C. M. I., and Chris. Flygare of the same institution as sureties. Mr. Halverson will immediately proceed to prepare the criminal cases that are awaiting trial in the district court. There are now about a dozen criminals incarcerated in the county jail awaiting trial in the district court on various serious charges.

PROVO.

DISTRICT COURT BUSINESS.

John Dubois Fined $50—Mrs. Carrie E. Birdsall Granted Divorce.

Special Corespondence.

Provo, Utah Co., April 18.—A fine of $50 was imposed on John Dubois by Judge Booth yesterday. The sentence did not include imprisonment on failure to pay the fine, as the court informed the defendant that he did not think he was of any use in jail; he has already been in jail three or four months awaiting trial. Defendant was therefore discharged with the judgment of $50 against him.

DIVORCE GRANTED.

A divorce was granted Carrie Elizabeth Birdsall of Springville from Wm. Birdsall, on the grounds of desertion. The plaintiff's maiden name, Carrie Elizabeth Jensen, was restored. The parties were married in Salt Lake City Nov. 1, 1898.

The fine imposed on Juror Thomas Kelly of American Fork for failure to attend court was remitted, the court having been informed that Mr. Kelly was out of the county and that the subpoena had been left with Mrs. Kelly.

In the case of Spanish Fork Co-op. vs Stephen Markham, the demurrer was sustained and five days given to amend.

M. E. Price et al vs Mt. Nebo Land and Irrigation companq, et al. W. H. Allen given 40 days from date to prepare and file bill of exceptions in the matter of intervention and objection to signing findings and decree.

TALK OF STREET RAILWAY

Proposition to Connect Depot and Agricultural College With Trolley Cars.

Condensed Milk Factory Goes to Richmond—Court Cases—Merry Wedding Bells.

Special Correspondence.

Logan, April 17.—The announcement is made that a number of local capitalists are investigating the feasibility of installing a street railway from the depot to the Agricultural college. Full particulars of the proposition cannot yet be announced as those concerned prefer that few disclosures be made until the matter reaches a more definite stage, but it can be stated authoritatively that the subject is receiving the earnest consideration of a number of prominent gentlemen of this city, among them, some of those connected with the Agricultural college, and it is expected that the road will be begun in the not far distant future.

CONDENSED MILK FACTORY.

It is announced that the proposed condensed milk factory will go to Richmond, and while the people of Logan would have been pleased to obtain it, they nevertheless rejoice at Richmond's good fortune. Mr. Rackliff, the representative of the eastern capitalists, reached Logan from Richmond Thursday, and announced that after carefully considering the various advantages of the two towns, he had decided in favor of Richmond, mainly because the herds of individual owners are larger there. This is something of an advantage to the factory, as it makes it possible for the factory managers to centralize their efforts in obtaining pure milk and in other directions.

The people of Richmond have subscribed $60,000 in stock for the factory, and it is expected that the work of the construction will begin in the near future. Richmond is to be congratulated on her good fortune in this matter as it means much to her in the days to come in the way of distribution of cash, as well as heavy outlay for buildings.

WANT STREETS PAVED.

At the meeting of the Logan city council Wednesday evening, petitions were presented asking the council to pave the three blocks of sidewalks from the Methodist church corner one block east and one block south, and from J. A. McAllister's corner one block south. The petitions were referred and it is expected that they will be granted, as the improvement is desired by a majority of the property owners.

The case of Sidle vs Sidle, suit for separate maintenance, came before the First district court Thursday. The defendant was ordered to pay the plaintiff $20 costs and the case was then continued for further consideration.

Two Salt Lake capitalists have been in Logan this week negotiating for the purchase of a block of land a short distance west of the Agricultural college with a view of erecting thereon a number of houses for renting purposes. There is a great demand for houses near the college, and this proposition is intended to supply a portion of the requirement.

THATCHER COMPANY IN "MOTHS."

