GRADE SCHOOLS TO COMPETE FOR TRACK TITLE TOMORROW

Winners of Division Championships to Meet at Horse Show Grounds Under Auspices of the Playgrounds—Other Gossip.

BY H. C. BYRD.

A track and field meet is to be held tomorrow morning at the horse show grounds to determine the city championship among the elementary schools. More than 600 boys are scheduled to compete, and the event is likely to be the most successful of those that have taken place. This will be the fifth annual games in which the elementary institutions have contested for honors. The first event is to start at 10 o'clock.

John Petritz, former Georgetown University foot ball star, is in charge of the meet, which assures competent supervision. Petritz was a brilliant athlete himself and helped to manage several of the big indoor meets held by Georgetown. The meet always takes place under the direct supervision of the playground department of the District government.

Eight division meets have been held, and the winners of the events in these are qualified to run in the finals. The performances of representatives of various institutions have been such as to leave the probable victor a mere matter of speculation, inasmuch as none of the squads has shown distinctive superiority. Medals will be awarded to the youngsters who finish first, second and third in the various events, gold for first place, silver for second and bronze for third.

Petritz has obtained competent officials to handle the games. Prof. Beckett of the Y. M. C. A., John O'Reilly of Georgetown, Jimmy Mulligan, Catholic University's coach; C. M. King and others prominent in local athletics will be on hand to lend their aid. The meet should develop excellent competition, as there are many boys of exceptional capabilities, and the fact that it will be under the direction of good officials will enhance its value from a spectator's standpoint to a considerable extent.

The playground department has done much in the last few years to develop athletics in the local grade schools. The value of such organized play for the physical and mental development of the youngsters is well recognized, and each year those in charge of the work try to broaden out its sphere of influence.

Western meets Business and Eastern plays Tech this afternoon in the high school base ball series. The first mentioned game is to be played on Georgetown field and the second at American League Park. Both are to start at 3:30 o'clock.

Western is only a half a game behind Eastern in the series, and it will go into the lead if it wins and the Light Blue and White loses. The two games are especially interesting from this point of view. Peine or Peck probably will do the pitching for Western, and Wassaman is likely to be the opposing twirler. Tomlin is Eastern's mainstay and undoubtedly will be on the slab for that team. Hird or Pfeiffer will be the pitching selection for Tech. The remainder of the teams are pretty sure to line-up as in past games.

The Quartermaster's Department handed the Adjutant General's Office a 15 to 1 beating in the War Interbureau League yesterday. This was the most one-sided contest that took place yesterday in the amateur base ball leagues, although the Agriculture-Treasury game in the Government League lacked but little of approaching it, that count being 13 to 1. Panzer and Pallas of the Quartermasters held the losing club to four hits and fanned eight. The winning nine connected with the ball for ten safe drives. There was only one extra base hit, that being made by Jacobsen of Quartermaster's, a three base wallop.

Holy Name trounced St. Dominics in the Catholic Church League, taking the measure of that team by 17 to 5. The winners hit the ball much harder than their opponents, which accounted for the most of their runs. Only one member of the victorious nine failed to connect for at least one hit, and several got two or three.

Albaugh, pitching for the Rosedales in the Rosedale League, blanked the Columbias by 7 to 0. Albaugh fanned six and allowed only four hits, pitching very effectively from start to finish of the contest. The game was called at the end of the seventh. Albaugh also fielded his position well. Gerardi, at second for the Rosedales, played a good game. Wiedman's fielding and Gasch's hitting featured for the winners.

One of the best games of the year in the East Washington Sunday School League was played yesterday, the Reformation team taking the measure of Fifth by 4 to 3. The work of the two pitchers was the feature. Weagley of the victors and Snow of the losers putting up very good exhibitions. Snow allowed eight hits and struck out ten. Howard played left field for Reformation and his batting was the feature of the game. He connected for a three-bagger and two two-baggers out of three attempts, his sticking being a big factor in the victory. Woody and Neitzey of Reformation and Weston also used their bats effectively.

