Clark Relected Head of Departmental League

Government Clerks' Baseball Circuit Organizes for 1915 Season.

CHAMPIONS DROP OUT

At a meeting of the Departmental League held yesterday afternoon in the rooms of the Chamber of Commerce the following officers were elected for the coming year:

J. J. Clark, of the Weather Bureau, was re-elected president, which office he has held for the past three years. H. L. Moore, of the Interior, was chosen vice president, and J. J. Anderson, of the Postoffice, was given his old position of secretary-treasurer. He has served in this capacity for several years.

Decidedly the champion team for the last eight years has dropped out of the league this year. The following teams will make up the joint this year: Agriculture, Weather Bureau, Commissioners, Treasury, and one other team to be chosen at the next meeting. The franchise will be granted to other Washington teams in Bureaus or the Naval Medical team.

The champion baseball team of the Department of Justice has decided to take advantage of the favorable weather and get in shape for a long run on the diamond on hand for the coming campaign. Manager Rainey, left low last year, has for the past few days carting in footballs and the nine who played pumpkins last year.

The team this year will be materially strengthened and will have a more balanced lineup than was represented in the league last year. Rainey expects a good deal from former last year's star Johnson, who will have on the right side of the diamond when pitcher. It is expected to make things hum on the Ellipse this year.

Manager Rainey desires of any aspiring candidates who come fast amateur teams. All challenges should be addressed to L. L. Rainey, 425 District Building.

MORRIS WILL AGAIN MANAGE MARTINSBURG

Martinsburg, W. Va., March 29.—William G. ("Country") Morris, of Washington, who last year piloted the Martinsburg baseball team to the championship of the Tri-City League and the championship of the independent teams of West Virginia and Maryland, today signed a contract to manage this year's Martinsburg team in the Blue Ridge League.

Manager Morris signed up after a conference today with local officials, and was given full authority to assemble a strong team and get everything in shape for the opening, May 27. The Blue Ridge circuit is composed of Hanover, Gettysburg, Chambersburg, Hagerstown, Frederick and Martinsburg, and will play under the national agreement in class D.

Richmond Plays Locals To an Eleven-Inning Tie

Morrisett and Russell Prove Hard Nuts for Griffmen. Score Is 2 to 2.

WALTER JOHNSON WILD

By WILLIAM PEET.

Richmond, Va., March 29.—Jack Dunn's spitball hurlers, Morrisette and Russell, turned out just as he predicted, viz., a couple of tough nuts to crack, with the result that a drawn battle, score 2 to 2 in eleven innings was the best the Griffmen could accomplish this afternoon.

To the Old Fox the result was both disappointing and gratifying. Griff was sore because he did not win, but glad of the opportunity to stack his men up against good pitching.

Morrisette worked six innings and allowed three hits, only one man reaching second base. Russell, who succeeded Morrisette, was touched up lively in the seventh and in grave danger during the tenth.

Johnson Hurls.

Walter Johnson, as advertised, started the game and twirled five innings. It was off the great Walter that Richmond hooked up with two runs. Walter apparently did not exert himself a whole lot.

Jim Shaw, who took up the burden where Johnson left off, looked a whole lot better by comparison. Shaw yielded two hits and fanned seven in six innings.

The lumpy infield helped the Virginians get the breaks. At least three of Richmond's eight hits were allowed by the writer on account of the wretched playing surface.

Behind Johnson and Shaw the Nationals fielded nicely. Morgan had an unusually busy afternoon, handling eleven chances without a slip-up.

Richmond Scores Run.

Johnson's wildness was directly responsible for Richmond's first tally in the third inning. Hasson was hit by a pitched ball, Morrisette popped to Foster, while attempting to sacrifice, Long Walked, and Berger came across with a clean hit to right field. This blow scored Hasson, but Johnson intercepted Moeller's throw and slammed to Foster in time to turn back Long at third base.

The Virginians scored a rather flukey run in the fourth. Ball led with a single, then followed a scratch hit by Kellogg, the ball bounding out of Foster's reach, a sacrifice by McInnis, and another lucky grounder by Hasson, the ball shooting through McBride's legs after taking a half-dozen weird hops over the lump infield. One run was the result of this attack.

The Nationals tied the score in the seventh, when Russell relieved Morrisette. Morgan walked, reached second on Shanks' out, and McBride singled to left, scoring Morgan, and raced to second when Berger fumbled the ball. Jim Shaw scored McBride with a smash through Kellogg.

Morgan Misses Chance.

In the tenth the Griffmen filled the bases, and, with two down, Morgan had a chance to end the struggle. Long captured Ray's grounder, and there was nothing doing.

