NOTICE IS HEREBY GIVEN, that pursuant to and by virtue of a decree of sale made and entered October 5, 1922, by the District Court of the United States for the Eastern District of Virginia, at Richmond, Virginia, in a certain cause in equity, in which Cities Fuel and Power Company was and is complainant, and Empire Transportation and Oil Corporation was and is defendant, the undersigned, Thomas B. Gay, Lewis C. Williams and Robert H. Talley, as Special Masters appointed by said decree for the purpose of selling the shares of stock, notes, accounts, choses in action, claim or claims, and any and all property of every kind and character whatsoever, of the Empire Transportation and Oil Corporation, therein directed to be sold, will offer for sale, to the highest qualified bidder at the front door of the Post-Office building in the City of Richmond, Virginia, on the 20th day of October, 1922, at the hour of 12 o'clock, noon, the following shares of stock, notes, accounts, choses in action, claim or claims, and all property of every kind and character whatsoever of the Empire Transportation and Oil Corporation, to-wit:

(1) Fifty-six Thousand, Four Hundred and Ninety-five (56,495) shares of common capital stock of National Petroleum Corporation.
(2) Sixty-five Thousand, Four Hundred and Ninety-five (65,495) shares of capital stock of Southern Fuel & Refining Company.
(3) One Hundred and Sixty-three Thousand, Four Hundred and Sixty (163,460) shares of capital stock of Gulf Coast Corporation.
(4) One Thousand (1,000) Shares of preferred capital stock and Four Thousand Nine Hundred and Forty (4,940) shares of common capital stock of Lagunito Oil Company.

(6) Fifteen Thousand (15,000) shares of capital stock of John M. Connolly Steamship Company, Inc.
(7) Four Hundred and Ninety-six (496) shares of capital stock of Empire Pipe Line Company.

Together with any and all right, title to and interest in any other shares of shares of the capital stock of any or all of the companies above mentioned, any choses in action, if any, and all notes, accounts, choses in action, claim of claims, or claim or demand whatsoever, of the Empire Transportation and Oil Corporation against any and all of said subsidiary companies, and also all accounts or bills receivable, claims, claims or action, choses in action, and property or property rights of every kind, tangible and description, or interests therein, owned, claimed or possessed by the defendant Empire Transportation and Oil Corporation, on the 5th day of October, 1922, whatsoever, to the same extent as if the same were herein fully set forth and described in detail. The Court, however, has reserved from the sale as to be made by the Special Masters all questions as to settlement of Receiver's accounts in this cause, and any and all claim or claims on the part of Receiver against any person, firm or corporation, if any, now arising, and in the final settlement of the Receiver's accounts in this cause, if there shall any balance in his hands or due to said Receiver, the court has also reserved the right to apply the same upon any deficit that may exist between the actual realization from the sale of the properties of said defendant and the indebtedness established in said decree of October 5, 1922, or if there be no such deficit then as the court may direct.

The Special Masters will first offer for sale in separate parcels the shares of stock of each of the above-mentioned companies so owned by said Empire Transportation and Oil Corporation, together with all notes, accounts and claims against said Empire Transportation and Oil Corporation against each of said companies, and will receive the bid upon any of said separate parcels when so offered of an amount less than cash, but will said Special Masters receive a bid from any one who shall not first deposit with them as a pledge that he, it or they will make good his, its or their bid in case of its acceptance, the sum of $25,000, in cash, or a check for such amount, certified by some National Bank or Trust Company in the City of Richmond, Virginia, or of the City of New York, New York, made payable or endorsed to the order of said Special Masters.

After having offered said property for sale in separate parcels as aforesaid, the Special Masters will invite bids upon all of the property hereinbefore described and directed to be sold by said decree of October 5, 1922, in other parcels as an entirety, but will receive no bid upon said property so offered for sale in one parcel as an entirety of an amount less than $100,000, nor will said Special Masters receive a bid from any one who shall not first deposit with them as a pledge that he, it or they will make good his, its or their bid in case of its acceptance, the sum of $100,000 in cash, or a check for such amount, certified by some National Bank or Trust Company of the City of Richmond, Virginia, or of the City of New York, New York, made payable or endorsed to the order of said Special Masters; provided, however, that any person who may have deposited the sum of $100,000 in cash, or a certified check therefor as hereinbefore referred to, in order to qualify such person to bid upon the properties of said Empire Transportation and Oil Corporation, defendant, when offered in one parcel as an entirety, shall be thereby qualified to bid upon each, any or all of said parcels of property when and as separately offered for sale.

The Special Masters will first conditionally accept the bid of the highest qualified bidder for each, any or all separate parcels of property of said Empire Transportation and Oil Corporation when sold in separate parcels as hereinbefore stated, and in the event that the sum total in amount of any or all bids for the property of said Empire Transportation and Oil Corporation when so offered in separate parcels shall exceed in amount the bid of the highest qualified bidder for the property of said Empire Transportation and Oil Corporation, defendant, when sold in one parcel as an entirety, said Special Masters will report such separate bids conditionally accepted by them to the Court, but in the event that the bid of the highest qualified bidder for the property of said Empire Transportation and Oil Corporation, defendant, when sold in one parcel as an entirety shall exceed in amount the sum total of the bids, if any, for the properties of said Empire Transportation and Oil Corporation, defendant, when offered in separate parcels, said Special Masters will reject such separate bids theretofore conditionally accepted, and will conditionally accept the bid of such highest qualified bidder for the property of said Empire Transportation and Oil Corporation, defendant, when so sold in one parcel as an entirety, and report the same to the court.

