OUR ANNUAL PRE-INVENTORY "SHORT LOT" SALE

Our Business Year ends this week, and our Annual Inventory is to be taken in every department throughout the store. At a recent meeting of our buyers they were instructed to list all "short lots" for a rousing Clearance Sale—and instead of taking them in stock at a tremendous price concession (as would be necessary) to pass the savings on to you. Here they are—that is, as many as this announcement will permit us to publish—but there are many others of equal importance that you will conveniently find in nearly every department in the store. See today's Star, Times, and Post for other Big Sale Events. Every item a wonderful bargain—don't miss any of them. Sale starts promptly at 8:45 A. M. tomorrow.

Special Note—On account of the extreme reductions, absolutely no returns allowed—all sales final.
