JOHN MARSHALL WINNER

HIGH-SCHOOL QUINT FINDS MAURY HIGH EASY PICKING

Seasiders Never Dangerous, and Local Players Show Machine-Like Precision—Score Is 37 to 22.

The basket-tossers of John Marshall High School last night played rings around the Maury High School of Norfolk, and won from the Seasiders by the score of 37 to 22. This was the second victory for the Marshallites, the first game having been played in Norfolk some time ago.

John Marshall exhibited throughout the entire game superior passing to that of the visitors and at no stage of the game did Maury appear to be dangerous. The local quint worked with machine-like precision all the time, and its forwards shot goals at will. A number of the points made by the Marshallites were on fouls by their opponents. Piggie Hargrove, the big forward of the locals, tossed nine baskets from the foul line, missing only a small number.

Richmond scored during the first few minutes of play, but it took the visiting team some time to register a point. They seemed to find themselves after the first half was over and scored fifteen of their nineteen points in the latter part of the game.

The game was featured by the wonderful goal-shooting of Levin, the Marshallites' left forward, who garnered seven baskets for a total of fourteen points. This youngster led in points scored for the entire game and was the individual star of the encounter. Wyatt Dickerson, at center, played a good game, and was all over the floor. Ollie Deyine and R. Sisson, the Marshallites' guards, did not score many points, but it was through their defensive work that the other points of the Marshallites were made possible. Deyine, however, did shoot one goal.

The playing of Bonney, Scholnick, O'Conner and Graham were the outstanding features from a Maury standpoint. The first-named lad is a strapping big center and played a clean game throughout. He, with the other three of the quartet, scored all of the points made by the Norfolk outfit.

The line-up follows:

John Marshall.	Position.	Maury.
Levin (7)	L. F.	Graham
Hargrove (14)	R. F.	Brown
Dickerson	C.	Bonney
Deyine (1)	L. G.	Eichelberger
R. Sisson	R. G.	Long

Goals from field—Marshall, 17; Maury, 8. Substitutions—Deyine for Dickerson, Schulkiter for Brown, O'Conner for Graham, Baldwin for Long. Goals from field—Levin (7), Dickerson (1), Hargrove (2), Deyine, Graham (2), Bonney (2), Scholnick (2), O'Conner (2). Goals from foul—Hargrove (9), O'Conner (2). Referee, Dobson (Princeton).

Y. M. C. A. FIVE EASILY WINS FROM CRIPPLED FAIRMOUNT

Although the game between the two high school quints was the feature engagement of the night, quints representing Fairmount and the Young Men's Christian Association staged an encounter that was exciting throughout, despite the fact that the "Y" boys were victorious by the score of 44 to 21. This engagement was exceedingly clean, and some sensational shots were made.

It was up to two John Marshall boys, Filippen and Merrin, to fill in gaps made vacant when two of the Fairmount players failed to appear, and nobly did they respond. Both youngsters showed excellent form in tossing baskets, and scored a majority of the points made by the East End team. Filippen led with four field goals, while Merrin ran him a close second by shooting three baskets. Hap Lawrence and Newsome also played a good game for the Fairmount quint.

The youngsters seemed to have it all their way last night, for Mullen, one of the youngest members of the "Y" quint, led the game in points scored, having six field goals to his credit. While Mullen's playing was the outstanding feature of the game, the rest of the "Y" five showed excellent form, and outclassed their opponents.

The line-up follows:

Y. M. C. A.	Position.	Fairmount.
Mullen (6)	L. F.	Filippen
Hatcher	R. F.	Green
Cook	C.	Lawrence
Robertson	L. G.	Crone
Gray	R. G.	Frank

Goals from field—Mullen (6), Hatcher, Wallace, Cook, Robertson, Gray (2), Filippen (4), Newsome (2), Lawrence. Goals from foul—Lawrence (2).

SPIDERS BATTLE TIGERS

Quint Meet in Championship Clash at Westhampton To-Night—Richmond College Going Strong.

A lively setto is likely to result to-night at Westhampton when quints representing Hampden-Sidney and Richmond College will clash on the basketball court for the second time this season. The contest will begin at 8.15 o'clock.

Adherents of Hampden-Sidney are still smarting under the defeat that the Spiders administered to the Tigers last Saturday night at Hampden-Sidney, and are confident that the Farmville team will be able to avenge this defeat. Richmond College is going unusually strong, and it will take the combined efforts of five Tigers to stop them.

