MYSTERY

BASED ON THE ELWELL CASE, WHICH HAS BAFFLED THE POLICE OF NEW YORK SINCE LAST JUNE

By Edward Delaney Dunn

A brilliant cast includes Katherine Gray, Thais Lawton, Mary Jepp, Paul McAllister, Howard Truesdale, Harold Heaton, Clifton Self, Pierce Burton, Cyrus Wood and Fleming Ward.

REWARD — In the early hours of Friday morning, June 11th, a well known New Yorker was found in his fashionable West 70th St. home murdered. Since the hour this lover of cafe and club, of night and its lights was sent to his Maker by an assassin's bullet, not a trace of the guilty one has been found, although two continents have been searched by the shrewdest of detectives. "MYSTERY" is a nerve-tingling drama based on this uncanny crime. A REWARD of an evening's splendid entertainment will be yours if you see the crime unraveled.
