SALT LAKERS MEET DEFEAT.

Name Adopted by Semi-Professional Ball Team Proves A Hoodoo.

VINCENT-NOTTS TAKE GAME.

Bad Error by Thornton Piles Up Runs For the Winners in the Fifth Inning.

The Vincent-Notts took their game away from the new semi-professional team at Walker's field yesterday, and confirmed the long established fact that professional teams in Salt Lake can only pull for second place in the score book. Dan Hughey named his bunch, the Salt Lake team, and that probably added to the losing score.

The game was witnessed by about 200 people, and they were both surprised and chagrined when the same old result footed up at the end. However, it must be said, that except for one costly error the Salt Lake men had the better end of the play. That occurred in the fifth, when a fumbled catch and a wild throw by Jack Thornton let in four runs.

The score:

MARX DID IT.

Smashed Two Bagger With Bases Full And Won Game for Park City.

It took Park City nine innings to defeat Eureka yesterday afternoon, and then the trick was turned by a smashing two-bagger sent out by Marx. The final score of 14 to 13 shows how hard the batters landed. When Park City went to bat in the last half of the ninth, she needed two runs to win, and with two men down, and three on bases, the right moment came for pandimonium and a smashing two-bagger.

Lehi Issues Challenge.

The Lehi baseball team has issued a defi to the American Fork team for three games for $50 or $500, alleging that only five of its regular players were on hand at the recent game, and the other four were inexperienced, while American Fork recruited its forces from the Provo team.

Florals Win.

At Liberty park yesterday the Salt Lake Florals defeated the Sugars by the score of 13 to 12. Heavy hitting did the work, the winning runs being made in the ninth.

GOT GOLD WATCH.

Tennis Association Presents Champion Hunt With Token of Esteem.

The first tennis tournament yet held in the intermountain country closes today, except for a few consolation games, at the Fort Douglas courts, the final game being the men's doubles in which the Salisbury brothers meet the Roberts brothers. The tournament has given the game a great boost in Salt Lake, and the local clubs are expected to profit greatly from it. The greatest single honor has already been captured by Reuben Hunt of California, who left for his home in Alameda yesterday carrying with him a gold watch, a special token of esteem from the Salt Lake Tennis association. In addition to this he secures one of three chances required to carry off the handsome Newhouse trophy permanently, and has the title of intermountain champion in addition to his already acquired Pacific coast title. He is rated as eighteenth man in the national lists, and played here in his best form, showing himself to be out of a class with any other contestant. The doubles today are expected to draw a large gallery, as both teams are top-notch players. The game begins at 4 o'clock sharp.

PACIFIC COAST LEAGUE.

Portland, Or., Aug. 13.—What was said by many to be the finest game of baseball ever seen in Portland was won by McCredie's men in the thirteenth inning when Hoffman, the new local third baseman, dropped a safe hit in center, which scored Ely Cates with the only run of the game. Schlafley was expelled from the game in the sixth for disputing with Umpire Davis over a decision at first base. Oct. 21—University of Nevada.

MANAGER RETIRES.

Bill Everett of Denver Concludes He Is Over Age Limit.

Denver, Aug. 13.—The announcement is made that Bill Everett is to retire from baseball after the present season. This news will be received with sincere regret by all who know the veteran captain and manager.

Bill has come to the conclusion that his days of usefulness on the diamond are at an end and he would rather retire now while still playing a pretty fair game than some time in the future when his play falls off and he is hissed by those who formerly applauded him.

Added to this is the worry that goes with the management of a team that is just within the reach of pennant winning possibilities. He is pretty well fixed financially and does not have to depend on the diamond for a living. He may reconsider his determination later on, however, and be found managing the team from the bench if not from the initial sack next year.

Bert Will Live.

San Francisco, Aug. 14.—Eugene Bert, president of the Pacific Coast Baseball league, who shot himself some time ago, is expected to recover, although the physician who is attending him says it will be some time before he will be able to go out.

EGAN STILL CHAMPION.

Defeats All Opponents in Eleventh Annual Golf Tourney at Chicago.

Chicago, Aug. 12.—H. Chandler Egan successfully defended his title of national golf champion in the eleventh annual tourney at the Chicago Golf club links today at Wheaton, defeating D. E. Sawyer of Wheaton, 6 up, 5 to play in the finals. The Exmoor player, who has thrice in four years taken the measure of all western aspirants for the Western Golf association title, added his second victory in the U. S. G. A. Havemeyer cup to his great performances.

AMERICAN BOAT WINS.

Defeats Canadian Rival in Yachting Contest at Rochester.

Rochester, N. Y., Aug. 12.—In a breeze varying from ten miles an hour at the start to almost a dead calm before the finish the Iroquois of Rochester, defender of the Canadas cup, defeated the Temeraire of Toronto, challenger off Summerville today by 12 minutes and 50 seconds. The race was about a triangular course, three miles to the leg twice around. The Fife boat was on the heels of the defender until the final leg and yachting experts said that in a stiffer breeze and under other conditions, the Temeraire may produce a different result.

Cup Defender Ill.

New York, Aug. 14.—Capt. "Hank" Haff, defender of the America's cup, is lying dangerously ill at his home, in Islip, L. I., and in an adjoining room his wife is in an equally critical condition. Capt. Haff had a sinking spell yesterday and as he is nearly 68 years old, fear is felt that he will not recover. The serious illness of each patient has been kept from the other.

HARVARD TO PLAY ASSOCIATION GAME

International Championship Contests Will be Established With England This Year.

CRACK TEAM TO CROSS POND.

Comes to Take Part in Big Series of American Games for Handsome Trophy and Title.

New York, Aug. 14.—On top of the announcement that the tour of the Corinthian Association Football club of England has been declared off comes the news that a picked English team of association players will visit this country this fall. This team will be under the management of G. H. Murray of London, and will include such well known players as Sir Charles Kirkpatrick, Dr. Roose, Victor Fitchie, P. Hornsfield, the Farnfield brothers, Fred Mills and G. B. Fry.

Sir Edward Cochrane, a keen supporter of the game in England, has donated a silver cup, valued at $500, for a game to be played by the visiting team and a picked Canadian eleven. The Metropolitan Association Football league has received an offer for a game to be played in New York on Saturday, Oct. 14. It is the intention of the visiting team to play games in Quebec, Montreal, Ottawa, Peterborough, Toronto, and Winnipeg, in Canada, and Chicago, Boston, New York and Philadelphia, in the United States. Three games have already been arranged in Philadelphia and will be played under the auspices of the Germantown Cricket club.

In view of the fact that Harvard, Columbia and other colleges have taken up association football, an effort will be made to arrange a game between the visitors and an eleven picked from the colleges which have association teams.

KING OF THE TURF.

Sysonby Justifies Claim to Title at Finish of Saratoga Races.

Saratoga, N. Y., Aug. 12.—One of the greatest horse races of the year was run here this afternoon, when James A. Keene's Sysonby fully justified his title of king of the turf by winning the Great Republic stake, worth $39,000 to his owner. Sysonby went to the post favorite at odds of 9 to 20. He was never in better condition. James R. Brady's Olsan looked fully equal to the mile and a quarter and the bettors showed their confidence in his speed by playing him for all he was worth. Yet he was as good as 16 to 5 when the bugle sounded. Sysonby won with three lengths between him and Oiseau, who was a length better than Broomstick.
