MARTIN DESIRES MATCH

A. E. F. CHAMPION ANXIOUS TO MEET FRENCH BOXER

Matt Hinkle, Cleveland Promoter, Authorized to Negotiate for Bout.

(By Universal Service.)

CHICAGO, Jan. 12.—Bob Martin, the A. E. F. champion, is anxious to meet Georges Carpentier in the ring in this country, according to a statement made today by Matt Hinkle, Cleveland promoter.

Hinkle said he has been authorized by Martin to negotiate for the bout. He will leave for New York tomorrow for a conference with Charles Cochrane, London promoter, who claims to have Carpentier signed up.

If Cochran can't close with him, Matt said he will get in touch with the Frenchman's manager.

Hinkle believes Martin will be a better drawing card than Dempsey, because the latter is being subjected to severe criticism by the American Legion for his alleged slacker tactics during the war.

COTTRELLS TAKE THREE

Elks Team no Match for Winners in Three Games at Tenpins.

At the Pietsch Alleys last night the Cottrell team of the Capital City League took three straight games from "Sam" Williams' Elks' team, amassing a grand total of 3,079 pins, which broke the former record for three games.

The Saddlery team was in splendid form, four of its five men bowling over the 600 mark. Jordan, the lead-off man, spilling the maples for the huge three-game total of 714; Jarrett turning in 638; Cook, 625, and "Speed" Geer, 604.

Jordan also incidentally smashed the high three-game total for the season, putting it where it undoubtedly will stand for the balance of the schedule.

He started his first game with a 265 count, also high game for the evening—then put in a 214 count and the game back strong with 235. Jarrett went over the "200" mark twice with counts of 203 and 237; Cook got into the select class with 245 and 200, and Geer mangled the pins for counts of 230 and 216.

"Captain" Jett's team displayed by far the best team bowling of the season, and deserved to win all three games.

The Elks, however, made a creditable showing in spite of the fact that they were badly handicapped by having to roll with only four men.

Spilling and Ed Pietsch were the high men for the Antler Tribe, the former breaking into the 200 class twice with counts of 222 and 247, for a three-game total of 664, whilst the latter put in counts of 245 and 203, and amassed a total of 621 for his three games.

The scores:

At the Pietsch Alleys this evening the Reds and Giants of the Junior League, clash and three hot and exciting games are expected. At the Palace Alleys "Colonel" Burch and his Richmond Dairy team will endeavor to lower the colors of "Jake" Rowsey's fast-stepping Chico team.

PALACE WINS PIN MATCH

Duckpin Series Captured by Eighth Street Team From Tragle Outfit.

The Palace took two out of three games of duckpins from the Tragle's last night on the Palace Alleys after the toughest fight of the season.

Palace won the first with a small margin, the Tragle's won the second by fifty pins.

Krousse struck and spared in the last frame and won the third by eight pins.

Tonight the Richmond Dairy meets the Citizen Home at the Palace. This game will be interesting as it means second place for one or the other.

LOCAL QUINT WILL PLAY

JOHN MARSHALL PLAYERS TO MEET CHARLOTTESVILLE

Teams Clash Saturday at Y. M. C. A. Football Team Awarded Letters.

Announcement was made last night by George Todd, manager of the John Marshall High School basketball team, that arrangements had been completed for the staging of the game between the Marshallites' quint and that of the Charlottesville High School.

The contest will take place in the Y. M. C. A. gymnasium next Saturday afternoon at 3:30, and will be of unusual interest to those following the race for the prep school basketball title of the State.

John Marshall and Charlottesville both have secured a good start, and, with early victories to its credit, each is confident that they will be the winner.

Both Fives Have Good Records.

Last year the Richmond quint bettered the record of the Charlottesville five and the last named is anxious to defeat the local boys.

John Marshall's first game, against Petersburg, last Saturday afternoon in the Y. W. C. A. gymnasium, resulted in the boys of this city winning by a substantial margin.

Since this game the coach has had the squad practicing strenuously in an effort to have them reach tip-top shape for the game Saturday against Charlottesville.

Several new additions to the squad have been noted since the game with Petersburg, and the coach has had an opportunity to put the boys through practice during the last week that was much harder than any they have undergone previously this year. Henson, Hudson, Sturman and Ewing are most prominent among the new men.

Will Number Players.

For the first time in the history of basketball Richmond will have a quint the players of which will wear numbers when John Marshall plays Raleigh here on January 31 in the Y. W. C. A. gymnasium. Manager Todd stated last night that the new uniforms had arrived and would be ready for the game with Charlottesville, but it was not probable that the numbers will be used in this contest.

Football Letters Awarded.

Football at John Marshall formally passed out of history for 1919 yesterday morning when members of the gridiron squad were awarded letters.

The presentation ceremonies were held in the auditorium of the school at the regular Monday morning assembly of the entire school.

Those awarded the "J.-M." were: Manager Herbert Harrelson, Captain Roy Todd, Whitehead, Carrol, Ryder, Selvage, Bethel, Flippen, Tyson, Ashbrooke, Marrin, Smoot, Saunders, George Todd, Duret and Briggs.

Manager Harrelson gave a brief resume of the season and complimented the entire squad for the work each man did.

