AS BOOKS ARE MADE IMPOSSIBLE TO BEAT

Odds Are So Close That Betting Falls Off and Three Books Close.

In the third day's race meet at Buena Vista only two favorites came under the wire and the bookmakers carried off most of the money again. The same crowd of sports were at the betting ring and the books were tighter than ever. For instance, in the first race the combination book which is owned by the association offered 4 to 5 on any horse, which figures a 500 per cent book on the field. The layers were dissatisfied with the odds and there were many complaints on account of the big percentage taken by the books. Three outside books closed up yesterday, not because the operators lost money on the race but because they were unable to stand the expenses imposed by the Utah Jockey club of $20 a race. The books are playing so close that the talent is not betting heavily and each day the crowd is smaller.

Jockey Williams crowded Ossian to the outside on the turn at the stretch in the third race but the foul made no difference. Ossian, 4 to 1, came home a winner beating out Banonica, the favorite at even money, who was ridden by Williams. The jockey was called to the stand but the judges only cautioned Williams not to foul again. Platoon finished third in the race.

Corrigan won the feature event of the day, the mile selling, from Coppers, the favorite. Steel landed second place just ahead of the favorite, who showed. In the last race Aunt Polly, 7 to 1, the oldest horse in training on the turf, galloped home a winner and upset the dope. E. M. Fry, the hot favorite at 7 to 10, was second and Swaggerlator was third. The results follow:

First race, six furlongs, purse, $200, selling—Sainfox (Molesworth), 9 to 5, won; Tansy (Singleton), 4 to 1, second; Glover Kyle (Van Dusen), 7 to 2, third; time—1:17 2-5. Lady Box, Viat Moore and Carmel also ran.

Second race, five furlongs, purse $200, selling—Wistaria (Callahan), 4 to 1, won; Beaumont (Rooney) 7 to 2, second; Holton (Andrews), 12 to 1, third; time—1:02 1-5. Lillian, Mollie Montrose, Chalgate and Pelham also ran.

Third race, six furlongs, purse $250, selling—Ossian (Corey), 4 to 1, won; Banonica (Williams), even, second; Platoon (Fischer), 9 to 2, third; time—1:15 2-5. Rather Royal, No Quarter, East End and Snowball also ran.

Fourth race, one mile, purse—250, selling—Corrigan (Manders), 9 to 5, won; Steel (Selden), 2 to 1, second; Coppers (Kent), 8 to 5, third; time—1:43 2-5. Liberto and Copperfield also ran.

Fifth race, six furlongs, purse $200, selling—Jillett (Rooney), 6 to 5, won; Wildwood Bill (Manders), 5 to 2, second; Silver Leaf (Gaugel), 8 to 1, third; time—1:16 1-5. Hannibal Bey, Fauruss, Senator Barrett, Kate Carney and Roy Shumway also ran.

Sixth race, five and a half furlongs, purse $250, selling—Aunt Polly (Gaugel), 7 to 1, won; E. M. Fry (Van Dusen), 9 to 10, second; Swaggerlator (Morgan), 5 to 1, third; time—1:08 2-5. St. Joe, Ban Lady, Dr. Sherman, Wheatstone and Lake McCoy also ran.

The encounter will now take place at Walker's field next Monday at 6 p.m. The Salt Lake soccerites held a meeting Tuesday night and the following team was selected: Brown, goal; Donaldson and Grahame, backs; Cosh, Chapman and Adamson, halfbacks; Collins, Buchanan, Simpson, Ansell and Churchill, forwards. Reserves—Hyde, Montgomery, Burlington. A practise will be held at First avenue and A street Friday evening at 6:30, when the team will be pitted against the scrubs.

FALLS THIRTY FEET AND IS BADLY INJURED

Chicago, June 9.—Nicholas Chemalo, who loops the loop on a bicycle at an amusement park, gave the crowd an extra thrill last night when he fell 30 feet from the top of the big steel circle. He is now in the hospital with three broken fingers, a split knee cap and a deep gash in his chin. The mechanism of the structure is so arranged that when a rider whirls around the loop a door in the track at the bottom is automatically opened, through which he rides out of the circle. The device failed to work and consequently Chemalo started around the loop a second time but without momentum enough to carry him all the way.