The game was called by Umpire Black at the close of the eleventh on account of darkness. The score:

NOTES OF THE GAME.

Walter Johnson left for Washington on the 8:30 evening express tonight. He will probably work out with Nick Altrock's bunch tomorrow morning and afternoon in the Florida avenue park.

For the final run of the Richmond series here tomorrow Griff will pitch Harper part of the contest and use either Boehlin or Hopper to finish up.

Umpire Black aroused the ire of the Griffmen this afternoon, rendering several decisions that proved very much of the bush league. Howard Shanks was called out on strikes in the ninth, when he should have drawn a walk, and in Richmond's ninth Henry and Morgan caught Kellogg off first base by feet, but the umpire could not see it.

Both Morrisette and Russell are about as good right now as they will be during the season. The Griffmen had not faced any spitball pitching thus far and consequently looked weak at the bat. In spite of this many balls were hit hard but always at some fielder.

Johnny Bates, the veteran outfielder, slipped and fell while chasing a fly ball in the fifth inning coming in contact with a piece of glass which cut a deep gash in his right knee. He will be out of the game for several days.

All things considered Jim Shaw's control was fine. Johnson's wildness was probable due to the fact that until the fifth inning he did not put much "stuff" on the ball. He buzzed 'em later in the fifth and the Virginians looked foolish trying to connect.

An amusing incident cropped out in the Nationals' tenth. Shaw was on first and two gone when Russell purposely walked Milan to get Gandil. Clark hit a dinky grounder at Long which the latter fumbled. Dugan evidently knew that Gandil has not been hitting much this spring.

Mike Dorizas Turns Orator.

South Bethlehem, Pa., March 29.—Michael Mc Dorizas, the University of Pennsylvania athlete, who won the intercollegiate heavy weight wrestling championship last year, was the chief speaker last night at the Lehigh University Y. M. C. A. meeting. He spoke to 600 students on "The European War."

NOT TO PLAY BROOKFEDS.

Catholic University has called off its games with the Brookfeds, as it is following the policy of Georgetown in this respect in not playing Federal League clubs.

PERMIT ISSUED NEW CLUB TO HOLD BOXING EXHIBITION APRIL 9

Corporation Counsel Orders Assessor's Office to Grant License for Convention Hall Entertainment.

Will Washington have legalized boxing exhibitions?

This is the question which is most prominent in the gymnasiums, on the street, and at every sporting circle in the District today. Legalized boxing exhibitions cannot be such a harmful pastime, for today out of the forty-eight States in the Union eighteen have laws which permit ring exhibition bouts under strict rules.

Most of the local followers of the boxing game are still insisting that "it can't be done," but nevertheless the officials of the Capital City Athletic Club are going right ahead with their show, which is scheduled to be held at Convention Hall on April 9.

This trio of promoters know of from where, and on what ground they are working. Through the corporation counsel of the District, the assessor's office of the District government has been ordered to grant a permit to the Capital City Athletic Club to hold this entertainment and boxing exhibition on April 9, and W. P. Richards, the head of the assesor's office yesterday issued the permit which legalized the holding of these exhibitions, and which, by the way, is the first time in twenty years that boxing shows have been legally held in the District of Columbia.

Fans Want Sport.

All followers of the sport and lovers of real entertainment in this city desire boxing exhibitions, and it is the opinion of most of these fair-minded nonvoters that this line of sport should have been legalized long before this time. Why not? Besides these eighteen States in the Union which legalize boxing, there are many cities in which the sport is allowed by the city officials, but over which there is no State objection. Statistics show that boxing, when ruled by the State commissions, is 'a clean sport, while in other States a per cent of all the money taken in at these exhibitions goes into the State treasury.

Invitations for this opening exhibition, to be held by this newly incorporated club, have been issued to all the leading officials of the District and Federal governments, and it is planned to conduct it on a strictly clean and up-to-date manner. Ladies are expected to witness these bouts, and it is the plan of the promoters to bring to this city such well-known exponents of the art of self-defense as Freddie Welsh, Mike Gibbons, and Bob Fitzsimmons.

In the opening show Bob Fitzsimmons will demonstrate to the followers of the sport the wonderful ability of his son, Robert, jr., Willie Beecher, of New York, and Harry Lenny, of Baltimore, will be seen in the main attraction, while Kid Greek, Battling Terry Jones, Joe Blackburne, and Bert Green, a quartet of local boys, will furnish the other part of the boxing exhibition. A vaudeville program will open the entertainment, which will include boxing, wrestling, and other forms of entertainment.

JOHN A. DUGAN.

