OHIO TEAMS AGAIN LEAD MAJOR LEAGUE CIRCUITS

Cincinnati and Cleveland Are Out in Front, Having Regained Their Strides.

[By Associated Press.]

NEW YORK, May 16.—The Cincinnati world's champions and the Cleveland Americans recovered their stride last week and again led their respective leagues. The Chicago Nationals jumped into third place today by winning their seventh straight victory. The New York Americans won all four games last week, but lost today.

In the National League, Cincinnati batted hard and fielded well except in the game dropped to New York when the Reds were unable to score on Benton. Ruether, of Cincinnati, allowed St. Louis two hits and no runs last Sunday. The champions split even with the Giants and took two from Philadelphia. The Quakers ended their losing streak today after nine straight defeats by downing the Reds in a fifteen-inning battle.

Boston and Chicago had a losing week. Williams, of the White Sox, had a record of six consecutive victories until defeated by New York. Washington and Detroit were unable to continue their winning play of the previous week. St. Louis' pitchers were ineffective. Philadelphia fought hard to get an even break in four games.

In the intersectional games, the Western teams of the National League have won ten out of sixteen, while the Eastern clubs of the American have taken seven out of thirteen.

FIRST OPEN-AIR BOUTS WILL BE GIVEN TONIGHT

Zeke Smith Opens New Theater at Laurel and Broad—Two Matches on Program.

Zeke Smith, popular Richmond wrestler, is ready to give his first open-air mat carnival in the new arena tonight, at Laurel and Broad Streets. The structure has been completed and all that needs to be done now is the laying of the mat. This minor detail will be looked after today and the building then will be ready for the grand opening. The new building is much larger than that of last year and the crowds can be handled much easier.

One of the most attractive wrestling programs ever given in this city has been arranged for the first entertainment of the year. There will be two matches with four of the most popular middleweight wrestlers of this section of the country playing the leading roles. Joe Turner, John Kilonis, Zeke Smith and Gene Westergaard will furnish the entertainment and each has appeared here several times before. It will be the first meeting of Turner and Kilonis in this city for a number of years.

Smith Meets Old Rival.

Smith and Westegaard wrestled in this city twice last season and each time the Richmond boy succumbed to the Swede. Smith has been training strenuously during the last month for this match and believes he is in excellent condition. The Richmond boy's last bout was with Joe Turner in Washington last week. Turner pinned Zeke's shoulders to the mat, but had to extend himself to do so. The Richmonder will be out for revenge and the affair between Smith and Westegaard should prove to be one of the fastest mills seen in this city in considerable time.

While the card tonight is confined to middleweight wrestlers, announcement has been made by Smith and his partner, Billy Woolseifer, that later in the year Marin Plestina, the heavyweight wrestler, will be brought to this city, provided a capable man can be secured to meet him. A tournament between middleweight grapplers will be put on here later in the season.

There will be several attractions in addition to the wrestling match tonight. A band has been secured to dispense music at intervals during the match.
