MR. HOME OWNER and Mr. Factory Owner—Heat is vital to every industry and to every individual. Scientists warn us that our supplies of heat-producing elements are being depleted at a comparatively rapid rate. Yet in face of this fact, which is emphasized by the wasteful and continuously high cost of coal and oil, our continuous source of heat supply, we continue to waste heat at a truly appalling rate. Stop this! Heat should be your careful and immediate attention. We handle anything to help you save your heat and cut down your expensive coal bill. Get in touch with us at once. Southern Asbestos Co., 10 Governor Street. Phone Randolph 1418.
