SOCIETY

Mr. and Mrs. George Armistead Gibson, of 2514 Monument Avenue, will entertain at dinner at the Country Club of Virginia on Saturday evening in honor of Miss Isabell Williams, a debutante of this winter. The guests will remain for the dance at the club following dinner. About thirty guests will be present.

Miss Harrison a Bridesmaid.

Miss Ursula Fairfax Harrison will be one of the bridesmaids at the wedding of Miss Helen Draper, daughter of Mr. and Mrs. George A. Draper, and Walbridge S. Taft, son of Mr. and Mrs. Henry Waters Taft and a nephew of former President William Howard Taft. The wedding will take place in Boston on February 10, at the home of the bride's parents. Society is much interested in the wedding, which will be a brilliant event, and a number of smart functions will be given in honor of the bride and her maids, previous to the wedding.

Mrs. George H. Sabwden, sister of the groom, will be dame of honor, and William Howard Taft, II., will be his brother's best man. There will be four bridesmaids and eight groomsmen.

Debutantes Entertained.

Misses Ida Byrd and Elizabeth Warwick were guests of honor last evening at a pretty card party given by Mr. and Mrs. Charles E. Bolling at their home, 902 West Grace Street. The girls, who included some of the debutantes of the season, were invited to play cards at 8:30 o'clock and the men came in later for supper.

Concerning John Powell.

John Powell, composer-pianist, will give a fourth pianoforte recital on Friday evening in Aeolian Hall, in New York. The program will consist of Mr. Powell's sonata "Teutonica" a work in three movements. This sonata was performed by Mr. Powell a few weeks ago under the auspices of the Friends of Music at the Ritz-Carlton Hotel. The composer will preface his performance of his sonata by giving an introductory talk on the purpose of the work as embodied in his composition.

Mr. Powell's recitals are of much interest in Richmond and the fact that his sonata "Teutonica" was given by him at the Woman's Club here last spring, makes his concert in New York doubly interesting.

At the Art Club.

Miss Adele Williams will address the Art Club of Richmond this afternoon at 4:30 o'clock on "The French Impressionists." The members of the club will welcome Miss Williams as one of the charter members and a former instructor of the Art Club. Miss Nora Houston will be chairman of the afternoon, and will introduce Miss Williams.

The history of art class meets at 3:30 o'clock on Tuesday afternoon.

RAISES ENTIRE BUDGET

Grace Methodist Congregation Subscribes in One Day Budget for Year 1917.

Raising its entire 1917 budget of $3,000 in a single day, the recently organized Grace Methodist Church last Sunday established a financial record which many of its older associates in the church field may find difficulty in reaching. Pledges for most of the amount were secured at the service Sunday morning, and the others in the afternoon. The committee which conducted the canvass was composed of:

H. C. Johnson, Chairman	R. H. Perkins
J. D. Walford	W. A. Clark
J. W. Stone	Roscoe Finch
S. E. Bishop	J. R. Wilson
C. W. Hunter	J. G. Butler
Ross Puttz	J. A. Gills
R. D. Clayton	W. A. McDonald
	C. H. Archer

Grace Church was organized in March, 1916. Rev. John Brandon Peters, its first regular pastor, was appointed last November. Services are conducted at present in the chapel of the Soldiers' Home, but the congregation owns a lot at Stuart Avenue and the Boulevard, on which it expects to build a church in a short time. From a membership of eighty and a Sunday school of fifty at the beginning, the church has grown until it now has 140 members and a Sunday school of 250.

Franklin Beckham.

REPORT ON NEWSPRINT PAPER PROBE COMPLETED

Probably Will Be Held Up for Few Days, However, Pending Further Inquiry.

[By Associated Press.]
WASHINGTON, January 22.—The Federal Trade Commission's report on its newsprint-paper investigation, although virtually completed, probably will be held up for some days, it was learned to-day, until further inquiry is made concerning the effect of a Canadian government order fixing maximum newsprint prices in Canada. A meeting announced for Friday at Chicago between paper manufacturers and publishers also may have a bearing on the report.

It is known the Trade Commission is considering recommending legislation to prevent a recurrence of the present paper situation, in which publishers have found themselves helpless against high prices and an apparent shortage. Among other things it may ask for broader powers, as now it only can investigate and report.

Some officials in close touch with the paper situation believe the market will adjust itself soon, and that even a restriction on Canadian exports hardly will affect the American market to any marked degree. They say there actually is now or soon will be on the market enough paper for both Canadian and American publishers.

The meeting in Chicago on Friday was called by manufacturers. The Trade Commission probably will be represented.

The Canadian decree was issued under orders in council and provides a maximum advance in paper prices of $10 a ton over old contracts. It limits exports to 80 per cent of a mill's output, whether the mill is under Canadian or American management.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

If cross, bilious, sick, feverish, or full of cold, take no chances.

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Children love this "fruit laxative," and nothing else cleanses the tender stomch, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sours, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomachache or diarrhoea. Listen, mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.

YEARS OF PAIN FROM RHEUMATISM YIELDS TO SIMPLE REMEDY

West Haven Man Suffered Tortures From Rheumatism of Joints Until He Put Var-ne-sis to the Test

"I think Var-ne-sis the greatest remedy in the world, and every one should know about it," said Curtis M. Huntington, of 107 Richards Pl., West Haven, Conn. He continued:

"I suffered from rheumatism of the joints for years. My shoulders, arms, hips and knees were stiff and sore. It was impossible for me to go up or down stairs, except one step at a time, and when I sat down it was almost impossible to get up because of the stiffness.

"I also had more or less rheumatic neuritis in my arms and shoulders, and many nights I would have to get up and bathe my arms in hot water in order to get any sleep. My trouble seemed to be more severe at night. It was agony to get my coat on or off, for when I would raise my hands above my head I would suffer the most excruciating pain.

"Naturally I tried about everything recommended, but my case was not one to respond to the usual tonics or liniments. I continued to grow worse until I heard of Var-ne-sis—this was just the medicine I was looking for. After taking Var-ne-sis for some time the extreme pain left my shoulders and arms, gradually the stiffness left my joints and in a short time I was as well as ever. Var-ne-sis is a wonderful medicine, and I trust others will try it, for I know they will be grateful to me for recommending it."

Nujol For Constipation

THE GREEK IDEAL

Health of body and health of mind. How can you have either if you are handicapped by constipation, by the failure of the body's waste-disposing mechanism?

This mechanism is delicate and easily thrown out of gear. Worry, hurry, improper food and insufficient exercise cause constipation. Pill-taking only makes a bad matter worse, because laxative and cathartic remedies, by weakening the natural processes of evacuation, tend to make constipation chronic.

Nujol is entirely free from these objections. It acts in effect as an internal lubricant preventing the contents of the intestines from becoming hard, and in this way facilitating normal movements.

Nujol is bottled at the refinery, and is sold only in pint bottles, bearing the name NUJOL and the imprint of the Standard Oil Company (New Jersey). Refuse substitutes—be sure you get the genuine. Write to-day for booklet, "The Rational Treatment for Constipation."
