EASTERN AND WESTERN TO OPEN SERIES TODAY

Method of Scoring Is Changed for Spring Meet.

The High School baseball series will get under way today at Union League Park at 3:30 sharp, between Eastern and Western High Schools. William Handibot, a well-known arbitrator, will do the umpiring.

The balance of the series will undergo a change owing to the increasing of cadet drills, there being many players in the cadets. Definite dates will be decided Monday of next week for the rest of the series.

Both teams seem to be evenly matched, neither having shown any class to date. The keen rivalry which exists between these two schools always means a good game from start to finish no matter how much one team outclasses the other.

Eastern, last year's champions, seem to be better off with the veterans, having four on their team, namely, "Gabby" Newman, "Little" Thomas, "Reds" Litchfield, and Sam Hardy; the rest of the team is of unknown ability.

Western has but two veterans to start the season with in "Gene" Stevens and "Big" Fenwich.

Owen and Hunt most likely will be on the firing line for Eastern while Davidson will be on the job for Western.

At a meeting held Wednesday, the faculty advisors of the various sports decided after a long discussion to change the method of scoring in the spring meet. Heretofore only the first three men placed in the finals; this has been changed so that the first four men place. First place will count five, second three points; third two points; and fourth will count one point.

Instead of one relay team placing as it has been before there will be four places in the relay, the winning relay counting 10 points; second place, 6 points; third, 4 points; and fourth place, 2 points.

This method of scoring will greatly increase the interest in track and a great many more men are expected to come out for this sport which has greatly fallen below its standard.

LAGORE, YALE STAR, DECIDES TO ENLIST

New Haven, April 19.—Yale lost the services of two of its best athletes today when Harry Legore, the Maryland lad, baseball captain, and Meyer, captain of the varsity crew, resigned their positions to join the colors.

Meyer has joined with Seth Low, captain of the Eli crew last year, in an aviation unit which is the first group of fliers that is expected to be sent to France. Legore has been a member of the Yale Field Corps, and is expected to enlist as a volunteer.

CHICAGO GRAIN MARKET.

Chicago, April 19.—The British Commission today was again a heavy seller of May and July wheat, in which the profits were enormous, and while its brokers sold the nearby months they were heavy buyers of December.

There were reports of fancy premiums for cash wheat in all the markets and an actual scarcity of the cash article developed a "buying bee" that carried values upward in a most sensational manner. A car of No. 2 red sold at St. Louis at $2.30 and at Kansas City at $2.75. Minneapolis reported the sale of a car of No. 1 Northern there at 27 cents over the May price.

Western receipts today were 803,000 bushels, compared with 900,000 for the corresponding day last year. Flour at Chicago advanced to $12.60 for hard spring wheat, patent, in wood and delivered. Advances in wheat today were 3 to 9¼ cents.

The highest price at which corn ever sold was reached for the May delivery today, that month bringing 1.67⅝ on short covering. The selling was led by longs. Net gains were 3⅝a5¼ cents, with sales of 15,000 bushels cash here.

Oats gained ⅝al cent and 100,000 bushels were sold here.

Provisions advanced but little.