When he was almost head down, he fell to the bottom of the loop and the wheel fell on him.

While seriously injured, it was said at the hospital today that Chemalo would probably recover.

MATCH FOR PAPKE.

Kansas City, June 8.—In Al Gorale, a Chicago fighter, Charles Welsh has finally landed an opponent for Billy Papke, who has been here a week waiting for a fight. The pair will battle here 10 rounds on June 14. They will meet at catch weights.

DIRECTORS CHOSEN BY SALT LAKE TEAM

Proposition Is Made to Sign Up Fast Men to Strengthen Lineup.

After the good start made by the Salt Lake team, the directors of the Salt Lake club held an enthusiastic meeting Wednesday night and talked over baseball matters. It is proposed to strengthen the team with a number of good players. The Salt Lake team is below the salary limit because the management did not have the funds to sign up additional players. The officers and directors elected last night were as follows: A. Y. Crabbe, president; Freeman Bassett, vice president; W. E. Shoppe, secretary and league director. The officers, with Frank Gawan and A. Dahlquist, make up the board of directors.

Salt Lake will meet Murray at the Smelter city Saturday and the Occidentals go to Ogden. For the next day's games, the Occidentals and Salt Lake will play on Walker's field and Murray will go to Ogden.

Manager Black of the Occidentals announced Wednesday night that Mooney, a southpaw pitcher, and Billy Lane, had arrived from San Francisco to join his team. These two players will strengthen his line-up considerably.

BOOSTERS' BASEBALL NINE SIGNS UP STAR PLAYERS

(Special to The News.)

Logan, June 9.—The Boosters baseball team of this city has at last got fairly on its feet, sufficient funds having been guaranteed to warrant the manager of the nine in getting a good battery, and going out for some good games. Pitcher Dell, who was with the Richmond team last year, and who left there some time ago for the Canadian league, has been wired and it is understood has accepted the offer made him to return and play with the Boosters. He is a good man and with him in the box the Boosters think they can safely tackle any of the teams of the state. It is likely that the Boosters may try to break into the state league if prospects continue to improve.

OVERALL OUT OF GAME.

Philadelphia, June 9.—Orvall Overall, pitcher for the Cubs, is out of the race for several weeks at least. Manager Chance last night sent him to Youngstown, Ohio, to consult with a physician regarding the condition of his injured shoulder. From there Overall will go to Chicago to await the coming of the team. Overall hurt his arm in Boston while pitching a curve.

STRIKE SETTLED.

Chicago, June 9.—The strike of structural steel workers at the Chicago American baseball park here was settled yesterday and it was announced that the opening of the improved park will take place July 1 as scheduled.

NEBRASKA WINS.

New York, June 9.—The men of the battleship Nebraska have again upheld their ship's reputation for athletic prowess by retaining the baseball championship against the latest challengers, the crew of the U. S. S. Hancock. They whipped the Hancock's crack nine yesterday by a score of 10 to 6. And the celebration of the victory will last a week.

Bill League, who played a great game in the navy football championship last fall, and who holds the middleweight championship of the navy, was the star batter of the Nebraska team.

DENVER BASEBALL TROUBLE.

Denver, June 9.—There is a chance that the Denver baseball team of the Western Baseball league will break up by noon today instead of going to Topeka as it is scheduled to do. Because of trouble over the discharge of Trainer Murbarger by J. F. Gunthorpe, part owner, President James C. McGill, according to The News today, notified Gunthorpe last night that the partnership would have to be dissolved by 10 a.m. today and offered to buy Gunthorpe out. Manager Hendricks is quoted as saying that unless the deal goes through he will leave for Chicago and that other players will go with him. McGill rescinded the discharge of Murbarger.

NEW RECORD GAME.

