Notice to Wheelmen.

There's positively no need to endure discomfort by reason of chafing, sunburn, insect stings, sore and perspiring feet or accidental bruises. You forget these troubles in using Bucklen's Arnica Salve. Infallible for Pimples, Blotches, Skin Eruptions and Piles. Sold by Z. C. M. I. Drug Department. 25 cents.

Pepsin preparations often fail to relieve indigestion because they can digest only albuminous foods. There is one preparation that digests all classes of food, and that is Kodol Dyspepsia Cure. It cures the worst cases of indigestion and gives instant relief, for it digests what you eat. F. C. Schramm.

SPRINGVILLE.

"Progressive Theological Game" — Sunday School Changes.

Special Correspondence.

Springville, Utah Co., Jan. 6.—The home of Assistant Superintendent Geo. L. McKenzie of the Third ward was full of life and pleasantness Friday evening. The officers and teachers of the ward Sunday school were there in full force on the kind invitation of Brother and Sister McKenzie. A novel and progressive theological game was the special order of the evening, arranged in the following manner: Four persons were seated at each of seven tables, which had a different subject. Table No. 1, Former and Latter-day Apostles; No. 2, Books of the Old and New Testament; No. 3, Men and Women of the Bible; No. 4, Garden of Eden Fruits and Flowers; No. 5, Noah's Ark Animals; No. 6, Book of Mormon Characters; No. 7, Men and Women of the Church.

The game then commenced by each one in turn turning over a piece of cardboard on which was a letter of the alphabet. The one announcing first some name or word beginning with the letter was the winner and the two winning partners received a credit mark and passed to the next table. The final result ended in Stake Superintendent L. E. Eggertsen receiving first prize, a copy of the Voice of Warning, and Sister E. M. Boyer second prize, a Sunday school hymn book.

Immediately after the game the tables were spread with choice refreshments. Songs, stories, speeches, were then listened to and the evening was enjoyably spent. The evening closed by singing the doxology and a benediction.

The Fourth ward Sunday school changed officers Sunday. Elder Jas. E. Hall, who has acted as superintendent for four years, was released owing to his duties in the Bishopric, and Thomas D. Mendenhall was sustained as superintendent, with Jas. Loynd and Chas. E. Brown as his assistants.

TRYING TO SETTLE A VEXED QUESTION.

The board of health asked the school officers to close schools Monday and Tuesday so that definite arrangements could be made regarding the subject of unvaccinated children entering school, and the officers complied.

Dr. J. M. Tanner made Springville a visit Sunday and spoke in the Latter-day Saint meeting of the Second ward.

Two new cases of smallpox are reported.

PLEASANT GROVE

Demise of Ellen Greenlaugh—Interesting Reminiscenses of the M. I. A.

Special Correspondence.

Pleasant Grove, Utah Co., Jan. 5.—Sister Ellen Greenlaugh, an old settler of this place, died at her home here today. The deceased was the widow of Henry Greenlaugh. She was born in Lancashire, England, August 12, 1817. She was the only one of her family to embrace the Gospel, crossing the ocean with her husband in 1859, and after a five years' stay in Cincinnati, came to Utah, in 1865. She has never had any children. The funeral is to be held Tuesday, January 8th.

INTERESTING REMINISCENCES.

One of the most successful meetings ever held in Pleasant Grove was given tonight by the M. I. associations in conjoint session. The program in essence was a backward glance over the work of Mutual Improvement in this town. It was carried out as follows:

"Hold the Fort," Choir.

Prayer, ex-President Jas. T. Thorne.

The minutes of July 5, 1877, were then read.

The first "Advocate" (June 7, 1877), was read by S. L. Swenson and Emma Larson.

Quartet, "Juanita," J. R. Halliday and others.

Historical sketch, Y. M. M. I. A. of Pleasant Grove, C. B. Harper.

"Curfew Shall Not Ring Tonight," Maud Driggs.

Historical sketch, Y. L. M. I. A. of Pleasant Grove, Pauline E. Brown.

"The Last Rose of Summer," Mrs. Eva Driggs.

"M. I. in the Olden Time," an address by ex-President W. L. Hayes.

Brother Andrew Jenson, of Salt Lake City, who was the first president of the Young Men's association of Pleasant Grove, then addressed the congregation, recalling interesting anecdotes and detailing early history of the work. He emphasized especially the importance of record keeping.

The choir then sang, "Sweet Bye and Bye," and ex-President F. C. Banks pronounced the benediction.

