LAME ARGUE AND WILL NOW RACE

Two Men on Crutches Debate Marathon Run While in Hospital.

BROKEN LEGS FORGOTTEN

Get from Bed to Cover Two Blocks on Wooden Braces, Doctors Made Judges.

New York, Sept. 1.—Two patients with broken legs, now convalescing in the Bayonne hospital, Bayonne, N. J., will compete today in a race on crutches. The man who wins will receive the crutches as a prize. Drs. Fisk, Crook and Connelly of the hospital, will act as judges of the race and award the trophy to the winners.

The race will be for two blocks along the boulevard passing the hospital.

Both men have been in the hospital about two months. While lying in bed side by side the Marthon race in London and arguments over the endurance of the contestants led to arrangements for the race on crutches. The entrants are Patrick McGovern, 46 years old, of Jersey City, and James Gibbons, 45 years old, of Bayonne, and each is confident that he will be victorious.

COLISEUM RACING AT CLOSE FOR SEASON

No more racing will be seen on the Saltair coliseum this season. Manager Johnny Chapman left for the east yesterday and riders who have been signed up to ride at the lakeside exclusively will follow Chapman today. Jackie Clarke, the Australian wonder, and Henri Mayer, the Flying Dutchman, start out for New York where they will ride in a six-day race at Madison Square Garden. In all probability the pair will go to Paris, where McFarland also expects to ride through the winter season. While the Saltair track has served up snappy races and drawn large crowds it is admitted

to have been a non-paying affair during the season. But this was expected say the officials who promise better races than ever next season.

MAY JOIN "U" SQUAD IN TRAINING GRIND

"Wise Old Joe" Maddock, coach of the University football team, has invited the High School players to go out to Lagoon and join the "U" squad in its training. A strong desire has been shown to accept this invitation for the High School boys see an opportunity of getting wised up and toughened up in great shape by being with the University stars through the training season. Coach Maddock has done much to strengthen friendliness between the "U" and the High School and his latest move is a noteworthy piece of diplomacy.

FIREMEN VS. CARMEN.

Big Baseball Game Tomorrow. Will Be Worth Seeing, Say Workers.

All is in readiness for the big baseball game between the Salt Lake firemen and employes of the Salt Lake Street Car company. The gate receipts will be turned into relief funds of the firemen and street car men. The contest will start at 1 o'clock tomorrow as dog races are set for tomorrow afternoon at Walker's field. There are players of exceptional ability in both organizations, and a closely fought game is going to be seen. The general fee of 25 cents is being charged and anyone will get his or her two-bits worth of baseball, not to mention about $3 worth of satisfaction in helping the boys. The relief funds kept up by both organizations are for idle employes, those on the sick list and for families of men rendered unable to work.

S.S.S. CONTAINS NO MERCURY

Medicines containing Mercury are often given to persons suffering with Contagious Blood Poison, and so powerful is the action of this drug that it frequently removes the symptoms in a short while, and shuts the disease up in the system to do greater damage to the delicate internal members. When, however, the treatment is left off, the disease always returns, and the patient finds that his health has been injured by this powerful mineral, and he is often left with weak stomach, disturbed digestion, mercurial rheumatism, etc. The action of S. S. S. is entirely different. It contains no Mercury, nor any other harmful drug, but is made entirely of healing, cleansing roots and herbs. It cures Contagious Blood Poison by removing the virus from the blood. It searches out every particle of the poison and does not leave the least trace for future outbreaks. S. S. S., in addition to curing the disease, builds up and strengthens every part of the body. Its fine tonic effects tone up the stomach and digestion, improve the appetite and regulate the entire system. Home treatment book containing valuable information about the different stages of the disease and any medical advice desired sent free to all who write.

OLYMPIC BOYS ARE ORGANIZED

To Keep 1908 Contest Fresh in Memory and Promote Sportsmanship.

New York, Sept. 1.—With President Roosevelt as honorary member and James E. Sullivan, president of the Amateur Athletic Union, as honorary president, the members of the 1908 American Olympic team organized yesterday. The plan to hold an annual reunion of the members of the American team had been in contemplation for several weeks, but it was not until after the athletes paid their visit to Oyster Bay that the organization was effected.

