SEASON CLOSES WITH FAST DOUBLE HEADER

Richmond Takes First and Baltimore Takes Second, When Fly Is Misjudged by Kelliher—Field Events for Benefit of Richmond Lads Are Enjoyed.

The 1916 International baseball season ended for Richmond yesterday, when Richmond and Baltimore divided a double-header, the first affair belonging to the locals, by a score of 4 and 2, and the last one, a seven-inning affair, going to Baltimore, by a score of 1 and 0. There was a great crowd out to see the end of the second, and the rooting was the best ever.

Between the games $5 gold pieces were given to the players for field events, and the day was pretty generally enjoyed by the crowd. Bankston, Richmond's right-fielder, who goes to the Yankees next season, won two out of three of the events, his specialty being speed. He won the 100-yard dash in 11 seconds, and he circled the bases in 15 3-5 seconds. Eibel won the fungo hitting, driving the ball 366 feet. Leake won the throw, heaving the pellet some 350 feet. Ross won the sack race of thirty yards.

FIRST GAME

The first game was twice ruined by Mickey Kelliher, first when he threw the ball into the fence and allowed Baltimore to secure its first run, in the second inning, following Hartzell's two-bagger, and later, in the fourth, when two men were on, he connected for a two-bagger himself and scored both men. He then stole third and raced home when the throw to catch him was wide, thereby making three tallies for the frame and sewing the game up.

Each side secured another tally, Baltimore taking hers in the sixth, when a free pass, a single and a couple of fielder's choices allowed Kopf to register. In the eighth, with one man out, McDermott ripped out a single and scored when Bankston doubled, having taken second on Kopf's error. Kelliher also singled, but Bankston was out on the attempted double steal, which resulted in allowing Kelliher to take second, but catching Bankston at the plate.

With two out in the ninth inning, Lamar singled, but died when Thormahlen popped out to Steinbrenner. Keating worked out a great game on the mound for Richmond.

SECOND GAME

The second game, in addition to being an abbreviated affair, was exceptionally fast, only one tally being scored. It was pretty much a case of three up and three down all the way through. Ross, heaving for Richmond, and Crowell, throwing for Baltimore, were rather stingy with hits and passes. With two men out in the fourth frame, however, Kelliher misjudged a hard drive from Twombly's bat and the center fielder wound up at third base before Kelliher could recover the drive. Hartzell popped out a Texas Leaguer, which Steinbrenner would have caught had not he passed to sunward and been blinded from the catch. The ball dropped safely and Twombly crossed with the only run of the game.

The Richmond lads are leaving on every train homeward bound now, though several of the players will linger in the city for a few days, and one or two may secure positions here and remain over the winter. Some of the lads will return, while others are owned by clubs in the big circuits, and one, at least, will be drafted. The club starts out next season, however, 100 per cent better than this year, when there was nothing for Billy Smith to build a club around. He has made good with what he had, and with the present prospects, he will be counted in the running for the pennant next season.

EVENTS ARE ARRANGED FOR AUTOMOBILE DAY

Saturday of Fair Week to Be Great Event for Motor Enthusiasts.

MANY PRIZES AND TROPHIES

Suggestion of The Times-Dispatch Is Warmly Received by Richmond Automobile Club and State Fair Association—A. A. A. Conditions.

Automobile men and owners of cars throughout Virginia are much interested in the events arranged for "Automobile Day" at the State Fair this fall, set aside by the board of directors of the association, at the suggestion of The Times-Dispatch, for racing contests among automobiles and for demonstrations of all kinds of devices used in connection with these machines. The Fair Association has set apart Saturday as "Automobile Day."

The idea, suggested by The Times-Dispatch, met with enthusiasm, not only from dealers and owners, but from the association's board of directors. Representatives of the paper, with details of the plan worked out, met members of the Richmond Automobile Club, who immediately gave it unqualified approval. A tentative program, adopted at this conference, was then presented to the board of directors of the State Fair Association, which adopted it without reserve.

Dealers will meet to-morrow night in the rooms of the Richmond Automobile Club to sign entry blanks and to arrange the final details. There is much enthusiasm and many promises of entries. Not only have dealers in Richmond indicated their intention of entering the contest, but representatives of the business from Norfolk, Newport News, Petersburg, and practically every city in the State will have entries.

