FISH AND GAME BILL.

The Upper House of the Legislature Handles that Question.

THE SENATORS IN DISCUSSION

Suggestions Freely Spoken of the Favorite Fish for a Liveg!—Routine Business.

The upper house of the Legislature was called to order precisely at 10 o'clock this morning by President George M. Cannon, and after the usual ceremonies, business was proceeded with as follows:

PETITIONS RECEIVED.

Smith, of the ways and means committee, recommended the favorable postponement of action on H. B. 35, authorizing public highways from taxes, as the subject matter of the bill was already covered by a measure which had been passed. Adopted.

The committee on agriculture and irrigation, by Molitor, reported and recommended the rejection of S. B. 37, providing for the destruction of noxious weeds, as amended in the house, inasmuch as powers had been conferred upon which had been admitted to be doubtful. Adopted.

The same committee recommended the passage of S. B. 39, as amended in the house, which provides for the destruction of noxious weeds. Adopted.

The same committee recommended the passage of S. B. 40, as amended in the house, which provides for the destruction of noxious weeds. Adopted.

REPORT OF SPECIAL SELECTMEN.

Caldwell, of the committee on claims and appropriations, presented a report of the special committee appointed to wait on the governor of the U. A. A. M. Society, relative to offered memorial, historical treasure, commemorative of the life, services, death and death mask of Joseph Smith, and that the committee had been discharged and the case is now in the hands of the committee.

Upon Molitor moved the reference of the report to the committee on appropriations and asking a release of the report of Hyde's to the journal, which Caldwell moved it should be referred to the house jointly for the publication of report.

Motion prevailed.

FISH AND GAME BILL.

S. B. 23, concerning the fish and game bill, was then taken up, in the consideration of which numerous amendments were made from time to time, and the bill was finally passed to third reading, as follows:

Section 1. Section 1 of the game and fish law of Utah, approved March 14, 1894, is hereby amended to read as follows:
