Fall Display Children's and Infants' Headwear

PLAN FOR THE LITTLE ONES, FOR THE WEEK BEGINNING MONDAY WILL BE DEVOTED TO THEIR INTERESTS :: :: ::

¶ Busy times for the mother right now. Busy planning for the children—and now that the openings are so near there is planning to do for herself—for no woman can shut her eyes to the final decisions of capricious Fashion. And appreciating that style-things are uppermost in mind, let's give thought to the needs of the little tots.

¶ Beginning Monday Keith-O'Brien Company will display its entire line of new styles in children's and infants' headwear.

¶ Children's beaver hats in modes, red, black, navy blue and brown. Other very pretty shapes in children's corded silk and French felt hats in all the new colors. Black is being shown extensively, also mode, red, brown and navy. White always occupies a prominent place in the styles of children's headwear. Many of these hats are trimmed in dainty flowers. Prices range from $1.25 to $19.75. Included in the showing are some pretty styles in small children's hats for school wear, 50c to $5.00.

¶ Infants have their full share of this very attractive display. You can't help but like the showing of little caps and bonnets which seem to grow prettier every year. Dainty silk caps from 35c to $5.00. The exquisite headwear for infants and small children is the admiration of fond mothers and fathers. It is even sought this year more than ever.

Initial Showing of Autumn Apparel

FIRST-HAND KNOWLEDGE OF REFINED NEW FASHIONS FROM LEADING STYLE SOURCES.

¶ Simplicity of line and a nearer approach to original tailor-made effects distinguish many of the fall suits designed for street wear.

In our suit section we are showing plain tailored suits in mannish mixtures, broad cloths, cheviots, serge, homespuns, tweed and diagonals.

Aside from the smart severity of line the special distinguishing mark of the new models is found in the fabrics from which they are made.

We are displaying all the accepted styles in suits, and all the fashionable length coats, 40, 42, 45 and 52-inch. Prices range from $15 to $85 for plain tailored styles; three-piece suits from $35 to $300.

We have the exclusive sale of the famous English Picadilly suits for girls and small women. Another feature is the "Co.-Ed" dress for college girls. In our coat section we are exhibiting a complete line of top coats in coverts, broadcloths, mannish mixtures, storm serges and zibelines. We especially invite your attention to the popular "Dagobert" coats.

In our dress section we are showing the Trottner dress, the Moyenage, the Co-ed, the Peter Thompson styles, including a complete line of dancing frocks, dinner and evening gowns and evening wraps.

AXMINSTER RUGS!

A special heavy quality. This rug must be seen and handled and then the claims made for it will be most apparent to any shopper. Notwithstanding that it is a better rug than is offered in the city today, we have decided to give our customers a lower price than ever has been quoted. Lower even than for inferior rugs.

9x12—Regular $30.00—Special, $22.50 8.3x10.6—Regular $26.00—Special, $18.75
6 x 9—Regular $16.50—Special, $11.50 3 x 6 —Regular $ 5.50—Special, $ 3.85
27x60 inches—Regular $2.95—Special, $1.95

If it were not for the fact that we absolutely control this line we could not quote these prices for such superior merchandise. Come and look them over.

The Keith-O'Brien Company offers the services of a skilled contract department to those about undertaking a complete or partial furnishing scheme. Let us prepare your estimates, which will be done without charge. Then your selections from the largest stock in the city can be tastefully made and the work completed to your satisfaction.

All at special prices.

Comprising a handsome collection of chic models, absolutely original, smartly trimmed, and offering a splendid variety for individual choice.

ORIENTAL RUGS

¶ You Will Find Ourfalian's Oriental Rug Department Larger Than its Ordinary Size.

The latest importation is twice as large as usual and the display is like a picture.

Nearly everybody loves an oriental rug, for it is one of the great primal arts that have come to us from further back than civilization and that appeal to us as all great primal things do appeal, not only because of their beauty, but because of their virility and power.

It is a strange thing to think of a savage in the mountains of India, with a rude loom bound to his hut, producing a fabric that is fairly defiant of time, and so beautiful that it is the envy of the artists of today.

We somehow feel humbler regarding our civilization of today when we realize that life gave this strange outlet to the feelings of wild tribes before that civilization began.

We know now that it is a good investment to buy an oriental rug, because it will so far outlast any rug that we Occidentals can weave.

Ourfalian was fortunate in securing rugs to sell for less than any American merchant can buy them for today right in Constantinople.

The Oriental Rug Department Is Now Ready for Your Inspection.

¶ Those who are contemplating refurnishing, and the builders of new homes, will be interested in the very reasonable prices.

$515.00

Is the amount of a claim we collected last week for a prominent building contractor of this city. He had given it up as dead. We will send you his name on request. No claim is too old for us to tackle. We would like to send you our folder giving rates and references.