UNDER RULES AND REGULATIONS OF AUTOMOBILE ASSOCIATION

The contests will be held under the rules and regulations of the American Automobile Association. Specific conditions imposed by those in charge of the races follow:

All entries must be in by noon, October 14.

No events will be run unless there are at least three entries and three starters.

No entry will be received unless accompanied by entrance fee and signed entry blank.

Bonnets, floor and dash boards must be carried in all events.

Additional events to replace such events as do not fill may be placed on final program by the consent of the referee and the official representative of the contest board of the American Automobile Association.

Only three cars of one make will be allowed in any event.

Street-studded tires or chains will not be allowed on the track.

Races start promptly at 12 o'clock noon.

Every driver must be in his place on the track at 11 o'clock in the morning.

All drivers in the speed events must be registered with the contest board of the American Automobile Association, 437 Fifth Avenue New York City, at least twenty-four hours before the start of the first race. This rule will be strictly adhered to.

MANY PRIZES AND SILVER TROPHIES OFFERED

Nearly a dozen prizes will be offered by the State Fair Association, and a trophy by The Times-Dispatch. The track will be oiled for the races, and the fence, which surrounds it, removed. Every dealer competing in the races will be allowed ten minutes on the track for demonstrations.

All events, except event No. 5, on the program are for fully equipped touring cars and roadsters, except that windshields, fenders and running boards must be removed and bonnet straps must be carried. The attention of entrants is especially called to rule No. 75 of the contest rules of the American Automobile Association, which provides that any manufacturer, dealer, agent, driver, owner or entrant who shall directly or indirectly advertise or permit to be advertised the performance of any car as a stock car performance in any event other than a regularly sanctioned event for stock cars or chassis, shall be subject to suspension for such time as the contest board may direct.

Not only will there be prizes in the racing contests, but prizes will be awarded for long-distance running to the fair, to the oldest car on the

BROOKLYN BEATS REDS

BROOKLYN, September 16.—Brooklyn defeated Cincinnati in the first game of a double-header to-day, 4 to 3, but was held to a twelve-inning 1 to 1 tie in the second contest.

Coombs was erratic, but lucky, in the first eight innings of the opening game. In the ninth inning, with two out, Marquard was sent to the rescue, after two runs had been made, and on the first ball pitched Griffith flied to Wheat.

Pfeffer and Toney had a great battle, with honors even, in the second contest. Chase made five hits in the two games. Wheat, after making a hit in the opening game for his twenty-ninth successive game, was unable to hit Toney. The scores:

SELVAGE SUPERINTENDS STATE FAIR TRACK WORK

Expert Constructed Tracks at Lexington, Birmingham and at Memphis.

LOCAL TRACK TO BE FASTER

Improvements Now Under Way at Virginia State Fair Grounds Will Soon Be Completed—Steeplechase Events Feature Racing Card.

Under the superintendency of C. J. Selvage, an experienced race track builder, the mile course at the Virginia State Fair Grounds is being repaired and put in first-class condition for the State Fair races, October 9-14. Mr. Selvage constructed the Douglas Park track at Lexington, Ky., the Tri-State Fair Association's track at Memphis, Tenn., and the Alabama State Fair track at Birmingham, Ala.

Mr. Selvage has a large force of men at work at the Virginia State Fair Grounds, and will remain until the track work is completed. He predicts the track will be faster than ever when the improvements are completed.

F. W. Gerhardy will be the official starter, while Fred Upton will judge the harness events.

Monday, October 9, will be devoted to race track preliminaries, and the racing program will start Tuesday, with two harness events, two flat races and the valley steeplechase. The first race will be the three-year-old trot, purse $400. Then comes the 2:30 trot for a $400 purse. A five-furlough race for all ages, the valley steeplechase and the event for three-year-olds and upwards will close the first day's races.

On Wednesday there will be three harness events, three flat events and the Virginia State Fair steeplechase.

Two harness events, three flat events and the Commonwealth Club handicap steeplechase will feature the racing card on Thursday.

On Friday there will be two harness events, two flat events and the King Cora Hunters steeplechase, a three-mile event.

Automobile races and other events will be the track features on Saturday.

