MISCELLANEOUS SPORTS

Forty-two convictions for illegal fishing and pot hunting have been secured by the state game and fish commission since Jan. 1, 1903. Thirty-five men have paid fines aggregating $841.46; three served forty days each in the workhouse, two were dismissed and two were released.

Of the convictions, fifteen were for fishing with nets; three paid fines of $100 each, one $50, seven $25 and four $10. Thirteen were convicted of fishing out of season. The fines, ranging from $5 to $50 amounted to $186.46. Four men were convicted of spearing fish and paid fines amounting to $40.

Two men were convicted of fishing with dynamite. Their fines were $25 and $10 respectively.

To test the American system of polo without the "off side," three tournaments have been arranged for this season by the Hurlingham, Ranelagh and Rochampton clubs in England. The handicap trial, which was concluded at Hurlingham Tuesday, resulted in a win for T. B. Drybrough's team.

A. H. Felkey, the wrestler, fractured his left knee last night during a match at the Empire theater with Al Hammer.

UNDERWOOD DINES MITCHELL.

New York, May 21.—President Frederick D. Underwood of the Erie railroad gave a private dinner at the Metropolitan club last night at which the guest of honor was John Mitchell, national president of the United Mine Workers of America. Some of the others present were H. H. Vreeland, John B. McDonald, John D. Crimmins and Ralph M. Easley, secretary of the national civic federation. Mr. Mitchell said after dinner that it was not a conference and that it had been given so that Mr. Easley could meet some of his friends. The Metropolitan is the millionaire's club.

DEPARTMENT WANTS INFORMATION.

Washington, May 21.—In answer to her suggestion that a claim for compensation be lodged against Turkey in the amount of the ransom paid for her release by the brigands, Miss Ellen Stone has been requested to supply the department of state with the necessary information upon which to frame a formal application. It appears that so far outside of the newspaper and magazine reports of Miss Stone's picturesque and sensational experience in Turkey the state department has very little official information upon which to proceed at this stage, and until more is supplied it does not feel warranted in pressing the matter.
