THE SEMI-WEEKLY NEWS

The Great Country Paper of the West.

Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

LOCAL BRIEFS.

On Way to Park—There are quite a number of Colorado people at the Knutsford en route to the Yellowstones National park.

Mr. Morris Recovering—F. M. Morris who was badly burned by a premature explosion July 4, is recovering at the L. D. S. hospital.

Retailers to Organize—The retail merchants of the city are to meet next Wednesday evening, at the Commercial club to organize for mutual protection and benefit.

Buying a Print Shop—James H. Wallis, manager of the Rexburg, Ida., Standard, is at the Kenyon, to purchase printing machinery from Salt Lake dealers. Mrs. Wallis is with him.

Farewell Party—A farewell entertainment will be given Wednesday evening, in the First ward meetinghouse, in honor of Elder Elias M. James who goes on a mission to the Northern States.

At First Baptist—There was a largely attended song service last night, in the First Baptist church, in which the principal participants were Prof. B. P. Stout of Philadelphia and Mrs. Fred B. Jones.

Yale Graduate Home—Harold P. Fabian of this city is home from Yale where he graduated last month with honors. He will return east in September to take up the study of law at the Harvard law school.

Body May be Dissected—The remains of Mrs. Hannah Betteridge who died Friday in the State Mental hospital will be handed over to the medical school of the state university, unless relatives claim the body today.

A Good Suggestion—Local coal dealers are suggesting that the school buildings, churches, university buildings, breweries, hospitals and others take some steps towards coalings up for the coming winter. So far, nothing seems to have been done.

Leave for Los Angeles—City Supt. of Schools Christensen, J. S. Welch, supervisor of the grammar grades in the city schools, and Miss Rosalie Pollock, primary supervisor, are among those who have gone to Los Angeles to attend the National Educational association convention.

Noted Theologian Here—President William Douglas MacKenzie of the Hartford, Con., Theological seminary, preached last night, in the Phillips Congregational church, on the subject of "Fair." He is en route to the Pacific coast where he will address the summer school of theology.

Gone to Seattle—Hon. C. E. Marks and wife and Rowland Mumford left last night for Seattle where they will attend the biennial convention of the United Society of Christian Endeavor. An attendance of 15,000 is expected at that convention. Mr. Marks will take a prominent part in the prison work of the convention.

Judge Bartch Takes Trip—Judge George W. Bartch leaves tonight for an extended trip into New Mexico and afterwards will visit Old Mexico. At San Antonio he will be joined by parties from New York, Washington and Philadelphia, and while gone will spend some time in the state of Oaxaca, Mexico, on the Pacific side of the Republic.

Forestry Expert Here—Dr. Albert Miller of Denver, forester and park expert, is in Salt Lake. He says vegetation generally in this city is very vigorous and healthy, but the style of trimming is poor. The doctor says that many fading trees may be brought back to an active life by producing an artificial circulation and removing surplus branches.

More Civil Service Exams—There will be civil service examinations in this city, July 30, for the position of clerk in the bureau of trade relations, department of state, at $900 per annum; and on Aug. 5, for the position of assistant in grain standardization, department in dry land agriculture, bureau of plant industry, department of agriculture, at $600 to $1,000 per annum.

Iowans Hold Reunion—Charles E. Patterson, a prominent Seattle attorney, and a life long friend of President Frank Knox of the National Bank of the Republic, is in the city. He is accompanied by Mrs. Patterson. They are visiting with Mr. and Mrs. Knox, en route back to Iowa on a summer visit with relatives and friends. Mr. Knox and Mr. Patterson are both originally from Iowa.

Special Song Service—The First Methodist church was crowded last night, on the occasion of the special song service. With two minor exceptions, the program as printed was observed and thoroughly enjoyed, the singers and the organist acquitting themselves with credit. The efforts of Messrs. Brines and Dougall and Miss Edna Evans in the vocal line, and the Batiste and Wely organ compositions played by Mr. Kimball were especially appreciated.

Street Car Fire—Salt Palace car No. 52 took fire at Ninth South and Main streets Sunday afternoon, due to short circuiting. Fifteen frantic passengers all attempted to escape at once, but were got out by the car men, Motorman Nance and Conductor Slaughter, without injury. A garden hose was secured without delay by the carmen and water turned on the burning car, so that the flames were extinguished, but not before the car was disabled so that it had to be towed into the barn. A large crowd from the Salt Palace rushed out to take in the sight.

WHERE ARE THE STREET SIGNS?

Strangers Grope in Broad Daylight, Not Knowing Where They Are.

NATIVES NOT MUCH WISER.

Although Ordinances Have Been Duly Made and Provided, There is Still "Nothing Doing."

"Can you tell me what street this is, please sir?" "Is this D street or Fourth East?" "Where is Twelfth East street?" These and many others are questions constantly propounded in all parts of the city by persons who are trying to get their bearings in order to find some friend or relative's place of residence. Not only do visitors in the city make such inquiries, but also residents who have lived here for some years are often confused as to their bearings and have no way of finding themselves without asking any passer-by to help them out.

