A THIEF OF TIME.

Luke Williams Charged With Stealing a Clock and Other Articles.

Raymond Robinson, otherwise called Luke Williams, a colored man, came here from Virginia to become acquainted with Washington institutions. He succeeded by becoming familiar with the inner workings of the jail, where he lived for twelve months, and now he is in a fair way to become familiar with an institution located at Albany in the state of New York.

This time he was arrested on a charge of burglary, it being alleged that he robbed the store of a colored man named Scott in South Washington early Monday morning.

There was a clock among the stolen property. The proprietor last saw it at 12:15, and when the clock was recovered it had stopped at 1:30 o'clock.

Judge Miller remembered Robinson's appearance on a former occasion for being too intimate with a pig's foot cook shop and said he thought that Robinson should have been held at that time. This time the judge held him in $1,000 bail for the action of the grand jury, but being unable to furnish the amount required he was committed to jail.

OUT TAKING BUILDING PERMITS.

The office of the building inspector was crowded yesterday with contractors and builders going over plans and taking out permits. The good weather has brought many people to the point of building who were hesitating.

DR. ROBINSON DID NOT MISREPRESENT.

After a careful examination of the facts the Commissioners have found that Dr. Robinson, the veterinary surgeon of the District, did not misrepresent the facts when he applied for a permit to build his hospital for horses on C street, and the order dismissing him from the employ of the District has not been issued.

MISCELLANEOUS.

The Commissioners have awarded to Mr. John A. Hayden a contract to furnish 160,000 vitrified brick at $19 per 1,000.

The District Commissioners have approved a recommendation made by Capt. Lusk that the pump on the east side of 1st street near K northeast be removed, the well cleaned, the water examined by the District chemist and if found fit for use that a new pump be erected with trap and waste to sewer.

STRUCK WITH A BRICK.

John Silas Johnson in Freedman's Hospital Suffering Intense Pain.

John Silas Johnson, a young colored man, was assaulted on Grant avenue Sunday evening about 8 o'clock and was so badly injured that his recovery is doubtful.

William Alexander and John Maury, young colored men, were arrested yesterday afternoon by Policeman Mulloy as being implicated in the affair, and today they were taken to the Police Court, but on account of Johnson's condition the case could not be tried.

Johnson is in Freedman's Hospital suffering from what appears to be concussion of the brain, caused by a blow on the head with a brick.

Alexander is the one charged with having thrown the brick, but he denies the charge. He admits that he was present when the difficulty occurred, but says that he was in front of Johnson when the brick was thrown. There is another person who, it is charged, was implicated in the affair, but he has not yet been arrested.

As already stated, the trouble occurred on Grant avenue in the county and from what the injured man says it was caused by his appearance on the street with a girl named Taylor.

Alexander, he says, thinks that he has a claim on the girl and because he (Johnson) was with her Sunday Alexander struck him.

Since he was sent to Freedman's Hospital Johnson has been a very sick man, and it is possible that his skull is fractured. Today the doctor said he was resting fairly easy, although he was suffering intense pain and at times was unconscious.

ALEXANDRIA.

THE PRIMARY VOTING TODAY.

There was very little stir this morning at the opening of the polls for the democratic primary election. The workers for the candidates were, however, busy and carriages were used to carry the infirm to the polls, and the strongest of efforts made to get a full vote. The contests were principally over the mayoralty and the collectorship of the southern district, where Mr. George T. Price and John T. Nalls contest the office with Dr. A. P. Cox, the present incumbent. There are also contests for superintendent of police and superintendent of gas, but the present incumbents will be nominated for the other offices.

NOT DEAD.

The terrible mistake of Mr. W. H. Phillips in taking a dose of poisonous eye water for rheumatism medicine has not resulted in his death and the physicians hope that his life may be saved.

FIRE ALARM.

An alarm of fire was given shortly after 10 o'clock last night, but the firemen discovered no cause for the outcry except the heat generated by the election contest.

ELECTION OF OFFICERS.

At the regular meeting of Talisman Lodge, No. 754, I. O. G. T., last night the following officers were elected to serve for the ensuing quarter, viz: P. C. T., Mr. E. P. Taylor; C. T., Miss Mary Goods; V. T., Miss Annie Cook; chaplain, Miss Stella Price; recording secretary, E. S. Coakley; financial secretary, Mr. J. R. Mansfield; treasurer, Mrs. Barden; marshal, Mr. Jas. H. Deeton; guard, Mr. Howard Pettit; sentinel, Mr. W. J. Carroll. These officers will be regularly installed next Monday night by the lodge deputy, Mr. C. A. Bladen. Mr. E. L. Coakley in quite a neat little speech presented Mr. Jas. R. Mansfield with a handsome Good Templars' pin, he having brought in the highest number of members during the quarter. During the evening John B. Finch Lodge of South Washington and Pioneer Lodge, No. 1, of Falls Church, visited and officered the lodge, and after the transaction of business an excellent literary and musical program, participated in by the visiting and local talent, was presented.

NOTES.

The funeral of Mr. John Cullen took place yesterday from West Franklin street in the village. After requiem mass at St. Mary's Church the interment was made at the Catholic cemetery.

The corporation court has closed its April term. Its last business was to admit to probate the will of Mrs. A. E. V. Taylor, Messrs. Allen H. and Julian Taylor qualifying as executors.

Capt. Eskridge, who has for two weeks been superseded by Capt. Haney on the Washington ferry, is again on duty, much to the satisfaction of the traveling public, who know him as a careful commander.

A husband, wife and two girls made up Mr. Wm. Crockett's family when April opened and no cloud seemed over their pathway, but father, mother and one daughter have died since the month opened and a broken-hearted little girl is now all that is left.

In the case of the assault upon Peyton the mayor this morning held the lads in $500 bail for the hearing. Peyton was unable to speak at noon today.

Frank M. Hill has been made register of elections in the fourth ward vice Zova Hill, resigned.

C. N. Howard, a printer from Philadelphia, died last night at his boarding house, on King street near the Opera House, of consumption. He had been here some years working for Mr. J. M. Hill.

The funeral of Mrs. Wm. S. Towson took place today from the M. E. Church South, Rev. T. E. Corson officiating.

THERE is no philosopher's stone, but you will surely make money by buying at North Kensington. Kennedy & Pickle 608 14th.—Advt.
