Wizard of Turf Puts Another One Across

John E. Madden's Cherry Colors Flash Under Wire First in Three Events at Belmont Park.

New York, June 2.—Ever since we can remember John E. Madden has been termed the "Wizard of the Turf." And ever since we can remember John E. Madden has deserved this title for he has always been in a class by himself. For sending the best to the post few owners have anything on Mr. Madden.

Down at Belmont Park today John E. Madden made all hands straighten up and pay attention to his cherry jacket with white hoops on sleeves, for this silken coat flashed across the line victorious in three events. The start was made in the opening event when Sam McMeekin breezed home under wraps. Distance made it two winnings when she hopped over the finish line in the second and Stellarina in the fifth. Outside of Sam McMeekin's victory the other two were unexpected. In the second race, all the smart people played Adams Express or Runes, for they knew the race lay between this pair. They were right for a part of the event, as Adams Express was outwinging, but he grew leg weary after entering the stretch and backed up, allowing Distance and Top Hat to pass him. Stellarina played second choice to High Chair in the fifth, but when it came down to the final rush she scampered over the line first.

ROY THOMAS SIGNS CONTRACT.

Former Phillies' Outfielder to Guide Penn Nine Three More Years.

The directors of the Athletic Association of the University of Pennsylvania held the last monthly meeting of the present school year yesterday afternoon in the office of the Athletic Association.

The most important business transacted was the announcement made by the baseball committee that Roy Thomas, three-year Phille outfielder, who has coached the Red and Blue baseball team for the last four years, had been signed up to guide the destinies of the nine for three more seasons. Coach Thomas signed the three-year contract several weeks ago, and the final seal of approval was put upon the contract yesterday by the officials. The three-year term will begin at the close of the present season.

As an aftermath of the track season not closed, Zed Meredith, the Penn flyer, was ratified as captain of the 1916 team. Casey Townsend was elected to the position of manager of next year's underpaid, underfed and overclassed aggregation. Hugh Thomas and Harold Cubbon were elected assistant managers to serve next year. J. Hamilton Cheston, who managed the track team during the last season, was given a vote of thanks.

Ferguson Moore, of Philadelphia, was ratified as assistant manager of the baseball team.

HOFFMIRE ELECTED CAPTAIN.

Cornell's Distance Runner Will Lead the 1916 Track Team.

Ithaca, N. Y., June 2.—J. S. Hoffmire, of Troy, Pennsylvania, was elected captain of the Cornell track team yesterday at a meeting of the men who won their "C" this spring. Hoffmire first came into prominence in the fall of 1913, when he was a member of the freshman team which defeated the varsity eleven. Last spring he became a member of the track team, specializing in the two-mile run, and established a new intercollegiate record.

Last fall he was laid up during practice and was obliged to leave the game for a time. This year he came back strong and finished in the intercollegiate cross-country race, taking fourth place. He also finished in the intercollegiate mile run, taking second place. He also finished in the intercollegiate two-mile run, taking second place. He also finished in the intercollegiate two-mile run, taking second place. He also finished in the intercollegiate two-