HARDLY A SIGN STANDING.

This condition of affairs is due to the fact that hardly a street sign is standing throughout the city today and, although the council has had the matter under consideration for some years past, nothing has yet been done to remedy the evil and people are wandering about the city with nothing to guide them except an occasional dilapidated post with a battered-up tin sign bearing some inscription which has faded beyond any possible recognition.

CONTINUES TO PASS ON.

An ordinance was passed by the city council several months ago re-naming a large number of the streets in the city so as to do away with duplication of names and it was given out at that time that something would be done towards getting new street signs for the corners so that people could know where they were. Time passes on and no doubt will continue to pass on for several more months and yet no signs adorn our street corners. That this important matter has been sadly neglected by the administration is very evident to he thousands of tourists who visit the city every year and should the present administration be able to find the money in its financial straits it could put it to no better use nor to one which would be better appreciated than to purchase suitable signs for the corners.

ALL THE WORLD
knows that Ballard's Snow Liniment has no superior for Rheumatism Stiff Joints, Cuts, Sprains, Lumbago and all pains. Buy it ,try it and you will always use it. Anybody who has used Ballard's Snow Liniment is a living proof of what it does. All we ask of you is to get a trial bottle. Price 25c, 50c and $1.00. Sold by Z. C. M. I. Drug Dept., 112 and 114 South Main Street. B

ESTIMATES FOR PAVING.

City Engineer Places the Cost of First South at $180,740.90.

The estimate of the cost of paving First South street from Second to Thirteenth East street has been completed by City Engineer Kelsey. The total cost of the improvement is estimated at $180,740.90, of which amount the property owners will have to pay $122,544, and the city's portion of the work will cost $58,196.90. The plans call for asphalt paving and from Second to Fourth East the width of the street will be 80 feet and from Fourth to Thirteenth East it will be 60 feet in width.

Although the property owners are very anxious to have the street paved it is not likely that bids will be even advertised for on the improvement this year. Should the contract be awarded and the work done the city is not financially able to pay for its part, hence it has been given out that the paving cannot be done this year because it would be winter before it could hardly be started.

STOP THAT COUGH!
When a cough, a tickling or an irritation in the throat makes you feel uncomfortable take Ballard's Horehound Syrup. Don't wait until the disease has gone beyond control. Mr. and Mrs. J. A. Anderson, 354 West 5th St., Salt Lake City, Utah, writes: "We think Ballard's Horehound Syrup the best medicine for coughs, and colds. We have used it for several years; it always gives immediate relief, is very pleasant and gives perfect satisfaction." 25c, 50c, $1.00. Sold by Z. C. M. I. Drug Dept., 112 and 114 South Main Street. B

PREPARE FOR CAMPAIGN.

"Americans" Induce Judge Darmer to Manage Coming Election.

"After careful inquiry into the needs and faults of the organization of the American party," that party has asked Judge J. E. Darmer of the county central committee to undertake the management of the coming city campaign. "Chairman Darmer reluctantly consented to enter" (to quote the party's organ again). He has named the following "American" leaders to aid him in managing the campaign: E. B. Critchlow, A. J. Weber, John A. Street, Joseph Lippman, D. C. Dunbar, G. R. Cleaveland, Frank I. Sefrit. A secretar yhas not been named yet, but this appointment will be announced within the next few days.

YOUR LIVER
is out of order. You go to bed in a bad humor and get up with a bad taste in your mouth. You want something to stimulate your liver. Just try Herbine, the liver regulator. A positive cure for Constipation, Dyspepsia and all liver complaints. Mrs. F——, Ft. Worth, Texas, writes: "Have used Herbine in my family for year. Words can't express what I think about it. Everybody in my household are happy and well, and we owe it to Herbine. Sold by Z. C. M. I. Drug Dept., 112 and 114 South Main Street. B

GOT HIS WALLET BACK.

George D. Lair of Dennison, Texas, lost his wallet on First South street, the other day, containing railroad tickets and $80 in money. It was found by Charles Crismon, who showed it to Dr. S. B. Young, and the police were notified. The wallet was then handed over to D. S. Spencer, assistant general passenger agent of the Oregon Short Line, who traced the ownership of the wallet to Mr. Lair, and handed it back to him. The Texan was delighted beyond measure, and poured his thanks over Mr. Spencer in a fair sized cataract.

ABRAHAM LINCOLN
was a man who, against all odds, attained the highest honor a man could get in the United States. Ballard's Horehound Syrup has attained a place, never equalled by any other like remedy. It is a sure cure for Coughs, Colds, Bronchitis, Influenza and all Pulmonary diseases. Every mother should keep supplied with this wonderful cough medicine.

FIFTY MODERN CARS ORDERED

Bids Are Being Received for This Quantity of Rolling Stock.

MORE CHANGES NECESSARY.

Poles Must be Taken From Streets to Permit Convertible-Pattern Carriers Being Used.