The Mother's Favorite.

Chamberlain's Cough Remedy is the mother's favorite. It is pleasant and safe for children to take, and always cures. It is intended especially for coughs, colds, croup and whooping cough, and is the best medicine made for these diseases. There is not the least danger in giving it to children for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult.

PROVO.

DIVISION OF UTAH STAKE.

Will in All Probability be Effected Within a Week at Stake Conference.

Interesting Priesthood Meeting—District Court Notes—County Business—Sugar Plant Assured.

Provo, Utah Co., Jan. 7.—There was a good attendance at the Priesthood meeting, held in this city Saturday. The speakers were President David John, S. L. Chipman and Apostle Reed Smoot, who gave valuable instructions to those present, urging a compliance with all the duties devolving upon the Saints, and speaking encouragingly of the future.

The brethren were asked to invite the Saints to attend the next quarterly conference, January 12th and 13th, as it would in all probability be the last conference of the Stake as now organized.

Apostle Smoot and President John each spoke of the intention to divide the Stake at the next conference, it being the intention to organize three Stakes from what is now Utah Stake, and expressed themselves to the effect that the division would prove beneficial to the people. Apostle Smoot stated that the policy of the Church Authorities in the future will be to try to have not more than ten thousand souls in a Stake, which will give the Stake presidency an opportunity to visit the wards oftener than is possible in larger Stakes.

RECOMMENDED FOR ORDINATION.

The following brethren were recommended and sustained for ordination to the degrees of Priesthood named:

High Priests—Samuel Worthington, Joseph Menlove, Enoch Monk and George Austin, of Payson; James Straw, of Springville.

Elders—Heber Johnson, Springville; John Tuckett, Jr., Mapleton; Samuel H. Cornaby, Spanish Fork; Joseph Featherstone, Annerican Fork; Frank Loveless, Provo; Emery O. Tanner, John W. Clayson, Alma Grigg, Payson.

The brethren recommended for ordination to the High Priesthood were ordained by Apostle Smoot, Presidents John and Chipman, of the Stake presidency, and President Booth, of the High Priest quorum.

Plaintiff objected to the decision on the grounds that the court had lost jurisdiction for the reason that the motion was not heard nor decision rendered within time required by law, objection overruled and exception taken. In the above case plaintiff sued for damages for injuries sustained in the defendants' mine in Tintic and was awarded damages in the sum of $10,000. Defendants moved for a new trial and the court has had the matter under advisement for some time.

DEATH OF MRS. HENRICHSEN.

Funeral services over the remains of Mrs. Jacobine Henrichsen were held this afternoon in the Third ward meeting house, being largely attended by relatives and friends of the departed. Mrs. Henrichsen died Thursday evening, after several months' suffering, from stomach troubles and debility incident to old age. She was born in Vejle, Denmark, May 31, 1823, and became a member of the Church of Jesus Christ of Latter-day Saints in 1867. In July, 1872, she arrived in Utah, with several of her children, and resided in Fountain Green, Sanpete county, till the spring of '73, when she moved to Provo, and has since made her home in the Third ward of this city. The deceased was a very intelligent woman of great strength of character, and was a faithful Latter-day Saint. She was the mother of ten children, seven of whom survive her. Five are residents of this State, among them being Mr. E. C. Henrichsen of Scofield.

SUGAR PLANT ASSURED.

At the meeting of the farmers of Provo, Lake View and Vineyard, on Friday night, a letter was read by the secretary, from General Manager T. R. Cutler of the sugar company, stating that the directors were in favor of establishing a plant near Provo if the farmers would guarantee 1,200 acres of beets this year. They would also require the necessary water, which would be in the neighborhood of 2,000,000 gallons every twenty-four hours, during the operation of the plant, and the necessary land on which to build the plant.

The matter should be decided by the farmers at once, as the work should be started immediately and contracts placed for the necessary machinery. It was decided at the meeting to make a determined effort to secure the 1,200 acres; to this end the territory benefited was re-districted, and a new committee appointed to interview the farmers on the matter of increasing their present acreage. From the reports received at the meeting there is every assurance that the required acreage can be procured. As to the site for the plant, the committee reported that they had an offer from Mr. Knight of the old Gunnel farm northwest of Provo at $65 per acre. The meeting adjourned until tomorrow, when the committee will report progress.