ANNUAL DINNERS.

A meting was held on the steamboat Sagamore on the return journey from Sagamore Hill, when Harry F. Porter of the Irish-American Athletic club, was selected as acting chairman and "Matty" Halpin, of the New York Athletic club, secretary. It was decided to hold an annual dinner in the city where the senior amateur athletic union championships are scheduled. The dinner will be held either on the night of the championships or the evening preceding.

TO ASSIST ATHLETICS.

The object of organization is to keep alive the memory of the Olympics of 1908 and help in every way the cause of athletics and to promote the spirit among athletes that helped the 1908 team to victory in the London Olympic games.

The services of "Mike" Murphy, the coach of the American Olympic team, and "Matty" Halpin, the manager, are to be suitably rewarded. The members of the Olympic team have planned to present each with a silver loving cup. The general feeling is that Murphy was in a large measure responsible for many of the victories gathed abroad through his training, while Halpin's work as manager, is to receive proper recognition.

Barlow S. Weeks and Gus T. Kirby were elected honoary members as were Murphy and Halpin. A committee consisting of Earl Ewry, G. G. Bonney, Harry Hillman, Jr., and Charles H. Bacon were appointed to draw up plans for a permanent organization and send out ballots for a mail vote for officers.

WILL "WHISKERS" WIN?

He Says Pedlar Palmer Is Going to Have Race of His Life.

What will undoubtedly furnish the bike fans with more cause for making a noise than anything during the season will be the match, best two out of three heats, French style, between Pedlar Palmer and Theodore Devonevitch, the bewhiskered Russian, at the Salt Palace this evening. The Russian or "Whiskers," as the fans have named him, is a great favorite, and he jumped to the front Friday evening in winning the 10-mile professional. Never has a rider got a bigger ovation. "Whiskers" was carried from the track on the shoulders of his brother riders who simply picked up Russian and bicycle and paraded around in the oval to the yelling of the crowd and the music of "Hail the Hero" by the band. Jenkins and Wilcox meet in a five-mile motor paced race. Other keen races set for this evening are: Two-mile open lap, professional. One-mile handicap, professional. Half-mile open, amateur. Two-mile lap, handicap, amateur.

TAFT GOES FISHING, CATCH NOT REPORTED

Middle Bass, O., Aug. 31.—Judge Taft went fishing today. He started from Middle Bass island at 8 a. m. His companions were Ed Miller of Columbus; Ed Marsh of Sandusky; W. C. Beckwith of Fostoria; Gen. H. C. Corbin and Charles Taft. Mr. Beckwith's powerboat, the Faustania, was used to haul the party out to Rattlesnake reefs, off Rattlesnake island, a point some two or three miles distant. They fished from row boats, which were towed out by the Faustania, and which were manned by expert oarsmen. The day was bright with just a ripple of the smooth surface of the lake. The fishing was for black bass, white bass and perch.

Judge Taft attended a musical soiree at the clubhouse last night. After the concert Charles T. Lewis of Toledo, president of the Middle Bass club, which is entertaining Judge Taft and party introduced Judge and Mrs. Taft and the guests in a little speech and all the sojourners filed up to meet him and get acquainted.

There is a possibility that Judge Taft's stay here may be prolonged until Sept. 8. The original plan, tentatively adopted, was to leave here on Sept. 7. That bring Labor day, it is feared that travel may be too heavy to make his trip to Cincinnati as comfortable as it will be on the following day.

SENSATIONAL TENNIS

Salisbury and Garnett Furnish Plenty Of Thrilling Plays for Big Gallery At Country Club.