The Thatcher stock company has presented "Moths" at the opera house all week and has gained much favor with the theater-going public. The attendance has not been large, owing to the fact that spring work has begun, and farmers and workmen are very busy. Miss Boyer as the worldly Lady Dolly, has proven herself a veritable witch of the stage. Her voice, deportment, and facial expression are exquisite. Miss Due has proven herself a capable emotional actress and Mr. Percival has brought out Jura in a powerful manner. Miss Ingraham delighted the audience with a Spanish dance each evening, and Miss Phyllis Thatcher enchanted them with a violin solo. The orchestral selections have been beautiful throughout.

Dr. Calderwood of Salt Lake is in Logan, to remain for some time to assist Dr. Budge in his professional practice. Dr. Calderwood is a graduate of Rush Medical college and is a most capable physician and courteous gentleman.

SCARLET FEVER AT MILLVILLE.

Dr. Budge, county quarantine physician, reports two or three cases of scarlet fever in Millville, but otherwise the county is free from contagious diseases. Smallpox has long since been obliterated.

PAINFUL ACCIDENT.

Mr. H. C. Jensen of Hyde Park, was painfully injured while working in the canyon Thursday. A crowbar struck him on the chin, cutting a deep gash three inches long.

MRS. MERRILL ILL.

Mrs. Merrill, wife of Elder M. W. Merrill, is lying very ill at the residence of her son, Supt. A. M. Merrill, in this city, where she was visiting when taken sick.

Mrs. Wood of Logan Sixth ward is so ill that her friends are greatly concerned over her condition.

The funeral service over the remains of the late William Archibald, was held at Clarkston, Thursday, the speakers being Elders Alexander Spence, David Murray, James B. Jardine, and Thomas Godfrey.

COURT CASES.

The following cases have been set for trial in the First district court:

April 20—A. H. Moyes vs Logan Sugar Co.

April 22—W. T. Lewis vs Samuel and Jesse Kent.

April 23—C. Garff vs O. C. Bluemel.

April 27—State vs Martha Karren.

April 29—Annie E. Warner vs J. C. Dawdle.

PROVIDENCE POINTERS.

H. J. Frederick, who is taking a course in the Iowa Veterinary college, writes that he is progressing gratifyingly with his studies.

Dr. Garrison of Salt Lake, was in Providence the past day or two to investigate conditions here for the state health board. There has recently been a great deal of typhoid fever here and the matter having been referred to that body, it determined to investigate the matter.

Providence farmers intend putting in large quantities of sugar beets this season, and the outlook is good for a heavy yield. Many of our citizens are employed at the factory during the summer and fall, which makes considerable revenue for our prosperous little town.

Advices from Freedom, Wyo., to Mr. Albert Frederick state that his cattle there are in excellent condition, having come through the winter with very little loss.

Robbed The Grave.

A startling insident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c guaranteed, at Z. C. M. I. Drug Store.

EUREKA.

DEATH FROM LEAD POISONING

Elias Beck the Victim—Four Households Made Glad.

Special Correspondence.

Eureka, Juab Co., April 17.—Elias Beck, a young miner, died at his home at Spanish Fork Wednesday, the result of lead poisoning, which affected his brain. Up to a couple of weeks ago Mr. Beck was employed at the Yankee mine at Knightsville, when ill-health caused him to cease work, and it is thought that at this time he became leaded which caused his death. The deceased was but 28 years of age, and had many friends in Eureka and Knightsville, who deploré his untimely end. A large number of Eureka people went to Spanish Fork today to attend the funeral.

FOUR GLAD HOUSEHOLDS.

A fine baby boy made his appearance at the home of Mr. and Mrs. Fred Lunquist April 11.

Rasmus Nelson and wife are proud of a baby boy who arrived at their domicile April 14.

Mrs. John Blackhurt of Robinson made glad the heart of her husband on April 14, by presenting him with a son and heir.

Mr. and Mrs. Henry Davis are rejoicing over the arrival of a bouncing baby boy at their residence on Friday, April 17.

KAYSVILLE.

WANT RAILWAY FRANCHISE.

Salt Lake and Ogden Asks for Sweeping Privileges.

Special Correspondence.

Kaysville, Davis Co., April 17.—A ball, program and supper was given by the amusement committee in the Opera house last night in honor of Elders John W. Galley and Ephraim Bosworth, who will leave for Europe on missions in a few days.