From the Major League Training Camps.

Daytona, Fla., March 29.—The defeat the Dodgers sustained at the hands of the Yankees yesterday was a costly one, for Capt. Jake Daubert suffered a sprained ankle and will be out of the game for at least ten days.

Brownsville, March 29.—After their day of rest the Brooklyns went through some stiff paces today. Mr. Falkenberg left to join the Navarro in Valdosta, to which team he has been assigned.

Corsicanna, Tex., March 29.—After their rest today, like the champions, all the Giants came home from Dallas today to play a game with the Houston team. The two games at Dallas showed the team going a fine exhibition of batting, fielding and pitching.

Macon, Ga., March 29.—The champion Braves today started their final week of spring training in this town. Stallings' peppery band will break camp early Saturday morning and head for Atlanta, from where they will start their march North.

Hot Springs, Ark., March 29.—Today's practice of the Red sox opened the last week of training at Hot Springs. Next Friday at 11 o'clock the entire Boston delegation will board the train for Memphis.

Augusta, Ga., March 29.—With only four more days remaining of their spring training here the Phillies put in a strenuous day today.

Hot Springs, Ark., March 29.—Before the season opens Manager Clarke must swing the axe on fourteen Pirate recruits and all the men are playing at top speed to make the selection of his victims more difficult.

Los Angeles Cal., March 29.—The Chicago White Sox arrived here today on the first leg of their journey eastward.

Tampa, Fla., March 29.—Manager Dreyfuss, of the Chicago Cubs, today welcomed three days without an exhibition game. The four games with the Louisville American Association club showed Brennahan several weaknesses in the Cub machine which he wants time to cure.

Atlanta, Ga., March 29.—The Phillies clashed with Atlanta today. After two days stay here the Quaker City players will hit the trail for the North.

Fayetteville, N. C., March 29.—After a day of lounging around the Baltimore Feds got out on the field this morning for a long practice session. The sixth game between the regulars and yearlings will be played this afternoon. It is probable that the team will start for the Monumental City next Sunday morning.

Jacksonville Fla., March 29.—The Athletics will clash with Jacksonville this afternoon and after the game will leave for Charleston, where the first step will be made on the journey North.

PROSPECTS ARE BRIGHT.

Interior Tennis Team Anxious for Start.

Prospects for a winning team from the Interior Department in the south federal inter-departmental Tennis League are especially good, judging by the interest which is being manifested by the clerks. It is realized that any team will have to go some to beat the Agriculture representations, especially if Connie Doyle plays with the farmers. Connie is the pride of the team at the tennis game, and is a true winner in any match he enters.

However, the Interior Department boys are game and are confidently looking forward to the opening of the season.

Hartford A. C. Ready.

The Hartford A. C., which has been working out for the past two weeks is now ready to meet all comers, and will play its initial game of the 1915 season next Saturday afternoon. The entire team of last year, which won thirty-four of its thirty-six games, is intact, with several new faces added to the club's roster. Hird, Burk, and Chamblin will do the hurling, while Smith will receive them. Robinson, Schaag, Trumble, Waite, Poettcman, and Krueoff will fight it out for the infield positions, but Beers, Harwell, and Pfeiffer are fixtures in the outfield. All caps averaging sixteen years desiring games, address Brooks Beyer, 1133 Park road.

JOHNSON SCHEDULED TO PITCH AGAINST GEORGETOWN OUTFIT

Manager Griffith Will Work "Smokeball" Hurler Against Collegians Wednesday.

Ho, ye fans, you will have your first opportunity to see the Nationals in action when they tackle the Hilltoppers on Wednesday at the Florida avenue park in the first exhibition game of the 1915 season.

Manager Clark Griffith has promised to work Walter Johnson in the game, partly as a tribute to the collegians and because he wants the Washington public to have the first chance to see the big smokeball pitcher in action this early in the season.

Nick Altrock will have his rookies in readiness to take the places of the regulars as fast as Griff sends them to the showers when he thinks they have worked long enough to keep in condition.

"Both Georgia teams are very good," said Coach O'Reilly yesterday. "They are exceptionally fast, and we defeated ourselves in the first two games at Athens by errors. Kelly was wild in the first game at Atlanta, passing seven. In the last game we batted five pitchers out of the box, making fourteen hits. Our pitchers appear to be in good shape, and the trip did us a world of good."

In a practice game yesterday afternoon the varsity defeated the reserves by a 7 to 5 score.

MORAN WINS FIGHT.

Knocks Out Bombardier Wells in Tenth Round in London.

London, March 29. Frank Moran, of Pittsburgh, knocked Bombardier Wells out in the tenth round of their fight here tonight.

