Cure at Campbell has been summoned from Los Angeles to Pasadena to investigate what seems to some one if with because of sick which is the Hoch medical treatment and refused care the hands of Christian Scientists.

A time-saved local name: Hyde, Wyoming, by order of Custom Lumber in Dublin on Saturday. Fatal early young Kentucky which is said to be Young Hyde had been Hyde with wild lines by novel means, and started out for the career of a desperado. He is now in jail.

Caldwell, Idaho, Tribune: Edwin G. Davis of Nampa has successfully passed final examination and will entry the West Point Military Academy as a cadet in June. This is a distinct example of what Mormon boys can do when they set about it. It will be remembered he is a good deal Democrat talk about the ignorance of our Mormons.

A story has been going the rounds in Los Angeles, Cal., for a couple of weeks to the effect that when one of the reservoirs from which the city water supply is drawn was cleaned out recently the remains of a Chinaman and twenty-five tamale were found. It was claimed that this accused matter was what was making the water stank from the offensive odor from which people in that The water company explained the disappearing Water by saying that 1,000,000 gallons of water was allowed to accumulate and lose its stagnant.

Albert Bruer, the thirteen-year-old nephew of George A. Smith, a member of the Twelfth Ward, was shot in the thigh yesterday afternoon while hunting tame Friday afternoon. The three men, Emil Fischer, George Bruer and Albert Bruer, were out hunt in the outlying east of town. They were within one mile of town and were driving along when the gun was signed. Albert Bruer jumped from the buggy and was cut accidentally by the gun. His thigh bone, 14 years old, was shot and a piece of the same gun, so he was loaded in the carriage, but in the hurry he fell and the rested gun was discharged, the charge from Albert's hip to Dieting's leg in a W. W.

The Sun Fire Office Company of Hartford, Conn., has appointed J. A. Fitzpatrick a board of trade in Denver at a office from the East would want to know that the Sun Fire Office and Sun Insurance Office, combined as the strongest fire insurance company in the world. Mr. Fitzpatrick's headquarters are Room 14, 16 Morgan st. 1 p. S. 4 Y. 16 ca. The Dead Shot—Just to be fair, I shot a bird in New Mexico, which, by the way, is the best, in the course of a week, I was asked to accompany a prospector in search of a valuable mine in a remote part of the country. Well, we had a good time, and I killed a good deal of game, and I was asked to shoot a Mexican, who was in the course of my shooting, for me, I was fairly regarded as outcast. In a moment I was just the right, in fact, I was so far from the place of the Mexican. When we were in Denver I was shown the place of the Mexican. When we were in Denver I was shown the place of the Mexican. When we were in Denver I was shown
