GOLDEN WEDDING.

Mr. and Mrs. F. A. Mitchell Celebrate 50th Anniversary of their Marriage.

Special Correspondence.

Logan, Cache Co., Nov. 17.—Yesterday the numerous friends of Mr. and Mrs. F. A. Mitchell, highly respected citizens of Logan, were extending congratulations to them on the anniversary of their golden wedding.

The event was celebrated in the evening by a family gathering at the residence of the venerable couple. All their children and grandchildren were present except Frederick A. Caine, a grandson, who is at present filling a mission in Japan. Thirty-five in all sat down to a delicious wedding supper, and after this feature had been disposed of an informal and most entertaining program was rendered by members of the family, including instrumental and vocal music, recitations, etc., nearly all present taking part, from 3 year old tots up. Mr. and Mrs. Mitchell expressed their pleasure at being so kindly remembered by their children, and at the fact that all their living descendants, except the one noted, were present. Judge Alexander McMaster responded to these remarks in behalf of the children, and in a few well chosen words congratulated the patriarch and mother of the family on the good health and happiness they were enjoying, and expressed the hope that they would yet live many years in the enjoyment of health and strength.

Mr. Mitchell was one of Salt Lake's first merchants, and in early days was a member of the firm of Godbe & Mitchell. Mrs. Mitchell is the twin sister of Mrs. Annie Godbe, wife of the late Wm. S. Godbe, and both couples were married in Salt Lake City just 50 years ago.

The Mitchells lived in Salt Lake for a long time, but have been residents of Logan for 14 or 15 years.

LEHI.

SUGAR CO. PAYS OUT $250,000.

Biggest Pay-day in History of Sugar Making in Utah.

Special Correspondence.

Lehi, Utah Co., Nov. 16.—Yesterday the Utah Sugar company here paid out in the neighborhood of $250,000 for beets delivered during the month of October. This money has been distributed to the farmers throughout the south end of Salt Lake county, throughout Wasatch, Sanpete, Sevier and Utah counties. This pay day is the largest in the history of the company. On the 10th also many thousands of dollars were paid out to the employes, not only here but at the Provo, Springville and Spanish Fort cutting stations, all of which has made business quite lively. The beets are practically all in and the tonnage has exceeded the estimates of the agricultural department, which is quite gratifying in the face of the pest of the white fly which has damaged the crop materially in some sections this year. While the sugar factory is not making any sensational runs, it is running quite smoothly; the new Steffens process is working up the low grade syrups in a very satisfactory manner and a fine quality of white sugar is being turned out. While the tonnage this year has not been what the farmers would like it, beet raising is nevertheless their best crop, and indications are that the acreage next year will be much greater than this; the farmers anticipate a partial failure of their crop occasionally.

OLD FOLKS HAVE ENJOYABLE TIME.

Veterans of Nephi Gather Round The Banquet Board and Partake of Good Things.

FINE PROGRAM RENDERED.

Speeches of Congratulation, Prizes and Other Features do Much to Please Guests.

Special Correspondence.

Nephi, Utah, Nov. 16.—Yesterday Nephi enjoyed one of those annual old folks' gatherings which for many years past have gladdened the hearts of all participants here, especially the aged people in whose honor they have been arranged. For several days the local committee, under the direction of Chairman Henry H. McCune and his proficient aids had been busily engaged in making all necessary arrangements for the feast, and yesterday morning, the day being most bright and beautiful, the best carriages and light vehicles in the city were placed at the disposal of the old people, to convey them to and from the tabernacle, where the spacious auditorium had been converted into a temporary dining and reception room, with three large tables, at which upwards of 200 people sat down to partake of the bounteous repast prepared. Of these guests about 150 wearing badges were over 65 years of age. The two oldest people in the hall were Father Edward Lunt and Geo. Birchall, both of whom had seen upwards of 90 winters, and are still hale and hearty. Among the many veterans present were also Brother Knud H. Bruun, 85 years old, who carries the distinction of being the first man ever ordained to the holy Priesthood in Denmark.