The management of the Utah Light & Railway company is receiving bids for 50 new street cars. The bids will be opened in a few days. A number of manufacturers of different parts of the country are sending in offers. One requirement is that the first consignment of 25 cars shall be delivered here Dec. 1 next so that the company will be that much ahead in starting the winter traffic. The second, and final lot will be due early in the coming year.

WILL BE LIGHTER.

The cars will be somewhat different from the styles heretofore used in this city. One difference will be the weight. The new car bodies are to be considerably lighter than those now in use, perhaps half as light. The bodies will also be wider, with wider aisles. They will be of the convertible pattern, so that they can be changed easily for summer to winter use, and vice versa, by addition or removal of moveable sides. The cars will be 40 feet long and 9 feet wide, capable of seating 60 passengers, and holding 125 if necessary. Each car is to have four motors of 50-horse power each, a total of 200-horse power.

POLES TO BE MOVED.

To operate such cars on the present tracks it will be necessary to remove a number of telephone poles which are too near the street intersection crossings. It is the intention of the company to do away with all poles on streets in the paved district. This will improve the looks of the streets greatly and facilitate street car operation.

When the 50 cars are delivered, the Utah Light & Railway company will be equipped with cars enough to respond to any requirement; and during rush hours enough cars will be put into extra service to accommodate the crowds. The latest and best methods of operation and forms of equipment and appliances are being introduced as rapidly as possible in the operation of the street railway system.

U. P. PLANS IMPROVEMENTS.

Will Expend $100,000 on New Depot, Etc., at Green River.

The Union Pacific is planning for an expenditure of $100,000 at Green River, Wyo., the improvements including a new depot, a clubhouse for employes, doubling the capacity of the yards, and providing for double tracking the main line to Granger 30 miles distant. The new depot will be quite a pretentious affair, the second largest in the Wyoming division, two stories high and cost $40,000. These improvements are an absolute necessity, as the conducting Portland-San Francisco-Los Angeles traffic over one line of rails is attended by a wide and varied array of impossibilities, and the present terminal facilities at Green River are entirely inadequate to accommodate the increasing demands of trade. That station is likely to become one of the most important, for traffic purposes on the Union Pacific line.

H. W. EDGERTON RESIGNS.

Traveling Agent of Northwestern Succeeded by P. J. Brady of Chicago.

H. W. Edgerton, traveling agent for the Chicago & Northwestern under General Agent C. A. Walker of this city, has handed in his resignation, effective at once. The resignation having been accepted, Phillip J. Brady is now on his way from Chicago to fill the vacancy. Mr. Brady will look after the company's interests in Idaho.

E. A. Davis Resigns as Ticket Agent For Pullman Company.

A number of changes in the personnel of the office force of the Pullman service at Ogden have gone into effect: E. A. Davis has resigned as ticket agent; J. S. Plunkett, who has been assistant, was promoted to the position made vacant by Davis' resignation; A. B. Young of Chicago was appointed assistant ticket agent.

The Ogden office was inspected yesterday by J. S. Kimar, traveling service inspector of the company.

SPIKE AND RAIL.

The railroad to Pioche will be completed in September, as grading has been finished for over half the distance, and track laying is now well under way.

The San Pedro train that left Salt Lake Saturday night, with the N. E. A. excursionists from this city, arrived at Los Angeles on schedule time. Gov. Cutler was on board.

C. A. Davidson, formerly with the Salt Lake offices of the D. & R. G., and now traveling passenger agent of the road, is in the city, has brought in a big excursion from the east for southern California.

The local railroad offices did a land office business Saturday until late in the evening, on account of the N. E. A. convention excursion to Los Angeles, as the rates expired on the night of the 6th inst.

Reports sent to this city about the Union Pacific company being restricted as to its immediate future output of coal by re-ceding to the government coal lands in western Wyoming alleged to have been illegally secured, are characterized by the railroad offices in this city as misleading. The acreage involved, it is claimed, will in no wise interfere with the production of coal from present properties.

TAKE THE POSTMASTER'S WORD FOR IT.
Mr. F. M. Hamilton, postmaster at Cherryvale, Ind., keeps also a stock of general merchandise and patent medicines. He says: "Chamberlain's Colic, Cholera and Diarrhoea Remedy is standard here in its line. It never fails to give satisfaction and we could hardly afford to be without it." For sale by all druggists.

THEODORE BEST

In most cases, headaches can be cured with glasses. H. O. Jensen fits them correctly. 52 Main Street.

SLEEPING CARS THROUGH TO NORFOLK.
From St. Louis and Chicago over Pennsylvania Short Line via Columbus and N. & W. Ry. Daily after July 14. Low fares to Jamestown exposition over through car route either way, and via Boston, New York, Philadelphia and Washington in opposite direction. Write Hull, 911 Seventeenth street, Denver.

BEST MEDICINE IN THE WORLD FOR COLIC AND DIARRHOEA.
"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skirum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a botle of the twenty-five cent size Chamberlain's Colic, Cholera and Diarrhoea Remedy, and this morning I feel like a new man." For sale by all druggists.