The cash or certified check or checks deposited by any bidder, in order to qualify himself or itself to bid at the sale, whose bid is conditionally accepted, shall be held by the Special Masters as a pledge that such bidder will make good his bid if accepted by the court, and if so accepted by the court, such bidder will as purchaser at said sale be entitled to have such deposit credited upon the payment of the purchase price of the property so purchased. The cash, check or checks deposited by any bidder whose bid shall be conditionally accepted as aforesaid will be returned by the Special Masters to the bidder or bidders from whom they were received, if the court shall not confirm such conditional sale. The cash or certified check or checks except those deposited by any bidder whose bid shall be conditionally accepted will be returned by the Special Masters at the conclusion of the sale to the bidders from whom they were received.

In case any bidder shall fail to make good his bid upon its acceptance by the court, or shall fail after such acceptance to comply with any order of the court relating to the payment thereof or the completion of the purchase, then all sums deposited by such purchaser or purchasers as hereinbefore provided, whether paid in cash or by check, shall be forfeited as a penalty for such failure, and shall be applied to the payment of the expense of resale, and toward making good any deficiency or loss in case the property shall be sold at a less price on any such resale, and for such other purposes as the court may hereafter direct.

The purchaser or purchasers shall on the confirmation of the sale by the court thereafter make such further payment or payments in cash or otherwise on account of the purchase price as the court may from time to time direct. So much of the purchase price as may not be required by the court to be paid in cash may either be paid in cash, or the purchaser may satisfy and pay a good such residue of his, its or their bid in whole or in part by turning in to be cancelled or credited as hereinafter provided, the negotiable promissory notes of the Empire Transportation and Oil Corporation, defendant, or its open account indebtedness as described and established in said decree of October 5, 1922. The said purchaser or purchasers shall be credited therefor on account of the purchase price with such sums as may be payable on account of such negotiable promissory notes or open account indebtedness, respectively, out of the proceeds of sale, as if the whole amount of the purchase price were paid in cash.

The court reserves the right to resell the property upon such notice as it may direct, and at the risk and cost of the purchaser in case the purchaser thereof shall fail to make any payment on account of the purchase price within ten days after the entry of the order requiring such payment. The purchaser or purchasers, his, it or their successors or assigns, shall not be required to see to the application of the purchase money, and shall have the right to enter his, its or their appearance and become a party to said cause of Cities Fuel and Power Company, a corporation, v. Empire Transportation and Oil Corporation, as aforesaid.

For a more complete statement of the property to be sold and the terms and conditions of the said decree, and the matters reserved thereby, and the rights of the purchaser at said sale, reference is made to the original decree filed in the office of the Clerk of the United States District Court for the Eastern District of Virginia, at Richmond, Virginia, it not being intended to state such matters fully in this advertisement, but reference is hereby made to said decree and the record upon which the same is entered, to the same extent as if the same were herein set out at length. LADY WAS NEARING A BAD BREAKDOWN

Took Plant Juice and Is Now Feeling Fine—Relieved Nerves and Stomach.

"I believe I was on the verge of a nervous breakdown, but I am feeling fine since I have taken your Plant Juice," said Mrs. Catherine Fitting, of

MRS. CATHERINE FITTING.

3357 North Sixth Street, Harrisburg, Pa., during a recent conversation with the Plant Juice Man.

"My nerves were in terrible condition and I didn't know what it was to get a good night's sleep. I suffered with my stomach. My appetite was poor and I ate so little that my body did not receive sufficient nourishment. The little food I ate did not digest right, but would ferment and cause gas, so that I would bloat badly. My liver and kidneys were disordered, and I had such bad pains across my back that I could hardly do my washing.

"Your Plant Juice gave me wonderful relief. I have a splendid appetite and eat heartily of any kind of food I want without gas or bloating. My kidneys are improved and the pains have left my back. My nerves are strengthened and I can sleep soundly all night and feel new strength in my body, so that I do not tire so easily. My husband often remarks about how much better I look now."

Plant Juice is sold in Richmond at Tragle's Drug Store; in Petersburg by Morrison, the Drug Man; in Chase City by the Chase City Drug Co.—Adv.

FIFTY YEARS AGO

a woman in Lynn, Mass., was steeping herbs on her kitchen stove according to a recipe of her own, to furnish medicine for the women of the neighborhood. Today, a stone's throw from the little house where she lived, there is a four-story laboratory, making the same medicine for the women of the world. During the last year almost 500 tons of carefully selected herbs were used in the manufacture of Lydia E. Pinkham's Vegetable Compound.