EDDIE MENSOR MAKES RECORD FOR FIELDING

SPOKANE, WASH., September 16.—What is believed by local authorities to be a new fielding record for organized baseball has been made by Eddie Mensor, a member of the Spokane club in the Northwestern League.

Mensor played in 114 games during the season, and handled 239 chances without an error. In five games he played second base, three at third base and the rest in the outfield.

Mensor came to the Spokane club from the Richmond club, in the International League, last winter. In 1911 he played shortstop on the Portland, Northwestern League, club, and was sold to Pittsburgh for $3,000. Mensor played with the Pirates during the season of 1912, 1913 and 1914, and was sold by Pittsburgh to Columbus, in the American Association. He did not take kindly to his berth, however, and a deal was closed by which he came to Spokane this year. Mensor batted .308, and his playing had a lot to do with Spokane's winning the pennant.

PRINCETON WINS AT GOLF

PITTSBURGH, PA., September 16.—Princeton to-day won the intercollegiate championship, defeating Harvard, 9 to 0, on the links of the Oakmont Country Club here. The Tiger players took the three four-ball matches in the morning and all six single matches in the afternoon. Harvard being unable to win a point.

HARVARD WINS AT TENNIS

PHILADELPHIA, September 16.—Harvard carried off the international collegiate tennis championship in both singles and doubles at the Merion Cricket Club, at Haverford to-day, and gained possession of the silver challenge cup, put up for competition in 1913 by Harrison K. Caner.

C. Colket Caner, son of the donor of the cup, had a big part in winning the trophy. Young Caner won the singles title by defeating his teammate, J. S. Pfaffman, 6-3, 6-3, 4-6, 6-2, and, paired with R. H. Harte, Jr., star end on last fall's Crimson football team, won the doubles championship also. Caner and Harte had an easy time in the final doubles match, defeating their teammates, Pfaffman and W. H. Whitehouse, in straight sets, 6-3, 6-1, 6-2.

By qualifying both finalists in the singles section and both teams in the deciding match of the doubles division, Harvard broke all former intercollegiate tennis records. Other colleges have carried off both the singles and doubles titles, but never before has any college been assured of both championships at the end of the seminal rounds.

BALTIMORE TAKES TWO IN INTER-CITY SERIES

Local Lads Go Down in Defeat, When Many Errors Mingle With Mediocre Hitting—Washington Also Falls Victim to Oriole Lads' Playing.

BALTIMORE, MD., September 16.—The Baltimore Fidelity and Deposit Company's team to-day defeated both Richmond and Washington in the Amateur Baseball Commission's intercity series at Oriole Park. The first game was between Baltimore and Richmond, and the locals won, 3 to 2, and Washington went down to defeat to the tune of 10 to 8.

Matthews and Murphy worked the first for the Fidelity and Deposit Company. A wild throw by Rightfielder Atwell, of Richmond, allowed the count to tie at 2 all. The Fidelity and Deposit boys won out in the ninth inning on Fallon's single, an error by the rightfielder, Heinz's sacrifice and Jolliff's wild throw.

Murphy of the Fidelity and Deposit, pitched the second game, but Washington could not connect at the right time.

Until to-day Washington had beaten Richmond, and Richmond had slammed the Fidelity and Deposit boys. Richmond's players arrived early this morning, having made the trip from the Virginia capital by boat. The score:

A. & M. GETTING READY FOR W. & L. BATTLE

[Special to The Times-Dispatch.]

RALEIGH, N. C., September 16.—The annual Agricultural and Mechanical-Washington and Lee football game, having been moved from Norfolk to Raleigh, preparations are already under way at Riddick Field here to add at least 3,000 seats to accommodate 8,000 and more spectators which it is expected will attend this, the biggest interstate football game ever played in North Carolina.

"Brit" Patterson, formerly of Washington and Jefferson, the conquerors of Yale, is in charge of the Red and White squad this year, and with the material on hand, captained by "Jimmy" MacDougall, expects to maintain the former football record of the local college.

The tech schedule calls for games with the following colleges and universities: Roanoke College, Wake Forest College, Davidson College, Virginia Polytechnic Institute, United States Naval Academy, Georgetown University, Washington and Lee University.

Games for two open dates are pending. Games with Roanoke, Wake Forest and Washington and Lee will be played on the local field.
