[By Associated Press.]

HICAGO, Aug. 2.—The baseball l case was placed in the hands he jury at 7:52 P. M. in a special sion of the court tonight after ge Hugo Friend had instructed jury as to the numerous legal ts involved.

he closing arguments were con-ed this afternoon when George man, assistant State's attorney in rge of the prosecution, in a brief ress informed the jury that, in opinion, the State had presented h a conclusive case that a lengthy ress was unnecessary.

dge Friend, in his instructions, ch he spent most of the afternoon preparing, to the jury, told them State must prove that it was intent of the Chicago White Sox yers and others charged with con-racy, through the throwing of the world series, to defraud the pub-and others, and not merely to w baseball games.

hose indicted by the grand jury a result of the baseball scandal e as follows:

ddie Cicotte, former star pitcher the White Sox.

laude Williams, former White Sox her.

rnold "Chick" Gandil, former first eman.

harles "Swede" Risberg, former d baseman.

arl Zork, of St. Louis.

When the trial began, it was re-ted that only seven of the indicted players had been apprehended were ready for trial. They were tte, Williams, Gandil, Weaver, berg, Felsch and Jackson. Only of the alleged gamblers, the brothers, Zork and Zelcer, were dy for trial. After the State had hed its case, the prosecution untarily dismissed the charges inst the Levi brothers, as no evi-ce was submitted to incriminate m.

The defense, led by Attorney Henry Berger, then moved to dismiss the es against Zork, Weaver and sch. Judge Friend indicated he uld not allow a verdict to stand inst these men, but the State in-ed upon going to the jury with m.

ine Counts Against Defendants.

Attell Defeats Extradition.

rior to the tral Abe Attell de-ed extradition proceedings in York to bring him to Chicago. Chase was arrested in California, but was never brought to Chicago. Fred McMullen, utility infielder for the White Sox, was not apprehended on a second indictment, although he had given bond on the first. Rachael Brown and "Sport" Sullivan were never apprehended.

During the trial the name of Arnold Rothstein, an alleged New York gambler, frequently was brought into the testimony. It was charged that Rothstein financed the conspiracy, which was said to have originated in New York.

"Bill" Burns, one of the defendants turne State's evidence and on the witness stand told the plans made to throw the world series gahes. He was corroborated in his testimony by William Maharg, of Philadelphia.

Burns, in his story, asserted that Cicotte and Gandil were the originators of the scheme to throw the series for $100,000. According to Burns, Abe Attell, who was supposed to be the lieutenant of Rothstein, double crossed the players and gave them only $10,000 of the promised $100,000.

During the entire trial, the defendant's attorneys contended continuously that Ban Johnson, president of the American League, had instigated the prosecution because of a feud between himself and Charles A. Comiskey, owner of the White Sox.

During the trial it became known that the original confessions said to have been made by Cicotte, Williams and Jackson, with the immunity waivers which they had signed, had been stolen fro mthe State's attorney's office. It was charged that Eastern gamblers had made up a pot of $10,000 to obtain these documents.

SMITH WINS BOUT FROM "MYSTERIOUS" GRAPPLER

Richmond Wrestler Defeats Man Who Turns Out to Be "Pete" Wyle.

"Pete" Wyle, of Sioux City, Iowa, otherwise known as the "Maskey Marvel," succumbed to Zeke Smith, local middleweight wrestler, in two of the three falls last night at the Broadway Athletic Arena.

The identity of the mysterious wrestler was discovered when he entered the ring last night. Owing to the excessive heat and discomfort incident to the wearing of the head-gear, the grappler did not wear his mask. When his face was seen, he ceased to be the "masked mystery" and became "Pete" Wyle, a well-known wrestler and an inhabitant of Iowa.

It was the concensus of opinion among the large crowd present that the match was the fastest which has been staged in this city for many years. Both wrestlers fought hard for the victory, and it was only after three falls that the winner was determined.

After thirty-one minutes of furious physical activity, during which time both grapplers emerged from holds that threatened to pin them to the mat, the local wrestler secured a toe-hold. This brought him victory in the first fall of the evening.

Wyle came back strong, however, and secured a painful toe-hold on the Richmond wrestler. Because of an injury to his knee Smith surrendered the fall.

With the count even and both wrestlers apparently having an equal chance of winning the honors, the two men started in again with a great deal of confidence. After twenty-seven minutes Smith secured a jack knife hold on his competitor and pinned his shoulders to the mat for the final fall of the evening.

It was a great match and the crowd rewarded both men by giving them a big hand.

Tickets to the all-star boxing card, scheduled for Thursday night at the Broadway Athletic Arena, were distributed to spectators at the match. Only holders of the tickets given out last night will be admitted.

If You Want More Bodily and Mental Vigor

Try Me I Only Require One Minute

of your time each day. I have helped give thousands of weak, run-down, nervous folks, increased strength and endurance, in two weeks' time, in many instances.

I am not a doctor but PHYSICIANS HAVE OFTEN ADVISED PEOPLE TO TRY ME. Former UNITED STATES SENATORS, United States Army Generals, Judges of U. S. Courts and many well known people have availed themselves of my help.

STRONG MEN, ATHLETES, BRAIN WORKERS—they know what I can do when they want the "stay there" strength and endurance that wins.

WOMEN WHO ARE WEAK, nervous and irritable as a result of overwork, worry or household drudgery have often obtained most surprising relief from me.

When, as a result of iron starvation, you get up feeling tired in the morning when you can no longer do your day's work without being all fagged out at night; when your digestion all goes wrong, or you have pains across the back and your face looks pale and drawn, do not wait until you go all to pieces and collapse in a state of nervous prostration or until in your weakened condition you contract some serious disease, but try me. I only take one minute of your time each day. I am NUXATED IRON—organic iron. I am like the iron in your blood and like the iron in spinach, lettuce and apples. I help make strong, forceful, red-blooded men and beautiful, healthy, rosy-cheeked women. Without iron like me, your blood becomes pale, thin and watery and loses its power to change food into living tissue, therefore nothing you eat does you the proper amount of good—you do not get the full strength out of it.

To prove to yourself what I can do, get your doctor to take a specimen of your blood and make a "blood count" of your red blood corpuscles, then try me for one month and have a new "blood count" made and see how your red blood corpuscles have increased and how much stronger and better you feel; how the color has come back to your face and how much stronger and more steady your nerves new are. I will not injure your teeth nor disturb your stomach. You need not lose a cent on me. If I do not give you satisfactory results my manufacturers will refund your money. Get only me. Beware of imitators. I come in tablets only, never in liquid form. Look for the letters N. I. on every tablet—and the word "Nuxated" on every package. Sold at all druggists.—Advertisement.
