IN MEMORIAM.

RESOLUTIONS of respect to the memory of the late COLONEL JOHN B. PURCELL, adopted by the board of directors of the Old Dominion Trust Company on September 28, 1916.

The board has heard with deep sorrow of the death of its fellow member, Colonel John B. Purcell, which occurred at Lexington, Va., on the morning of the 26th. Probably no more prominent and honored position in the business life of Richmond than Colonel Purcell held, with a breadth, alertness and vigor that deliberate judgment and with all high consideration for the rights of others he moved through life gaining at every step of his career increased confidence and esteem of all with whom he dealt. He gave studied attention to the many and various business positions to which he was called, never contenting himself with the merely formal or perfunctory relation to them, but voting and advising after careful study and reflection. Since the beginning of this company he had acted as one of its directors, giving it and the members of the board his cordial and constant attention.

We desire therefore to spread upon our minutes this testimonial to his high personal and business character and our individual and collective sense of sincere loss.