Myron Phillips received a "Box B" letter a few weeks ago, the outcome of which is that he will leave for Colorado on a mission in October next.

ASKS FOR SWEEPING FRANCHISE.

Mr. Simon Bamberger has asked the city council to grant him a franchise to construct and maintain a steam or electric railway, with all switches, sidetracts, etc., that are desired by his company, along Tenth street, from south to north of said street. The franchise asked for is so sweeping that it does not only ask for the unconditional use of Tenth street, but is so worded that it would give him the use of all other streets. The council, however, did not grant the franchise as asked for by Mr. Bamberger, and has taken the matter under advisement. The citizens are now wondering what privileges will be granted Mr. Bamberger, but we hope it will not be to the extent of allowing him the use of a public street for switch yards and a freight depot site.

RICHFIELD.

SEVEN HAPPY COUPLES.

Missionary Social—Work on Waterworks Will Soon Begin.

Special Correspondence.

Richfield, Sevier Co., April 16.—The L. D. S. choir gave a social last night in honor of Elders Ray Bean, Jos. S. Thurber and Geo. A. Beal, who are soon to leave their homes to go on missions. The evening was delightfully spent in dancing, lunching and playing games, interspersed with a suitable program. Elder Thurber will likely go to Germany and Elders Bean and Beal to the eastern states.

WORK ON WATERWORKS.

Work is soon to begin on the city waterworks. The contract has been let for the piping, and as soon as the council decides upon a plan for putting it in the work will begin. It is understood that the city fathers favor the plan of managing the work themselves and employing our own people instead of letting it to outside people, who would be likely to import a majority of their laborers.

FATAL SHOOTING AFFRAY.

"Red" Brennan Fires Into Crowd of Finns with Serious Results.

Special Correspondence.

Milford, Beaver Co., April 18.—A disastrous shooting affray accurred here last night, resulting in the serious injury of one Finlander and the fatal wounding of another.

A miner known as "Red" Brennan fired three shots into a crowd of Finns inside a saloon. John Rex was shot through the stomach and is expected to die. Another Finn received a bullet in the leg, but his wound is not serious. It is alleged that the Finns were drunk and had been abusing Brennan, who claims that one of them attacked him with a knife and they finally threw him outside. He then drew his gun and shot through the window at his assailants. Brennan was arrested by Constable Smythe. He claims that the shooting was in self-defense. Rex has been employed at the Horn Silver mine.

There are times in a man's life when it is necessary to act quickly and decisively.

Times when life itself pedends on the doing of the right thing at the right time.

Times, perhaps, when disease has reached the point where delay of even a day or a week may prove fatal.

Kidney troubles are slowly, but surely dragging thousands of men and women to the grave. It is only backache at first—doesn't amount to much, they think. Then comes headache, dizzy spells, urinary troubles, diabetes—and then, if it isn't checked, Bright's disease, and Death.

But there's a way, of escape. Hundreds and hundreds of Salt Lake City people have found it.

DOAN'S KIDNEY PILLS

Never fail to quickly relieve the aching back.

To cure every kidney ill, whether it be common backache or urinary disorders.

Oswald Knight, retired, of 524 west Fourth St. South, says: "I am 77 years of age, and hardly expect any medicine to have the same effect upon me as if the tissues of my body responded to it as they would have responded when I was a younger man, so that I do not want my many friends and acquaintances in Salt Lake City to think that Doan's Kidney Pills, procured at the F. J. Hill Drug Co.'s store, have radically disposed of gravel and bladder trouble attacks of which I had had for years and from which I have suffered excruciatingly, but I want to thoroughly impress upon the reader that they have brought me undoubted relief, and relief to anyone afflicted with the above mentioned ailments is decidedly welcome. I need not go into the particulars of the symptoms of gravel and kidney complaint. They are only too evident to the sufferer and what is of much more importance is how, if not to stop them absolutely, to at least lessen their inroads until suffering is scarcely noticeable. Let me say that Doan's Kidney Pills can be taken with every confidence that they will act exactly as represented."