On paper, the Spiders are counted on to win this game in a walk, having won two championship contests while the Tigers still have to break into the won column. While the game is conceded to the Spiders on paper, it is believed there is strong probability of Hampden-Sidney pulling the local team off the top rung of the ladder.

DANVILLE SCHOOL FOR BOYS BATTLES LYNCHBURG HIGH

[Special to The Times-Dispatch.]

DANVILLE, VA., February 9.—Danville School for Boys is prepared for a battle royal to-morrow night, when they meet the Lynchburg High School team at Schoolfield Y. M. C. A. The local quint is out for State championship honors, but realizes that the Lynchburg team is a strong one, and, for that reason, they are going to great pains to practicing new pass combinations calculated to puzzle their opponents. The same line-up as that of last Saturday's game, when the locals defeated Raleigh High, is expected. Crawford will be at right forward; Mattox, left forward; Wilkin, center; Schubbe, right guard, and Fuller, left guard.

LYNCHBURG HIGH SCHOOL DEFEATS DANVILLE HIGH

[Special to The Times-Dispatch.]

DANVILLE, VA., February 9.—After holding Lynchburg High School to a tie score during the first half of the game here to-night, Danville High School lost in the second period by faulty combinations, the score being 35 to 25. The local boys played a fast and vigorous game during the first half and some fine plays were seen.

When the whistle blew the score was 11 to 11. In the second-half the Hill City lads came back strong, Horner at left forward, doing some brilliant goal shooting. Clark and Dickerson, forwards, played a skillful game for Danville. The two Lynchburg forwards scored all except four points. The Hill City quint plays Danville School for Boys to-morrow.

CONFEDERATES TO MEET OLD DOMINIONS TO-DAY

Victory for Leaders Will Insure Soccer Championship—Opponents Determined Upon Winning.

One of the most bitterly contested games of the soccer season is expected this afternoon at Clarke's Springs, when the Old Dominions and the Confederates meet.

The Confederates are leading the league at the present time, and a victory to-day will come close to insuring their maintaining the pinnacle position. However, the Old Dominions, crippled last Saturday by the absence of several of the best players, will be able to put practically their regular line-up in the game to-day, and expect to give their opponents a drubbing.

Both teams have been going well recently, and the game this afternoon should furnish considerable sport for the increasing number of fans who are watching the contests.

Another good game is expected at Byrd Park, where the Chesapeakes and the Albemarles are to battle. While not so much will depend upon the outcome of this game, it probably will be hard fought and replete with first-class playing.

Both games are to start at 3.15 o'clock.

Military Training for Baseball Players

[By Associated Press.]

NEW YORK, February 9.—A plan to give all baseball players military training from the time they arrive at their southern camps up to the world's series, was outlined in a letter Captain T. L. Huston, of the New York Americans, sent to-day to President Johnson, of the American League. Huston was a captain of engineers in the Spanish-American War. He asserted he had discussed with Major-General Wood his scheme for a baseball military training camp.

Huston suggested to President Johnson that the clubs give one hour each morning and afternoon to military drill while in the South, and two hours each morning when they return North instead of the regular morning practice, and a short drill in the afternoon. In the fall after the world's series, Huston suggested a large military camp in the South for major and minor league players, umpires, club officials and newspapermen who wished military instruction.

FULTZ ASKS OPPORTUNITY FOR SETTLING DIFFERENCES

National Affairs Given as Reason for Overtures Made Class AA and Class A Leagues.

NEW YORK, February 9.—Officers of minor league baseball clubs in class AA and class A to-day received a letter from President David Fultz of the Baseball Players' Fraternity, asking for a conference in which to settle the differences between the fraternity and the minor leagues. The serious turn of affairs between this country and Germany was given as the cause of the fraternity's taking the initiative toward a settlement.

President John K. Tener, of the National League, has instructed Secretary Heydler not to issue any more bulletins revealing the names of players who have signed new contracts.

Attention of all minor league owners has been called by Secretary John H. Farrell, of the National Association of Professional Baseball Leagues, to an article of the association agreement requiring the tendering of formal contracts to all players on or before March 1.

ADEE ELECTED PRESIDENT OF TENNIS ASSOCIATION

C. Y. Smith, of Atlanta, Chosen as Delegate for Southern Section for Two Years.

[By Associated Press.]

NEW YORK, February 9.—George T. Adee, of New York, was elected president of the United States National Lawn Tennis Association here to-day, and C. Y. Smith, of Atlanta, was elected a delegate for the Southern section for two years.

The national singles championship tournament was awarded to the West Side Club, Long Island.