Redmond, Sevier Co., Jan. 4.—Seeing that a "new comer" arrived at Apostle Woodruff's early in the morning on the first day of the new century we take pleasure in informing your readers that at least one more little stranger came to Utah from the baby world quite early on that same morning, and landed in the home of Lorenzo P. Christenson, of this place. It arrived at 7 a. m., and we think is entitled to a share of the cake. The mother and babe are doing well.

BRIGHAM CITY.

KILLED ON THE RAILROAD.

Johnny Morgan Killed While Trying to Board a Moving Train.

Special Correspondence.

Brigham City, Boxelder Co., Jan. 6.—A sad accident happened last night on the Oregon Short Line railroad at a point about six or seven miles north of this city, in which a young man named Johnny Morgan, a resident of Brigham City, lost his life. It is not known exactly how the accident happened, but a boy named August Olsen, also from this place, who was with Morgan, says that they were both trying to beat their way to Oregon, and that when they left Brigham they were put off the train, but succeeded in boarding it again and were put off the second time. The Olsen boy could not catch the train again, it was going so fast, so he walked along the track a ways to see if his companion had succeeded any better, when he found him lying by the side of the track apparently dead. Olsen then went immediately to Joseph Yates' place on the north String and told them of the accident. They sent a messenger to this city to notify the officers and the boy's parents. A number of people went up and found the boy lying where he had been found by his companion. He had a large hole in the crown of his head and another just over his eye, but no other marks were found upon him. It is thought that in trying to catch the train after having been put off the second time, he was struck by some point on the car and killed. He was lying about four feet from the rail and along the track. An inquest will be held tomorrow.

Carl Nelsen, the night operator at the depot, says that he noticed a number of boys and tramps around the station before the train, No. 9, pulled in and he heard the crew report to the dispatcher that they had been delayed between Brigham and Honeyville, putting off tramps.

It has been customary for a long time past for a crowd of boys to congregate at the depot and catch the trains as they come in and to ride out as far as they dared and then jump off. It is a wonder that a number of accidents have not happened before this.

Beat Out of an Increase of His Pension.

A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48, I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension for on every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhoea, and is pleasant and safe to take.

PROSPECTUS OF THE MERWIN MINING COMPANY.

The Merwin Mining company is incorporated with 100,000 shares of the par value of one dollar each. It has a lease and option of purchase until April 15, 1901, on the Merwin, Davis, Blackbird, and Yankee mining claims, situated in Rush valley mining district, about one mile from Stockton, Utah, and a few hundred yards from the Honorine works. Of these claims all, except the Merwin are virgin ground. The first owners of the Merwin mined to a depth of about 35 feet from the surface, and extracted ore of the value of over one hundred thousand dollars. They expended the money as they made it, and when the ore body pinched out had no means with which to continue work. The next owners ran a tunnel a distance of 650 feet, and reached a point about 250 feet below the surface, and tunne

finding no ore discontinued work. The present company is sinking a winze from the tunnel at a point where two contacts are inclining toward each other. This winze is now down about 50 feet vertically. It is believed and predicted by mining experts that these contacts will come together at a depth of about 150 feet, and that there a large ore body will be found. The present company is also running an upraise from the tunnel toward the old ore deposit about 250 feet above. In this upraise at a point about 20 feet above the tunnel level streaks of rich galena ore have been found, and about a carload of ore extracted. It is believed from the indications that these ore streaks will soon widen into a substantial ore body.

For the purpose of obtaining funds to continue work and pay the purchase money, the stockholders have contributed 40,000 shares of stock to be sold at not less than 25 cents per share. The proceeds of 16,000 shares to be used in development work, and of 24,000 shares to complete payment of purchase money.

In order to induce immediate subscriptions the company offers the following extraordinarily favorable terms to investors:

Each subscriber for one thousand shares will at the time of his subscription pay fifty dollars and receive a certificate full paid for two hundred shares. He will be given a permit to examine the mine and allowed five days in which to determine whether he will retain his subscription, or relinquish it and have his money returned. If he elects to retain it he will be allowed until March first, 1901, to pay another fifty dollars, and receive two hundred shares more, and will then be allowed until April 1st, 1901, when, if he elects to pay one hundred and fifty dollars more he will receive the remaining 600 shares.

If a large ore body should be struck at any time, the price of all treasury stock not subscribed for will be raised without notice, or it will be withdrawn from sale.

Subscription list now open at the office of the company, room 42 Hooper Building, 23 east, First South St. No stock reserved. First come first served.