The honored guests being comfortably seated around the tables, Bishop Wm. H. Pettigrew gave a brief address of welcome and the Rev. Mr. Stormont said grace. While the guests were enjoying the meal a photographer appeared on the scene with his camera and, aided by a flash light, took a snapshot at the interesting assembly, and after the tables were cleared, a most excellent and interesting program was carried out as follows:

Invocation by Stake President James W. Paxman; the old familiar song, "All together, once again," by the whole assembly; remarks by Elder Andrew Jenson, a member of the old folks' central committee; recitation by Mrs. Unity Chappell; remarks and song "Who's on the Lord's side, who?" by Elder Charles R. Savage of the old folks' central committee; solo by Miss Julia Paxman; remarks by Wm. B. Barton of the central committee; quartet by Master Willie H. Bailey and company; comical songs by George Margetts of the central committee; recitation by Miss Geneva Price; remarks by Hyrum S. Groesbeck of the central committee; duet by the Misses Alta Carter and Leah Pettigrew; a short speech by the Rev. Mr. Stormont; recitation by Miss Pearl Sparks, and remarks by President James W. Paxman, who also proposed a vote of thanks to the local committee and to the visiting brethren from Salt Lake City, who, by their labors and presence, had contributed toward making the gathering a grand success.

After the exercises, presents were distributed among the old people. During the day a choice selection of Nephi's brave sons and fair maidens vied with each other to make their aged guests happy and comfortable, and at the close of the day's exercises everybody returned to their respective homes well pleased. Beautiful music was discoursed by the Nephi Quadrille band during the day, which was highly appreciated by everybody. The day's proceedings concluded with an old time party in the new armory hall in the evening, at which the aged veteran, Patriarch Charles Sperry, led the grand march, and to which the aged were specially invited. Refreshments were also served.

CARDSTON, CANADA

ELECTION RESULT A SURPRISE.

Conservatives Have But One Seat in Provincial Legislature.

Special Correspondence.

Cardston, Alberta, Canada, Nov. 13.—The friends of Mr. and Mrs. A. W. McCune will be pained to learn of the death of their little babe. Membranous croup is supposed to be the cause of the little one's sudden demise.

The results of the elections held on the 9th inst. were a surprise to nearly everybody. Out of 25 seats in the first provincial legislature the Conservatives have only one seat, the remaining 24 are all government supporters.

Eight electoral divisions caused the opposition candidates to lose their deposits. That means $800 forfeited to the government towards defraying election expenses. John W. Woolf will represent this riding and, since it is expected the legislature will be called at an early date and much of the most important business is before this session, friend John will be a very busy man.

A petition is being unanimously signed to have another vote taken on the liquor question. We trust the new provincial government will make the matter much more effective than the late territorial government did; then the people hope to shut up all "blind pigs."

RAYMOND, CANADA.

TAYLOR STAKE CONFERENCE.

Sugar Factory has Excellent Run—Excellent Yield of Beets.

Special Correspondence.

Raymond, Alberta, Canada, Nov. 13.—The last two days the Taylor stake conference has been in session and an enjoyable time was had. None of the general authorities was present. President Heber S. Allen counseled the Saints to pay their obligations and keep out of debt that they may be free.

The only visitor was Elder Richard G. Lambert who is here in the interests of the Deseret News.

The sugar factory is having an excellent run. The beets are much better than ever before with a better yield to the acre. The beet crop is now nearly all gathered, and the present beautiful Indian summer weather has been a great help and benefit to the farmer.

Many improvements are under way here, and new buildings are being erected. The new bank building would be an ornament to a much more pretentious town. The new home of W. A. Redd, built of cement stone blocks, is nearing completion and will be a handsome building. The cement stone is the coming building material for this region, as it will stand more perfectly the extremes of climate.

The Mutuals and Sabbath schools are in excellent condition.

The drouth of the last two seasons has been very discouraging, and quite a number have left for other parts, yet those left have faith that the future will be all right.

TABOR.

ALBERTA'S FIRST ELECTION.

Liberals Win 22 and Conservatives 2 Seats in Parliament.

Special Correspondence.

Tabor, Alberta, Canada, Nov. 10.—Today elections were held for the first time in the new province of Alberta. Harmony prevailed at the polls here at Tabor. Dr. DeVeber, Liberal candidate for this riding, won over Mr. Ives, Conservative, by a large majority. Tabor cast 105 Liberal, 15 Conservative votes. Throughout Alberta the Liberal government has secured 22 seats, Conservatives 2 seats.

Tonight after the result of the local election was known the victors hastily started a huge bonfire at the New Hull addition on C. P. R. street, and tomorrow evening a parade will form in front of Douglas & Douglas's store, and led by the McPhee bagpipes, will do honor to the occasion.

Tabor proper is growing steadily, while along the Hull addition carpenters are busy with hammer and saw.

The foundation for the new Presbyterian church is being put in. The foundation for the Latter-day Saints church is finished, and the order placed for the building materials.

Health of the people is excellent, and weather ideal. No snow, no frost.
