The Committees on the District in Congress have agreed on the extension of the

CAPITOL GROUNDS

to B street, which places the south end of this square directly in front of our great Capitol building, and this fact must, within a few years, render this entire square immensely valuable.

If not sold as a whole, it will then be OFFERED IN LOTS, according to a PRINTED PLAT, ONE THIRD TO BE PAID IN CASH, the balance in six, twelve, eighteen, and twenty-four months, with interest, secured by deed of trust.

ALL THE LOTS on New Jersey avenue afford fine sites for business stands, and will improve from year to year in importance.

ALSO, AT THE SAME TIME AND PLACE,

A nice, nearly new house, with six rooms, two stories, and situated on O street, near the corner of Seventh street. Terms: One-half cash; balance six and twelve months.

ALSO,

SIXTEEN BEAUTIFUL LOTS in Square 176, fronting on Seventeenth street and on north U street. These lots are in a rapidly improving locality, on the grades, and are each 20 feet front by about 110 feet deep. Terms: One third cash; balance in six, twelve, and eighteen months, with interest secured by deed of trust.

ALSO, FOUR

FIVE-ACRE LOTS, all beautifully located, on the west side of the Bladensburg pike, about three miles from the city, in the District, and in a fine neighborhood, under fence and cultivation. Terms. One third cash; balance in six, twelve, and eighteen months. This is a very desirable place for a country home.

PARTICULARS about any of the above can be had, and persons shown the property at any time before the day of sale.