The General Office and Station teams played a brilliant game in the Terminal Y. M. C. A. League, the former winning by 2 to 1. The contest was brilliantly played in every way, it being one of the best exhibitions given on the sandlots this year. Allinsworth held the Station team to two hits, pitching fine ball, while Brown was but little less effective for Station.

The Agricultural nine was an easy victor by 13 to 1 in the Government League, defeating Treasury. The hitting of the two teams was about the same, but Agriculture did not show the loose play that did its opponents.

Kendall and Keller are to play this afternoon at 5th street and Florida avenue. This will be the fourth game of the series, and a fine contest is looked for.

GOOD TENNIS MATCHES PLAYED IN MIDDLE ATLANTIC TOURNEY

Men's Singles Reach Semi-Finals in Lower Half—Warm Battle Expected Today Between Breck and Graves.

The men's singles matches in the Middle Atlantic Tennis Association championships at the Columbia Country Club yesterday were reduced down to the semi-finals in the lower half. Today Henry C. Breck plays John Temple Graves in the lower semi-final, and in the other half, C. B. Doyle, Albert J. Gore and J. Ballard Moore remain.

Dean Howard, a former junior District champion, defeated the much more experienced John M. Hancock in straight sets, the younger man showing a fine forehand and a brilliant backhand that came over the net as steadily as clockwork and with just enough pace on it to make it difficult to handle well. But Howard was beaten shortly after by J. Balard Moore, who showed one of the best games he has played this year, winning from his opponent in straight sets, 6—2, 6—2.

Breck Defeats Hillyer.

Another good match was the contest between Breck and Douglas Hillyer, one of the players from the Dumbarton Club and a semi-finalist in the Middle Atlantic singles last year. Hillyer could not do much with Breck's terrific service, but managed to get two games out of each set.

In the men's consolation singles Norris McLean defeated Cash after the latter had annexed the first set, and in the second round Ed Leech [illegible] O'Boyle played the last match of the afternoon, the former winning, 6—2, 7—5.

The women's singles reached the final stage and today at 3 o'clock Miss Greely, the winner of the recent Chevy Chase tourney women's singles, will meet Miss Nellie Johnson, who, in reaching the finals, played sensational tennis, disposing of Miss A. M. Doyle and Miss Barber, two of the District's leading woman players. The winner of this match will play Miss Eva Baker, the champion, tomorrow afternoon at 4:30 o'clock.

This afternoon one of the best singles matches of the tourney should be played between Albert J. Gore and C. B. Doyle, who meet at 3 o'clock. If Doyle is the least bit off color the Dumbarton man will give him a good battle, as he is playing fine tennis.

Six pairs are entered in the mixed doubles.

The results of yesterday's matches and the pairings for today follow:

MEN'S SINGLES.

Third round—Howard defeated Hancock, 6—3, 6—3; C. B. Doyle defeated Chapman, 6—0, 6—3. Fourth round—Breck defeated Hillyer, 6—2, 6—2; Moore defeated Howard, 6—2, 6—2.

WOMEN'S SINGLES.

MEN'S CONSOLATIONS.

MACK HAS COLLEGE STARS.

Eight Recruits Will Join the Athletics This Month.

PHILADELPHIA, June 2.—According to a report circulated yesterday, Connie Mack will have eight college players with his team when the Athletics return from the western trip. One of the players is Capt. Lawry of the University of Maine, and another is "Jing" Johnson of Ursinus College. The latter is a pitcher and in a game Wednesday fanned seventeen men.

[illegible] Mack is reported to have [illegible] intended to keep Lawry on the bench for a time, in order to give him a chance to learn the style of play in the major leagues. Mack did the same thing with Eddie Collins when he first got him from Columbia College. Mack expects Lawry to prove one of the greatest players that ever came from the college ranks, and says he has several others who are sure to make good.

Wally Schang, who was hit on the hand by a pitched ball at Washington, will very likely be out of the game for some time.
