FARM LANDS

FOR SALE—155-ACRE RANCH AT A bargain.

We have recently had listed for sale the following described excellent farm, located in Bingham county, Idaho, and situated 3½ miles from shipping station on O. S. L. Ry.

155 acres of which 125 acres are today planted as follows: 80 acres in alfalfa, 3 years' stand; 10 acres in potatoes; 13 acres in oats, 20 acres in peas. All show good stand. If taken at once a portion of the growing crops go to purchaser.

The irrigation water right is fully paid up and consists of 160 shares of the Aberdeen-Springfield Canal Co. Perpetual right. All laterals are constructed and take water out of the main canal. Canals completed and in operation.

Buildings consist of house, granary and shed barn; worth about $500. The entire farm is fenced with three barbed wires. Good well. All but about 15 acres are susceptible to irrigation.

$2500 cash will take this good place now, $2500 in five years at 8 per cent; $5000 in five years at 6 per cent.

Idaho Irrigated Lands Co., Blackfoot, Idaho. f839

THROUGHOUT THE WHOLE COUNtry people are realizing that a farm is the only real independence. Most of the good land is already gone. There are only a few spots like Park Valley left; and this land is going fast. $15 and $17.50 per acre is the present price. See us at once about a farm in this productive valley.
