Prime crude, 5.25@5.75; prime summer yellow spot, 7.65@8.65; July, 7.55; September, 7.74; December, 7.90, all bid.

CURB MARKET.

NEW YORK, June 3.—There was a better tone in the trading in the curb market today, and business was on a more active scale. Light buying in some oils pushed values slightly higher, but the market was not without its weak spots. Industrials in common changed hands at a new low record, and one share of Stutz motors sold at 35, also a new low. The other stocks were quiet.

Marathon Oil was the leader of the oils and moved slightly higher on a fair volume of trade. Standard Oil of Indiana moved below par. Oil elsewhere in a fairly steady tone was maintained.

Little activity was reported in the mining section and prices moved off slightly, but offerings were well absorbed. National Tin made a small gain. Greater activity was shown in the bonds. Chicago Union Station 6½s were traded in for the first time.