To Begin Track Practice.

Although the time of Coach Jones is taken up with basketball and will so for the next several weeks, John Marshall athletes will participate in several branches of indoor sports this winter.

Already a boxing club has been formed and several impromptu matches have been held.

In addition to boxing, the coach is expected to inaugurate indoor track work shortly. Whether or not the public school boys will participate in indoor track meets this winter has not been decided. It is not likely that they will, however, and the indoor track work probably will be preparatory to the outdoor meets, which will be held early in the spring.

Royal Property for Sale.

GENEVA, Jan. 12.—The hunting estates and lodges in the Tyrol of the late Emperor Francis Joseph are advertised for sale. English and American sportsmen have sent agents to Innsbruck with a view to acquiring the royal hunting grounds, which are the private property of the Hapsburgs. The money, therefore, will be handed over to the Hapsburgs by the government.

Girl Teams Will Play Tonight at Y. W. C. A.

Teams of the National State and City and the Merchants' National girl basketball sextets of the Banking Women's League will meet tonight in the gymnasium of the Y. W. C. A. in a contest on which hangs percentage. Neither team has won a victory, and the winner of tonight's affair will emerge from the cellar in league standing. Three teams—State and City, Merchants and Planters—are tied for last place while Federal Reserve, American and First National all are in first place.

Before the end of the week a definite line more than likely may be had on the strength of the teams in the league. Federal Reserve and American play Thursday, and with both teams tied for the leadership a close game is expected. Planters meets First National Friday night. Should they defeat the girls from the tall building additional interest will be added to the race.

Contest Between Federal and Merchants Proves to Be Snappy Affair. American Wins Easily.

First National	2	0	1.000
Merchants	2	1	.667

Federal	1	2	.333
Broad Street	0	4	.000

Two fast games featured the double basketball bill of teams of the Banking Men's League last night in the Blues' Armory, and the outcome of one of the affairs served only to break the tie that previously had existed for second place. The score of the other failed to have any effect upon the standing of the league leaders.

Merchants National and Federal Reserve staged the first game, and this contest was one of the scrappiest seen in the bank league this year. At times it was marked by roughness on the part of players of both sides. The Merchant quint was victorious by the score of 24 to 17, but not until they had been given stiff opposition by the fast Federal team.

Thompson, of the Federals, and Devine, of the Merchants, divided honors of the evenin. Each played a star game on the offensive and also did their share in the way of following the ball. Lafferty, of the Merchants, led his team in scoring with five goals from court.

The score:

Merchants.	Position.	Federal.
Lafferty	left forward	Bruton
Devine	right forward	Thompson
Bunnell	center	Broaddus
Turner	right guard	Rust
McRee	left guard	Franck

Summary: Substitutions—Slier for Broaddus. Goals from court—Lafferty, 5; Devine, 5; Bunnell, 3; Bruton, 2; Thompson, 3; Franck, 1. Goals from foul—Devine, 1; McRee, 1; Thompson, 3.

AMERICAN FIVE EASILY WINS FROM LIGHT BROAD ST. TEAM

With comparative ease the American National Bank five defeated the light, inexperienced Broad Street Bank team in the second game of the evening by the score of 65 to 12.

At the beginning of the game the losers displayed form which they have not shown in previous contests, and for a time held the Americans at bay, but the league leaders soon opened up and scored at will. The score broke all records for the season, and gave the fans a line on the relative strength of the First National quint and the American five, which organizations are tied for first place in the Bank League.

First National defeated Broad Street last week, but the margin was not as great as that piled up last night by the Americans. These teams meet Thursday night at the Blues' Armory and the temporary leadership of the organization will be decided.

Brown, left forward of Americans, led in the scoring for the evening with thirty-nine points to his credit. He threw nineteen goals from the court and one goal from foul. The entire American team put up one of the best games seen here in some time, and gave way to the second five during the final stages of the last half. Brown was the only member of the American quint to play the full game.

While the Broad Street team proved no match for the victors, they fought hard all the time. McRae and August starred for the losers by scoring all the points for their team.

The score:

American.	Position.	Broad Street.
Brown	left forward	HacRae
O'Sullivan	right forward	August
Broaddus	center	Turner
Owens	left guard	Knox
Tyson	right guard	Allsbrook

Summary: Substitutions—Townes for Knox, McCree for Turner, Campbell for Brown, Brown for Broaddus, Weisier for O'Sullivan, Powell for Tyson; Miller for Owens. Goals from court—Brown, 19; O'Sullivan, 8; Broaddus, 1; Campbell, 1; Weisier, 3; McRae, 8. Goals from foul—Brown, 1; August, 6.

NEW YORK CURB MARKET.

NEW YORK, Jan. 12.—The curb securities, particularly oils, slumped today with the irregularity of the market. The industrials, in which recent movements have been less speculative than in the oils, were fairly steady and losses were inconsiderable except in the case of General asphalt and Goldwyn Pictures. On the other hand Overland Tire, high-speed tool steel and United Pictures made gains. Standard Oil of New Jersey indulged in another burst of speed, its gain at one time reaching 23 points, subsequently dropping 10 points thereof. Mining shares were little affected.
