MRS. GRIFFIN AWARDED $8,000.

As Damages for the Death of Her Husband in Suit Against S. P. Railroad.

FLAG DAY AT STATE SCHOOL.

Weddings—Brakeman George Burke Loses Both Feet—Death of Miss Rogers—Stabbing Affray.

Ogden, Utah, June 15.—Mrs. Pauline Griffin, administratrix of the estate of Herbert Griffin, was awarded a verdict of $8,000 yesterday afternoon by a jury in her suit against the Southern Pacific for the death of her husband.

The case has been on trial since last Friday in the Second district court before Judge Howell. The taking of the testimony of the prosecution was completed Tuesday evening when the defense moved for a dismissal of the action on the ground that the deceased, Herbert Griffin, met his injury in Nevada and died in Boxelder county and therefore the court had no jurisdiction to hear the case. The court overruled this motion yesterday morning, holding that the defense had not brought the motion at the proper time.

Mrs. Griffin brought the suit through her attorney, A. W. Agee, to recover $25,000 damages. The evidence showed that Mr. Griffin was employed by the railroad company as fireman on one of its freight trains. That Dec. 1, 1903, the engine on which he was firing collided with an eastbound freight train injuring the young man so seriously that he died soon afterwards, and that the acident was caused by the carelessness of the railroad company having no head light on its engine, and the air brakes being out of order. The young man is survived by a wife and one child. The jury was not unanimous in their verdict for the plaintiff, Alex Baries casting the dissenting vote.

LOSES BOTH FEET.

George Burke, the unfortunate brakesman who was injured a short time ago in the union depot yard in this city, having both of his feet badly crushed, necessitating the amputation of one of his feet just below the knee, has had to undergo another operation for the amputation of his other foot. The operation was performed at the hospital by Drs. Perkins and Joyce. Every effort has been made by the physicians to save the one foot, but the injury was too severe for the bones to grow together, and the second operation had to be performed in order to save his life. The young man who is but 25 years of age, underwent the operation well, and is getting along as well as can be expected, although he is still very weak, but the doctors think he will recover.

J. MORAN WANTED FOR BATTERY

A warrant for the arrest of J. Moran, one of the foremen in the railroad shop, was issued yesterday, and placed in the hands of the police for his arrest on the charge of assault and battery, preferred against him by W. H. White, one of the employes of the shops. White claims that Tuesday, while he was at the shops at work Moran came up to him and struck him a heavy blow on the head with a blunt instrument, knocking him to the floor unconscious, in which condition Moran left him until he was found by some fellow workmen, and carried to the office and revived, and was then sent to his home on Reeve avenue. Detective Pender and Capt. Brown were sent for and after hearing White's story, took Municipal Court Clerk Jensen to his home, and the complaint was sworn out against Moran, charging him with the offense. There has been bad feelings existing between the two men for a long time.

FLAG DAY CELEBRATION.

Flag day was appropriately celebrated in Ogden yesterday. The most important event of the day was the excellent celebration given at the State Industrial school. A very appropriate program had been prepared and was listened to by a large number of citizens.

The exercises opened by the firing of a grand salute by the pupils and the hoisting of the flag. "America" was played by the school orchestra, and sung by the school. The school cadets gave an exceptionally fine military drill, and flag salute. Hon. H. S. Josephs, George B. Squires, Thomas D. Dee, Rabbi Charles J. Freund and Judge Brown all delivered addresses, encouraging loyalty to the flag of our nation, patriotism and honor in all things, and admonished the students to be loyal to the school and its officers.

"The Flag Without a Stain" was sung by Mrs. Bessie Dean Allison, "Two Grenadiers" was rendered by Hagbert Anderson, and the school sang "The Star Spangled Banner." Prof. Squire Coop and Dent Mowrey conducted the musical exercises.

After the rendition of the program the visiting guests partook of a bounteous repast. The buildings and grounds were artistically decorated for the occasion. The national colors being strung from the school buildings to the street car track, a distance of a quarter of a mile.

ELECTION CONTEST CASE APPEALED.

The bill of exceptions in the election contest case of Daniel Hamer vs J. Albert Howell was served on the attorneys for Mr. Howell yesterday afternoon at about 3 o'clock. The document contains 1,200 pages of typewritten data. This is the important step taken by Mr. Hamer in his appeal from the decision of Judge Morse of the district court in the case, to the supreme court of the state. This is the case wherein Mr. Hamer contests the right of Judge Howell to hold the position as judge of the Second district court of Utah.

DEATH OF MISS ROGERS.