The contest was staged at the London Opera House which was built by Oscar Hammerstein. There was a big crowd present including many ladies.

Moran had a slight advantage over Wells in the matter of weight, scaling 190 pounds.

The fight was for a purse of $20,000. Wells started off well and had the better of the fighting for six rounds. Moran started the seventh round savagely and it was evident he was after a knockout. He punished Wells severely.

In the tenth Wells was looking miserable but Moran kept piling up blows to the jaw. Almost half way through the round Wells stumbled. Before he recovered himself Moran shot a terrific left to the jaw. It floored Wells and he remained down eight seconds, finally arising with difficulty. Moran was right on top of him and shot a straight left to the point of the jaw. Wells went half around and then fell. He was counted out.

MERKLE STEALS FIRST.

But His Wanderings Were Intended to Draw a Throw.

Dallas, Tex., March 29.—On one occasion in the Dallas-Giants game yesterday Fred Merkle ran almost all the way from first to second while the catcher held the ball, and then ran back again, making what was a virtual deal of first base.

Bonheur shouted the good news when the Giant turned back from second, which he could easily have made, but as a matter of fact there was a man on third and Merkle's wanderings were simply intended to draw a throw.

TO PLAY VERMONT.

Catholic University Will Meet Mountaineers Wednesday.

In the second game of the season C. U. will take as its opponents the University of Vermont on March 31, which is playing games in this section of the country before going home for its spring series at home.

The Jesuits will be in fine mood for the Brooklawn and will work the whole game if he is right; if not, he will be relieved by Fahey, the Holy Cross star of last season.

Chinese Candidates for Crew.

Syracuse, N. Y., March 29.—Among the candidates trying for crew rails in the Syracuse varsity eight-oared shell this spring is Barry M. Au, a Chinese undergraduate who weighs 160 pounds. Au is the first native of China to try for a place on a Syracuse varsity crew, although a number of his countrymen have from time to time attended the university. If Au wins the position of coxswain he will be seen in the intercollegiate regatta at Poughkeepsie on June 26.

In Perfect Condition.

Havana, March 29.—Jack Johnson is in perfect physical and mental condition. The big negro was examined today by Dr. G. L. Hagen Roger at the request of Jess Cutler. Dr. Hagen Roger practiced his profession in Boston for fifteen years previous to coming to Havana, where he has been for the last eight years. He was connected with the New York health department for ten years.

Jetcos Want Games.

The following team will represent J. E. Taylor Electrical Company in the game next Saturday against the Rockland A. C.: Anderson, Tomlinson, Lake, Loveless, Spitzer, Boren, Johnson, Rice, and Williams. The Jetcos challenge any first class team in the District, Virginia or Maryland. All those desiring games address R. Loveless, 813 Fourteenth street northwest.

Another Title for Spotts.

New York, March 29.—Ralph L. Spotts added another club championship prize yesterday to his long list of those trophies of the traps by winning the 100-"bird" shoot at the New Rochelle Yacht Club's traps. The high handicap man was D. Girth, with a total of 209 on his handicap of 15.

Herald Hustlers Lose.

The Young Stars defeated the Herald Hustlers yesterday by 15 to 5. Samuel Emlen, pitching for the Young Stars, was the hitting demon of his team, getting two triples. Chew hit for the circuit with the bases loaded.

May Shift Clevelands.

Toledo, March 29.—Efforts have been renewed to transfer the Cleveland American Association franchise to Toledo. Ban Johnson says Cleveland needs only one team and the American Leaguers need the support.

Polo Match Postponed.

San Francisco, March 29.—Rain prevented the polo game which was to have been played by the teams of the Philadelphia Country Club and the Midwick Club of Pasadena, Cal.

Cornell Wins "Mat" Title.

South Bethlehem, Pa., March 29.—The following are the final points in the intercollegiate wrestling meet held here: Cornell, 21; Lehigh, 19; Pennsylvania, 13; Princeton, 11, and Columbia, 5.

Wrestlers to Meet At Gayety Wednesday

Joe Turner Slated to Grapple Jack Winrow, of England, in Finish Match.

Manager Peck has arranged to hold another wrestling bout on Wednesday night when Joe Turner, the local middleweight, will meet Jack Winrow, the English champion.

The bout will take place immediately after the regular performance and will be a finished match, best two in three falls, on the mat to count.

Winrow is the champion wrestler of England and has met such men as Dr. Roller and McLeod and defeated them, also throwing Max Edlmeier, of Paterson, N. J. He won the wrestling championship in England in 1910, defeating "Bull Dog" Clayton in a two-weeks' tourney.

