HERE IS FINE OLD AGE TONIC

At Sixty Well-Known Lady Regains Old Vigor; Energy, Sleep and Appetite.

TELLS WHY TANLAC RECEIVES HER PRAISE

We quote below the very words of Mrs. A. W. Monahan, 2110 M Street, Richmond, Va., and the mother of nine grown children. Mrs. Monahan has reached the age of sixty, and said but a few days ago: "Tanlac gave me exactly the results I took it for, and though I am getting along in years, it did me a world of good, gave me much needed strength and helped my entire system so much I am glad to say a good word for this new medicine." In describing her condition prior to taking Tanlac, Mrs. Monahan told of a condition most elderly people suffer from and proves again the claim made for Tanlac as a tonic and reviviler of worn-out digestion, weakened kidneys, liver and stomach. She said:

"My whole system was run down and I was badly in need of a tonic and something to build me up when I began taking Tanlac. I have taken four bottles now, and was greatly benefited, I can honestly say. I was very nervous, had no appetite to speak of, and seldom rested well nights. I felt poorly all the time and lacked energy and vitality. I was simply all run down."

So many people past middle age are troubled this way. It seems as though the stomach, kidneys and liver become worn-out. Weak kidneys, poor appetite, constipation, indigestion and general weakness, nervousness and headaches, sluggish blood, uric acid troubles and kindred complaints of advanced age, are wonderfully and quickly relieved with the aid of this new medicine so many of our Richmond people are praising. To secure Tanlac, get it only through an authorized agent to avoid substitution. Here in Richmond buy Tanlac only through Tragle's drug store, 817 East Broad Street, or at a Polk Miller drug store. Look for name Cooper Medicine Co. on carton and bottle. Also, be sure tiny Tanlac Tablets are included within the carton.—Adv.

Says NACOR Fine For Lung Trouble

T. P. Morton, R. R. No. 1, Rockwood, Tenn., writes as follows regarding NACOR, the remedy for **Lung Trouble and Asthma:**

When I first commenced taking Nacor, I was having from two to three spells of asthma every night. After taking four doses I was completely relieved. It is the best expectorant I have ever used. I am glad I can recommend it for consumption, asthma and catarrh. It is good for any bronchial or lung troubles. When I first commenced taking Nacor I weighed 155 pounds, now I weigh 166 pounds, a gain of 11 pounds in six weeks. I can do hard work and walk five miles. Before taking Nacor I could not walk 100 yards without stopping to rest.