Miss Mary Frances Rogers, a highly respected resident of Ogden and prominent member of the Baptist church, died near midnight Tuesday at the residence of her sister, Mrs. M. E. Riley, 370 Twenty-third street, from chronic bronchitis and pleurisy, in the seventy-third year of her age.

Aunt Frances, as she was generally known, was born at Greenville, Ala., June 14, 1832. With her sister she came to Utah five years ago for the benefit of her health, which was greatly improved, and she was able to be around the home until Saturday, when she was taken seriously ill and gradually sank into the sleep that knoweth no awakening in mortality. She is survived by her sister, a nephew, Rev. E. Sherman Rogers of Emmett, Ida., and Mr. and Mrs. J. P. Chase of Ogden. The funeral services will be held at the Baptist church Friday at 2:30 o'clock. Remains may be viewed at the home on date of funeral from 11 a. m. to 1:30 p. m.

A new rule will go into effect Saturday at the various freight depots throughout the city. On and after next Saturday the railroad companies will not receive or deliver any freight after 1 o'clock on Saturdays. This is done to give the freight employes an opportunity to get their freight loaded and unloaded on Saturday so they will not have to work on Sunday, and to give some of the employes a half day holiday.

TWO MEN STABBED.

A cutting affray in which Gus Peterson and Oliver Lediu received severe wounds, occurred Tuesday night in the rear of the North Star saloon. Peterson was slashed from the cheek bone to the mouth, while Lediu received a number of ugly scalp wounds. The trouble appears to have been caused by G. H. Wilson, who entered the saloon early in the evening and was heard to remark concerning Peterson, "I will get that fellow if I have to wait 24 hours. I will stick a knife into him." Some time later a row was heard at the rear, and on going out the bartender heard Peterson exclaim, "I am cut," and saw Wilson running away. He was soon overtaken and turned over to an officer, as were also E. F. Daly and Lediu, who will be held to testify in the matter.

HAD BOGUS CHECK.

Frank Schmidt was arrested Tuesday evening by Sergt. Pincock, on the charge of endeavoring to pass a worthless check for $16.59. The young man entered a clothing store and bought some goods, tendering the check in payment. The clerk was not satisfied with the check and called the proprietor, whereupon Schmidt left the store, but was later taken into custody. The check bore the name of Charles Ziemer, and the man holding it said he acted in good faith, having received the paper from a friend in exchange for a sum of money.

He and a companion went into McCready's store last evening and while the one attracted the salesman's attention, Warren stole a pair of pants, but another customer observed the theft and held Warren until the police arrived.

FACE TO FACE

A New Problem for Women.

In the looking-glass a woman often sees wrinkles, hollow circles under the eyes, crow's feet—all because she did not turn to the right remedy when worn down with those troubles which are distinctly feminine. Bachache, lassitude, nervousness and the pains and drains of womanhood bring such untold suffering that the face is sure to show it.

Every woman, young or old, is well protected from the blues, nervousness, backache, and the many symptoms of disease so prevalent among our women—if they will conscientiously take Dr. Pierce's Favorite Prescription, a safe and sure remedy for the ills of womanhood, because it contains not a particle of alcohol, digitalis or any deleterious drugs. Weak women are made strong and sick women are made well by this splendid prescription which was used by Doctor Pierce in his large private practice in the specialty of women's diseases. Every woman troubled in this way should write him about her case, care of Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent, or overbusy doctor, separate and distinct diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality they are all only *symptoms* caused by some womb disease. The physician ignorant of the *cause* of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, *directed to the cause*, would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said that "a disease known is half cured." In cases almost innumerable, after all other medicines has failed to help and doctors had said there was no cure possible, the use of Dr. Pierce's Favorite Prescription, supplemented, when necessary, by the medical advice and counsel of Dr. Pierce, has resulted in a perfect and permanent cure. The genuineness of these cures is attested not only by the entire disappearance of pain, but by a gain in flesh, a clear complexion and a cheerful disposition.

THE SECRET OUT.

To refute the many false and malicious attacks, bogus formula and other untruthful statements published concerning Dr. Pierce's family medicines, the Doctor has decided to publish all the ingredients entering into his Favorite Prescription for women as follows: Blue Cohosh Root, Lady Slipper Root, Unicorn Root, Golden Seal Root and Rattle Weed Root, these ingredients being macerated for a long time in a non-alcoholic menstrum. The exact working formula for making these medicines cost Dr. Pierce and his Colaborating Chemist and Pharmacist many years' of study and experiments, but as perfected they produce almost perfect pharmaceutical compounds embodying all the active, medicinal principles residing in the ingredients employed.