Turner is too well known locally to need any word of commendation. He has held the middle-weight championship for several years, and is ready at all times to defend his title at the wrestling game.

KRAMER STILL IN FINE FORM.

American Cycle Champion Likely to Have Another Big Year.

Newark, N. J., March 29. Frank L. Kramer, ten times winner of the American cycle racing championship, seems headed for another title. His ride in the opening race, the feature event on the card for the opening race meet of the season at the Newark Velodrome, was all that could be expected of a champion. He outrode Alfred Goullet and Francesco Verri in the final of the big event, which produced a finish that thrilled the crowd.

It was the earliest race meet of the season, the biggest field of professional riders, and the largest crowd that has ever attended an initial matinee. The attendance was put at 12,000.

The match race at one mile between Donald McDougall, of the New York A. C., former amateur champion of the world, and Harry Kaiser, of the Bronx, another former holder of the world's title, for the possession of the Velodrome bracelet, which brings the holder $50 per week while he holds the armlet, was another thrill on the card. It was run in one heat, and McDougall won by half a length in a whirlwind finish.

OUIMET SETS NEW MARK.

Champion Makes Record, but Is Beaten by Ross.

Pinehurst, N. C., March 29. Francis Ouimet, amateur golf champion, although beaten by the United North and South championship play by Alexander Ross, of the Pinehurst Country Club, by a margin of three strokes, established a new record of seventy for the course.

The remarkable thing about it was that there were six mistakes, all of which cost a stroke, making a theoretical 64 where previously 67 has been counted the best possible score.

The "fluke" is discounted as a factor in considering the score, owing to the fact that Ouimet took three putts on the fourteenth.

Tom McNamara, generally regarded as Ouimet's dangerous rival, required 82-76 for a total of 158.

Townsend Elected.

Goshen, March 29.—At the annual meeting of the Orange County Driving Park Association John R. Townsend was elected president, with W. Averill Harriman vice president and Rensselaer Weston secretary and treasurer.

Plebes Are Given Two Hard Practices

Nick Altrock Sends His Charges Through Double Work-out Sessions.

Assistant Manager Nick Altrock had his Plebes out for two practices yesterday, one in the morning and also in the afternoon. The practice opened with all hands batting, and was followed with some fast infield work after every one was sent out into the outer garden to chase flies.

Nick was hitting them high and far, and everybody was given plenty of chances to test their wind, as it was run after everything that Uncle Nick hit in the air.

The same stunts will be followed today, as Nick wants to have his charges in the best possible shape when Griffith returns to the city.

The regulars will be home tonight late, and will be out at the park early on Wednesday to have their first workout of the season on the home grounds.

ENTRY BLANKS ISSUED.

Atlantic Coast Bowling Association Making Plans for Tourney.

Boston, March 29. Thousands of entry blanks, circulars and posters of the Atlantic Coast Bowling Association, sent all over the eastern part of the United States, have begun to arrive in this city in the great tournament and carnival of the Atlantic Coast Bowling Association, which will be held at Mechanics' Building, Boston, starting April 29 and continuing until May 15, inclusive.

Already hundreds of bowlers from all parts of the East have sent in their entry blanks, while others have declared their intention of having their entries in before the 10 closes on April 25. Every State east of Chicago and almost every large city will be represented by firemen teams in the tenpin, duckpins or candlepin events. The fact that all three games will be contested in one tournament, something never before attempted in the history of bowling, has appealed to all kinds and classes of bowlers.

HAVE GOOD ROSTER.

Southern Athletics Have Two Clubs in Field.

The Southern Athletic, one of the two crack baseball clubs which will represent the Southern Railway in the Terminal Railroad T. M. C. A. League this year, will begin practice this week.

Manager Carl Dill has enrolled a goodly number of fast players and expects his team to be in the fight from start to finish. He has signed Norman Loveless, one of the best shortstops in the city, and the infield of the model will be rocked from Hutchinson, Holbrooke Reeds, Wood, Graver, Rupert, Cahill, and Carrick.

The outfield is expected to be one of the best in the league. Pierce and Malone, of last year's team, Moore and Skidmore, of last year's Distillery team, and several likely looking new men will contest for the garden spot.

Restore Old System.

San Francisco, March 29. The directors of the Pacific Coast Baseball League have decided by telegraphic vote registered with President A. T. Ruhm to restore the double umpire system for the coming season, which opens tomorrow. Two additional umpires have been appointed. It was decided by the directors last fall to conduct this year's games under the one-umpire system, but during the spring training season it as found that the single system was unsatisfactory.
