MORE THAN 700 ENTRIES FOR M. A. C. TRACK MEET

Nearly 250 Athletes, Representing 29 Schools and Colleges, Will Be in Competition—Two Feature Relay Races.

Two hundred and twenty-nine athletes will be in competition in the track and field games to b held at the Maryland Agricultural College tomorrow afternoon. These make up a list of entries that numbers between seven and eight hundred, probably the largest that has ever been had for a set of games in the south.

Every high school and prep school of importance in the state of Maryland and the District of Columbia will have representatives in competition, the teams averaging from three to twenty-two men. There are five schools and three colleges represented from Washington and twenty-one schools and three colleges throughout the state that will have squads ranging from three to eighteen men in the games.

The Baltimore City College, Baltimore Polytechnic Institute, Western and Central High Schools are the institutions having the greatest representation, twelve men being the least number that either of them will have in the games. Besides the many high schools, the prep schools that are entered are Tome Institute, National Cathedral School, Charlotte Hall School and Anne Arundel Academy.

Three state colleges will be in competition in the open events, St. John's and Western Maryland having teams of twelve men each in competition against the Maryland Agricultural College. There does not appear to be a great deal of difference in the quality of the entries from the three colleges. Frederick High School, Sherwood High School (Sandy Spring) and Wicomico High of Salisbury appear to stand the best chance for the trophy in the class limited to county schools. Two feature relays are to be run. One will be collegiate, between Western Maryland, George Washington University, Gallaudet College, St. John's, M. A. C. and Catholic University. The scholastic relay will have teams in from the Baltimore Polytechnic, Western High, Technical High, Wicomico High, Episcopl High and possibly Baltimore City College.

The entries are as follows:

TODAY'S GAME.
Pension Bureau vs. Stanton.

In a fast contest yesterday the Petworth youngsters succeeded in nosing out a victory over the Fairmonts by taking advantage of their opponents' errors.

Eddie Thompson, on the mound for Fairmont, outpitched Tim Chism, who buried them over for the Petworth boys, but the nine errors by his teammates proved his undoing.

Both teams showed a lack of fielding practice, as a total of fifteen errors were chalked up against them—nine against Fairmont and six against Petworth.

Fairmonts scored first, sending one across the plate in the third on three clean hits. They scored three more in the next session, when the Petworth outfit started kicking the ball around, and, this, together with Chism's wildness, let in all the runs without a safe hit. Their last run came in the seventh on a double by J. Stats and singles by Thompson and Shipley.

Petworth sent their first tally across in the third, when Lefty Clayton tripled to right and came home on Oliver's wild heave past the catcher. Three more runs crossed the counting block in the next session, when Shipley, playing second for Fairmont, let three easy outs get away from him, after which Tim Chism cleaned up the bags with a scorching two-bagger to right.

Petworth won the game in the last inning, after Fague, the first man up, fanned, Miller came through with a clean single, went to third on a single by LeDuc and scored on a wild heave by Doleman. LeDuc then scored the winning tally, when H. Stats let Blair's roller get away from him.

Woody's running catch of Miller's long fly in the third session was a fine piece of work.

J. Stats was the star for Fairmont. Besides holding Thompson up in faultless style, he cracked out two doubles, scored three runs and stole one base.

Jack Coombs will not make the first western trip with the Athletics, but expects to be well enough to go in by the time they return.

CENTRAL LEAGUE.

Today G. P. O. plays Printers.

Sherwood defeated Northern in the Central League at Columbia Park yesterday, 8—2.

Northern showed the lack of batting practice. It was outhit five to one.

Most of Sherwood's runs were scored on errors by the outfielders.

Callahan pitched a good game, but his support was very ragged.

Johnson held Northern at his mercy and sent twelve back by the strike-out route. He struck out the side in the first period and two each in the fourth and eighth periods. In the others he sent one back to the bench.

Sherwood fielded well and used judgment on the bases. Four of their hits were two-baggers.

The losers made two double plays. One shut off a run, the other doubled up a man at first base.

KLING GOES TO CINCINNATI.

Infielder McDonald and Some Cash Involved in Transfer.

CHICAGO, May 2.—Manager Tinker of the Cincinnati Reds announced yesterday afternoon that John Kling, last season manager of Boston and former local backstop, had agreed to play with the Reds. The deal also was sanctioned by Manager Stallings of Boston, who is to get an infielder, probably McDonald, and some cash. The amount of money involved was withheld.

"Kling will help our club a whole lot," said Tinker after he received the news. "He is a smart catcher and has the ability to handle and steady pitchers. He is to report in Cincinnati Sunday, and I expect he will be ready to play in about two weeks. He has been practicing in Kansas City for two weeks."

We know several other things Brooklyn needed more than a new field.
