MONEY TO LOAN.

WITH PROPERTY INCREASING IN value at its present rate, you should select a lot immediately, if you are figuring on building your own home. We will assist you in selecting a lot, help you in its purchase and loan you the money to build yourself a house, agreeing to accept payment of the loan in amounts not exceeding the rent you are paying.
We have recently issued a beautifully illustrated pamphlet, with a few suggestions on home building, which we are giving away free to prospective builders. Come in and get one, and see a few examples of what we have done for other people, or rather what they have done for themselves under the opportunity we offer. Open Monday evenings.
