tenor, and J. R. Kerr, bass. No soprano has been chosen yet.

Emil Ober Hoffer will go to the Church of the Redeemer where Miss Mabel Runge, Miss Mynn Stoddard, John Ravenscroft and Alvin Davies will form the quartet.

Hamlin Hunt will continue in charge of the music at Plymouth church and Miss Esther Osborn will be the new soprano. Miss Forsell and W. S. Woodworth will remain.

A. D. Madiera will take C. E. Fisher's place in Westminster church where Miss Clara Williams, Mrs. W. N. Porteous and O. T. Morris will also sing and H. S. Woodruff will be organist.

Mrs. Maud Ulmer Jones will sing in Wesley church and Miss Gertrude Sans Souci will be organist. Carlo Fischer, the 'cellist, has been asked to form a string quartet for the church.

The First Congregational church will have Clarence A. Marshall at the organ and the singers will be Mrs. D. M. Weishoon, Miss Harriet Wales, Trafford N. Jayne and George M. Sewall.

Miss May D. Williams, Miss Vera Bean, Don Rider and Arthur Jones with Miss Mabel Darrow, organist, will be in Simpson M. E. church.

There will be no change in the First Baptist church and S. C. Gilbert will remain as organist and F. Woodward as director.

Miss Lelia Stevens will be the organist in the Central Baptist church, where Mrs. W. L. Waldron, Mrs. Elizabeth Brown Hawkins and Hal Stevens will sing. Miss Mabel Otis has been substituting during the illness of Mrs. Waldron.

The Hoevel string quartet will continue to play in the First Unitarian church under the direction of Heinrich Hoevel.

Russell Patterson remains as organist in the First Presbyterian church but no arrangements have been made in regard to singers, as the church is still without a pastor.

J. Austin Williams will direct the chorus in Fowler M. E. church.

Dean Fletcher will be the organist in the Park Avenue Congregational church and Mrs. Alice Adrian Pratt, Mrs. E. W. French, A. H. Engstrom and L. L. Williams will form the quartet.

Mrs. Verna Gordon Scott, violinist, will be the soloist at the Unitarian church tomorrow morning. Mrs. Scott will play the Andante from Mozart's D major concerto and one movement from Beethoven's A major sonata.

As there will be communion and reception of new members in Lyndale Congregational church, Lake street and Aldrich avenue, the choir will give appropriate musical selections. At the morning service the double quartet will sing Gounod's "There Is a Green Hill," with tenor solo by Crosby Hopps. For offertory, "My Resting Place," by Jones, will be given by the quartet. In the evening the Christian Enedeavor will have charge of the service and a special program of solos, quartets and anthems has been prepared by the regular choir.

Some of the pupils of Max Cole gave a piano recital Wednesday afternoon at his home. The program was very well given and those who took part were Sadie Gibson, Olga Parker, Blanche Curtin, Marjory Lynche, Frederick Shepler, Evelyn Healey, Celia Dahlberg, Katie Nee, Ruth Dahlberg, Melville Bergman, John Lyons and Max Cole.

ACCURATE TO THE SECOND.

Dueber-Hampden Watches.

FACTS LIKE THESE ARE IMPRESSIVE

The Dueber-Hampden Watch factories at Canton, Ohio, the twin factories, built side by side; in combination it is immeasurably the largest and most complete concern of its kind in the world.

In all respects the most perfect.

Every dealer knows how victorious the Dueber-Hampden Companies have been, when movement manufacturers, watch case manufacturers and jobbers in watches combined to prevent the Dueber-Hampden Companies from marketing their watches and drive them out of business.

Can we offer any better evidence of the superiority of the Dueber-Hampden watches than the fact—

The combined efforts of the entire watch trade could not destroy their popularity?

The days of the inquisition in the watch business are over.

Dealers are now at liberty to buy what watches they prefer.

But in spite of all this opposition, the output of the great Dueber-Hampden Watch factories has steadily and constantly increased until at present they employ thousands of the most skilled work-people, producing a complete watch, watch movement and watch case.

The matchless reputation obtained by the Dueber-Hampden watches is nothing less than marvelous. The same minute and the same exact care is given in every detail to any size or grade from the ladies' small size, the No. 400—the smallest moderate-priced and accurate timekeeper made in America—to the gentlemen's watch, 12, 16 and 18 size.

The latest and greatest production of these factories is the 1902 thin model 16 size watch, cased in 18 and 14 Kt. gold and gold filled, to which we especially call the attention of those who want the best. Write for "Guide to Watch Buyers."

ASTHMA.

Medical authorities throughout the country, including names like those of Dr. C. F. Beard, South Framingham, Mass.; Dr. L. D. Knott, Lebanon, Ky.; Dr. M. L. Craffey, St. Louis, Mo.; Dr. F. E. Brown, Sanborn, Iowa, and Dr. J. C. Curryer, of St. Paul, Minn., now agree that the Whetzel system of asthma treatment affords an actual and absolute cure for the disease. The efforts of physicians heretofore, have been to ease the breathing and keep the distressing symptoms under control, leaving the disease itself alive, but latent and asleep in the system. Under the Whetzel treatment the germ of the malady is eradicated and the patient made exempt from further attacks.

FREE TRIAL FOR ALL APPLICANTS.

Dr. Whetzel will for a time send a test course of treatment free to all applicants who will give a short description of their case and aid in the humane work by sending the names of two other persons having asthma.

An Iron Worker Cured.

Joliet, Ill.

MEDERINE REMEDY CO., Duluth, Minn.

Gentlemen—I had been afflicted with Rheumatism in the bones of the legs for many months, and although I tried doctors and advertised remedies, I got so little relief that I was in despair, when a friend advised me to try MEDERINE. I bought the treatment, and before it was gone my rheumatism had left my legs, and believe me I was a new man. MEDERINE is certainly rightly named a Guarantee Blood Cure. For the benefit of those suffering with rheumatism, refer them to me, and I will cheerfully tell them all about MEDERINE, and what it has done for many other iron workers in the Illinois Steel Company's mills in Joliet.

A Dockman's Testimony.

MEDERINE REMEDY CO., Duluth, Minn.

Dear Sirs—I take pleasure in stating that after taking two courses of your MEDERINE treatment that my rheumatism is absolutely cured, after years of suffering. My occupation is on the docks, which means hard work and wet clothes. As a result I contracted rheumatism in my hips, which necessitated laying off from work. I took everything, many doctor's prescriptions, but without a cure. The strong medicine I took almost ruined my stomach, but thanks to MEDERINE I am in the full vigor and health of manhood.
