INTERCLUB CANOEISTS TO GIVE NOVICES CHANCE

At a meeting of the executive committee of the InterClub Canoe Association last night, it was decided to include in the program for the Memorial Day regatta at Sycamore Island the following events: Novice single, tail end, intermediate single, championship single (open to members of the association only) Novice, double, upset race, intermediate double, mixed double, championship double (open to members of the association only). Intermediate fours, club fours and tilling contest.

The association has this year listed a new class of events, namely, intermediate, singles, doubles, and fours. By so doing the association hopes to bring out into competition a number of canoeists, who, while not novices, do not feel that they are capable enough to compete in the championship class.

The association has adopted the following regulation in order to determine novice standing and intermediate standing of canoeists: Canoeing events are divided into two classes, i. e. Straight paddling events, and special events. Straight paddling events include, singles, doubles, fours, cruisers race, and mixed doubles.

The special events, include upset race, Hurry-scurry, tail end, and tilting contest. A novice is a person who has never won a prize in a straight paddling event, in open competition. An intermediate is a person who has never won a prize in a straight paddling event, in open competition, other than in a novice race. The regatta committee hopes to make this year's event larger and better than ever and from all indications it looks as if such will be the case.

ZEREGA STAYS LIMIT WITH JOE GRANT

Joe Grant, the pride of the wrestling circle of this city, met a real tarter in Louis Zerega, the Southern heavy-weight champion, at the Gayety Theater last night in their handicap match in which Grant handed out the handicap to throw Zerega once in fifteen minutes or forfeit the purse. The weight and natural ability of Zerega was too much for Grant, and the local Italian champion stayed the limit. Zerega weighed over the two hundred pound mark while Grant is a middle-weight.

Tonight Louis Scroggins, the local heavy-weight grappler, who was defeated by Grant in fourteen minutes on Wednesday night, will meet Grant in a finish bout with the toe hold and strangle hold barred. This bout should be one of the most interesting that has been held at the Ninth street playhouse to date as in meeting Scroggins Grant will be giving sixty pounds in weight.