The tennis served up at the Country club yesterday was sensational and kept a big gallery on tiptoe constantly. Garnett defeated Jimmy Salisbury through cool, heady playing. Garnett was picked as a winner for in defeating Jimmy he had played a deadly accurate game. Next came Walker Salisbury to meet the conqueror of his brother. Garnett started out driving hard and accurately and Walker lost the first set as was expected. Then came an upheaval, which threw the talent all topsy-turvy. Garnett was still playing his steady game, but Walker was simply hitting the little ball with terrific force, quickness and accuracy. The first set had gone to Garnett, 6-3, who outplayed Walker; the second set went to Walker, 6-0. This was certainly a reversal of form and interest in the third and deciding set was intense. Garnett and Salisbury started out, both strong and determined to win. Salisbury had been touted for a falling to pieces but the croakers were doomed to disappointment for the youngster was at top form and Garnett was playing more cooly and steadily than usual, which is saying a great deal. The first three games went decue and then Salisbury took the remaining three games from the old state champion, one by one, each game being contested bitterly. The results of the day's program and the games set for today follow:

YESTERDAY'S RESULTS.

W. Salisbury defeated Garnett, 3-6, 6-0, 6-4.
Griffin defeated McBroom, 6-1, 6-2.
Miss Humphries defeated Mrs. Smith, 6-2, 3-6, 6-4.
Mrs. Griffin and Mrs. Humphries defeated Mrs. Callahan and Mrs. Smith, 6-1, 6-2.
Miss Severance defeated Mrs. Callahan by default.

This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." WAR VETERANS MEET FOR ANNUAL REUNION

Toledo, O., Aug. 31.—The forty-second national encampment of the Grand Army of the Republic began here today. On special and regular trains veterans are constantly arriving with their wives, families and friends for a week of reunion. During the day the program called for nothing save the renewal of old acquaintances. Tonight the formal reception to visitors will take place when Mayor Brand Whitlock will deliver an address of welcome.

The banner day of the encampment will come on Wednesday when the G. A. R. parade will share honors with William H. Taft, Republican candidate for president; Senator Foraker, Gov. Harris and others. The gentlemen mentioned will be tendered a reception on that day by the Lincoln club and will review the parade. Gov. Willson of Kentucky is also expected.

Flags and electric lights in patriotic design are everywhere and bunting runs in rivulets along every street in the business district. The housing of old soldiers in hotels and private residences meets with general commendation.

By noon thousands of veterans with yellow badges bearing the names of their respective states, thronged the streets, though in scarcely greater numbers than the women of auxiliary associations. Here and there on street corners, in front of hotels, knots of old soldiers gathered, exchanging intimate details of half a century of history or listening to some impromptu soloist roaring some old war song, notable chiefly for wealth of detail and the untutored composition of the music. An early songster collected a crowd near the Secor hotel with thunderous burst which had a range on the scale of four notes, but who omitted nothing of interest concerning the battle of the Wilderness. And he received earnest attention all the way through, too.

Col. William M. Scott of Atlanta, Ga., junior vice commander, with Mrs. Scott, arrived during the night and expressed himself pleased at the numerical strength of the southern states, despite discouraging railroad rates.

"There are a great many more members of the G. A. R. in the south than most people think," said Col. Scott.

ALABAMA COAL STRIKE.

Official Order Issued Calls Off One in Birmingham District.

Birmingham, Ala., Aug. 31.—An official order calling off the strike of coal miners in the Birmingham district was issued to all the companies in this section today. It was signed by President Lewis, Vice President White and Secy.-Treas. Ryan of the United Mine Workers of America.

The order ends a strike which began July 6, and which has been marked by much violence. The official order after reviewing the history of the strike says:

"The climax was reached when the governor of Alabama said that the miners should not be permitted to live in tented camps and that public meetings shall not be held in the mining communities of the state during the strike. In other words the strike must end regardless of the cost to the miners or any rights they have in the premises."

HOW TO GET STRONG.

P. J. Daly, 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it's my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Bower, candidate for governor of Illinois on the Socialist ticket, and a number of other prominent men of that political party, left here today over the Chicago & Alton railroad for San Francisco. The trip is to be in the nature of an "educational campaign" and stops will be made at all important cities and towns betwen here and the Pacific coast, where speeches will be made and Socialist literature distributed. The train is known as the "Red Special" and is scheduled to arrive in San Francisco on Sept. 11. The trip will end upon the return of the special to Chicago which will be on Sept. 25.
