Steel Plant Wins League's Opening Game--Commissioners Lose to Lincolns

STEEL PLANT WINS IN OPENING CONTEST

Defeats Congress Heights Club in First Game in League on Hilltop Across the River.

The Congress Heights Baseball League opened their first season yesterday afternoon at Randle Park. The first ball was thrown out by J. E. Williams, a prominent citizen of Congress Heights.

The opening address was to have been made by Col. Arthur E. Randle, but he was taken sick in New York City and was unable to be on hand. The opening address was made by C. F. Purdy, who is treasurer of the league. He spoke about how the residents of Congress Heights wanted to have baseball on the hilltop and so they organized a committee to start a league. Grounds were secured from Col. Arthur E. Randle, who loaned them the use of Randle Park.

The following teams form the league: Hamilton A. C., Congress Heights, Steel Plant, and Oxon Hill. The official umpire is F. A. Burgess, who is secretary of the league.

The opening was slightly marred by an argument between Umpire Burgess and Lefty Henderson, the pitcher of the Steel Plant team. Henderson was taken out of the game and he will be suspended by the officials of the league.

The Steel Plant team nosed out the Congress Heights crew in the opening game by a 8 to 7 count. Score:

HERALD HUSTLERS WIN.

John Peters' Crew Romps Home with Game by 12 to 3 Score.

Manager John Peters' Herald Hustlers had an easy time in gaining the verdict over a team composed of newsboys, called the Giants, on the Monument Grounds yesterday, 12 to 3. Manager Peters sent his best bet against this picked team thinking that one of the hardest games on his schedule would be on hand, but it was evident after the fourth inning, though the pitching of Bacon and the marvelous hitting of his team mates, that it would be a walk away.

The Herald team has been defeating some of the best teams in the city since the taking of the team by Peters and should this overpower win Elliot, Hits off Henderson, 5; off G. Brown, 2; off Wheeler, 3. Struck out—By Henderson, 5; by Brown, 9; by Green, 3. Umpire—Mr. F. Burgess.

LYON HIGH GUN.

New York A. C. Marksman Wins Trapshooting Title.

New Rochelle, N. Y., May 1.—George L. Lyon, of the New York A. C., won the tenth annual national trap shooting championship of the United States today at Travers Island with a grand total of 192 clay targets out of 200.

The figures established a new record for the big event and also surpass the mark of 188 made by R. L. Shurtz last year. Lyon maintained his form of the preliminaries shot on Friday when he tallied 291. The record-breaking string today is the best to his credit of any amateur and it qualifies the professional mark made some time ago by J. A. R. Elliott.

The Topeka club has turned Outfielder Pete La Flamme over to the Emporia club of the Kansas League.

DORSEY TO MEET AL DONNELLY AT ARCADE

Expects to Make Local Amateur Champion Go the Limit to Win.

George Dorsey, who vanquished John Holmann in a feature one-mile roller skating race at the Arcade Auditorium last Thursday evening, will be matched with Al Donnelly, the local amateur champion in a one-mile race next Thursday.

Dorsey made the fast time of 3:20 for his mile against Holmann on a small track, and is booked to give Donnelly an exciting rub for the District title.

Donnelly is one of the best little flyers on rollers in this section, and easily won from a large field at the Convention Hall meet several weeks ago. At that time Dorsey finished second, being the only competitor to pass the champion.

For the coming week the Arcade has arranged a varied program. Monday and Tuesday evenings the hall will be turned over to "Caruana" and his corps de Ballet and they will present their May ball with dancing afterward. There will be no roller skating matinee on these days.

Wednesday evening Chester E. Hunt, manager of the auditorium, will present his special "Circus Night" with interesting and novel features of the sawdust ring.

Thursday George Dorsey will race Al Donnelly for the District roller skating title, while Friday will be kiddies night, and Saturday afternoon will be turned over to school children for their May party.

Mardi Gras night is the offering for Saturday, and one of the largest crowds of the season should journey to the Fourteenth street amusement center.

Second Division Loses.

San Francisco, May 1.—The Southern Department army polo team yesterday easily defeated on the Exposition Field the Second Division army team by a score of 7½ goals to 6 in the semi-final round for the Presidio Cup. The Second Division was conceded 2 goals, but this advantage was soon wiped out, owing to their poorer mounts. The final match for the Presidio Cup will be played today between the teams of the Southern Department and the First Cavalry.

NOW ON HONOR ROLL.

Pitcher Newland, of the West Point baseball team, will get his name on the honor role this year, as he has equaled Marquard's record of nineteen straight wins for the Army team this season. He is also a star football player and champion heavy-weight boxer of West Point.

It is rumored that he contemplates playing professional ball after he finishes his course at the Army College. Just who has secured the services of this star could not be ascertained.