The rule proposed by the legislative committee which would have governed and limited the payment of expenses of players competing in sanctioned tournaments was defeated by failing to receive the two-thirds vote necessary to put it into effect.

Action on this measure was believed in some quarters to forecast the defeat of the much-discussed amateur rule which would stamp as a professional a player engaged in the sale of sporting goods, if the rule is passed, it will bar Maurice McLoughlin and a half a dozen other stars from the amateur ranks.

The amateur rule which would debar a tennis player who deals in sporting goods was defeated by the United States National Lawn Tennis Association early this morning at its annual meeting here.

ST. PETER'S ACADEMY FIVE DEFEATS HOLY NAME QUINT

The St. Peter's Academy basketball quint yesterday won from the strong Holy Name quint in a fast and interesting game by the score of 18 to 15. The game was marred by rough playing, although it pleased the fans. The playing of the Academy quint showed a vast improvement over the last contest. There was no individual star, although "Mike" Barrett played best for St. Peter's. This was the first defeat suffered by the Holy Name team.

The St. Peter's quint would like to arrange games with any team in the city averaging 115 pounds. The Academy team has a game scheduled with the Sacred Heart for Tuesday at the McGill Catholic Union. The line-up follows:

St. Peter's.	Position.	Holy Name.

JACKETS DEFEAT TIGERS IN HARD-FOUGHT CONTEST

Attempts at Long Shots Discount Farmville Quint's Efforts—Fives Evenly Matched.

[Special to The Times-Dispatch.]

ASHLAND, VA., February 9.—Randolph-Macon defeated Hampden-Sidney here to-night by a 23 to 11 score, after one of the briskest contests staged in Ashland this season. The quints were evenly matched, and the play was furious from the very beginning.

Due to the fact the Tigers were playing on a strange floor, they were unable to perfect their teamwork as much as had been expected. They played an excellent game, however, but the Yellow Jackets appeared to have the better of the argument during most of the contest. The Tigers' play was discounted on frequent occasions by their endeavors to register goals from far down field. Most of these attempts were unavailing.

Captain Waters and Smoot starred for Randolph-Macon, while Graham and Mellhenny excelled for Hampden-Sidney.

The game to-night did not begin until nearly 10 o'clock, due to the delay experienced by the Tiger outfit in reaching Ashland.

Randolph-Macon goes to Washington to-morrow, where they meet the Catholic University five Saturday night.

The line-up:

R.-M.	Position.	H.-S.
Waters	L. F.	Graham
C. P. Coe	R. F.	Thomas
Waller	C.	Wilson*
Smoot	L. G.	Mellhenny
Butterworth	R. G.	Warren

Substitutions—R.-M., T. L. Coe for C. P. Coe, Moss for Waller, Scott for Waters. H.-S., Crosby for Wilson, Preston for Thomas. Goals from field—Butterworth (4), T. L. Coe (2), Waters (3), Smoot, Graham (2), Wilson, Mellhenny, Preston. Goals from foul—Waters (2), Crosby. Referee, Hargrove, V. P. I. Timer, Hines. Scorer, Reiss.

WILLARD MEETS FULTON IN A TEN-ROUND MATCH

Bout Arranged for March 26 Provided Fulton Defeats Weinert—Staged at Madison Square Garden.

[By Associated Press.]

ALBANY, N. Y., February 9.—An agreement for a ten-round boxing bout between Jess Willard, world's heavyweight champion, and Fred Fulton, at Madison Square Garden, New York, March 26, conditional upon Fulton's victory over Charley Weinert next Monday, was announced here today by Grant Hugh Browne, of New York.

The announcement was made before the State Athletic Commission after a license had been granted to the Garden Tower Corporation, the new lessees of Madison Square Garden, represented by Browne at to-day's meeting. Browne said that virtually everything had been arranged in connection with the bout and that the formal signing of the agreement would be held up until the conclusion of the Fulton-Weinert fight Monday night.

The terms offered by Browne were accepted when Jack Curley, acting for the champion, conferred with him today at Albany. Browne would not name the amount to be paid Willard, but it is believed that the champion's share will be at least $50,000, with a good percentage of the picture privileges.

ADAMS'S MIDCOURT TOSS SAVES GAME FOR GENERALS

Washington and Lee Defeats West Virginia Wesleyan by Narrow Margin of Single Field Goal.

[Special to The Times-Dispatch.]

LYNCHBURG, VA., February 9.—A field goal tossed from midcourt by Adams, left guard, just before the sounding of the final whistle, gave Washington and Lee an 18-to-16 victory over the strong West Virginia Wesleyan basketers at Lexington tonight.

The game was featured throughout by close covering on the part of both teams, and the excellent passing of the visiting team, which was much better than the work displayed by the Generals.

In the first period the winners found the baskets better than did the West Virginians. The closing half was a hip-and-tuck affair, the two teams being tied almost throughout. The last minute found the teams in a sixteen-all deadlock, and Adams's double-decker saved the day for the White and Blue.

Young, Graham, Adams and Pierotti were the stars for Washington and Lee, while Beck and Fisher played the best game for the Wesleyan team. The line-up:

W. & L.	Position.	W. V. W.
Engleby	R. F.	Fisher
Young	L. F.	Daniels
Graham	C.	Neale
Pierotti	R. G.	Beck
Adams	L. G.	Morrison

Summary: Substitutions—W. & L., Nay for Engleby, West Virginia, Shoemaker for Beck. Field goals—W. & L., Engleby, Young (2), Graham (2), Adams. West Virginia, Fisher, Daniels, Neale, Beck. Foul goals—Young, 6 out of 13; Fisher, 4 out of 12. Time of halves, 20 minutes. Referee, Life, Union University.

[Special to The Times-Dispatch.]

BLACKSBURG, VA., February 9.—In a poorly contested and slow game played here, V. P. I. rolled up a 59-to-2 score against the Virginia Christian College. The visitors did not at any time display any form, and the Techs did not show up particularly well. During the second period, V. P. I. used most of her second-string men. Wrenn and Wharton did the greater part of the scoring for V. P. I. Lane made the one lone goal for V. C. C. from the middle of the court.

The line-up:

V. P. I.	Position.	V. C. C.

INT. LEAGUE TO IGNORE FULTZ AND FRATERNITY

American League Will Buy Henry's Release From Washington and Force Him From Baseball.

CHICAGO, February 9.—John Henry, catcher for Washington, faces the possibility of being driven out of the American League as punishment for urging members of the Baseball Players' Fraternity to strike.

President Johnson announced to-day that the club owners, at their meeting in New York next Thursday, will act on the proposal to pay the Washington club a sum of money and order the immediate release of Henry.

"Such persons are undesirable in our league," Johnson said.

"The Washington catcher has written practically every player in the fraternity urging them to remain loyal to David L. Fultz, president of the organization, and not to sign until they get the word from Fultz."

Johnson said the minor league will ignore the appeal issued by Fultz for a conference to settle their differences.

[Special to The Times-Dispatch.] LYNCHBURG, VA., February 9.—The local baseball club to-day began negotiations with Joe Stanley, of Washington, to manage here next season. Stanley, a former major leaguer, played last year in the Central League.

E. G. Barrow, president of the International League, wired Johnson that his organization will ignore the Fultz letter and the fraternity completely now and in the future.

MRS. HURD AND MISS GATES REACH FINALS IN TOURNEY

[By Associated Press.]

PINEHURST, N. C., February 9.—Mrs. Dorothy Campbell Hurd, Pittsburgh, and Miss Eleanor Gates, Brooklyn, reached the finals in the St. Valentine golf tournament to-day, Mrs. Hurd defeating Mrs. John D. Chapman, Greenwich, 6 up and 5 to play, and Miss Gates winning from Miss Gertrude Thurston, West Hampton, 4 and 3.

RANDOM MUSINGS OF SPORTS

For many years Connie Mack has been trying to develop a left-handed pitcher who could fill the shoes of his former southpaw stars, Rube Waddell and Eddie Plank, but although he has tried out more than many other managers, he has been unsuccessful. In the long list of unsuccessful left-handers tried by Mack are Roger Salmon, Lefty Russell, Dave Danforth, Herb Pennock, Harry Krause and Rube Bressler.

The war has claimed a boxing champion in Georges Bernard, who held the middleweight championship of France. Bernard was killed in the aviation service on the western front. A fortnight before his death he boxed an exhibition bout in Paris with Bob Scanlon, a negro fighter. Bernard won his title from Marcel Moreau in June of 1911, having commenced his pugilistic career in 1909. In 1912 Billy Papke defeated Bernard in Paris.

When Bill Lange, who was somewhat of a ball player back in the old days, was playing with the Chicago Colts, he drew down a salary of $1,500. That was back in 1895. And to-day Ty Cobb, a great player in this age of baseball, draws down an annual stipend said to be $15,000.

When Cap Anson was the manager of the old Chicago club he received $2,500, and Hutchison, the great pitcher, got $2,500 for his work. To-day there are any number of players who would snicker at such salaries.