Worcester, Mass., June 8.—A new eastern record for a "no-hit no-run" game in baseball was made here today, it is claimed, when Harry Wormwood of the Fall River team of the New England league pitched for 11 innings against Worcester without allowing a hit or a run. Fall River won, 1 to 0.

The world's record for such a game is accredited to Pitcher Torrey of the Winchester (Ky.) team in the Bluegrass league, who on May 10, 1909, pitched 17 innings without allowing a hit or a run.

DOOIN SUSPENDED.

Philadelphia, June 8.—Shortstop Dooin of the Philadelphia Nationals has been suspended for three days. He was removed from yesterday's game with Chicago for disputing a decision by Umpire Emslie.

JEFFRIES IMPROVES WITH EVERY DAY

Big Boilermaker Is Cheerful and His Spirit Accomplishes Great Results.

Ben Lomond, Cal., June 9.—Critics who have followed Jeffries's training operations closely are of the opinion that the fighter has improved 50 per cent within the last two weeks, and they attribute his remarkable gain chiefly to the big fighter's recently acquired cheerfulness. His change of mood undoubtedly has stimulated his interest in the form of exercise that goes to make up the daily grind. This spirit to accomplish has wrought great results.

Jeffries himself is perfectly satisfied with his present condition and declares that if his battle with Johnson were but 10 days off he would be in perfect trim for the encounter.

"If I lose the American public will scarcely be able to find fault with the fight I made," he remarked last evening.

Jeffries would not make a prediction as to the duration of the conflict.

"Let the fight take care of itself," he said with a smile. "I only know this, that short fight or long fight, I will be prepared. Any one who thinks I am likely to tire easily is fooling himself. I could fight all day if necessary."

The open-air arena is now ready and if Jeffries does not again change his mind, he and Corbett will get together with the gloves some time today. Corbett says he is prepared for the series of bouts from which so much is expected in developing Jeffries's speed and rounding him out for the fight.

"I will go only a couple of rounds with him the first time," said Corbett, "for I will have to work myself gradually into shape. We will increase the number of rounds the oftener we don the mitts."

Jeffries is deriving much good from his daily wrestling bouts with Farmer Burns, and has mastered many of the mat tricks the veteran trainer has taught him.

OLD MEN WILL FIGHT FIRST PRELIMINARY

St. Louis, June 8.—Bill Clark, the "Belfast Chicken" of other fighting days, received an offer today from Billy Delaney of San Francisco to box a preliminary of four rounds at the Jeffries-Johnson fight. Clark is 54 years old. His opponent is to be Jem Mace, 79 years old.

Delaney offers each of the former pugilists his expenses to San Francisco and $50. Clark and Mace, according to Clark, had a rough fight in the Empire theater in New York back in the '70s.

GRANEY FOR REFEREE.

San Francisco, June 8.—Eddie Graney will referee the fight between Sam Langford and Al Kaufman in this city June 18. Graney was selected tonight at a meeting between Joe Wood, representing Langford; Bob Deady, Kaufman's representative, and Promoter Louis Blot.

FIGHT ON BOAT.

Evansville, Ind. June 8.—Ray Bronson of Indianapolis and Kid Dalton of St. Louis met tonight in a boat on the Ohio river, under the auspices of a local club, and Bronson won the fight in the fifth round.

COULON BEATS BURNS.

New York, June 8.—Johnnie Coulon of Chicago, champion bantamweight, had his revenge tonight for the beating he got some weeks ago from Frankie Burns of Jersey City.

The men fought 10 rounds and, although Burns was as fast and clever as ever, Coulon outgamed and outfought him.

YOKEL MAKES SHORT WORK OF BUZUKOS

In Less Than Three Minutes, Greek Is Pinned to Mat for Four Falls.

In two minutes and seventeen seconds of actual wrestling, Mike Yokel, world's welterweight champion, won his handicap match from Peter Buzukos, the Greek, gaining four falls, Wednesday night at the Salt Lake theater. While the main event was over in short order, the wrestling fans saw some of the cleverest and quickest work ever done on a mat. Yokel had to do some fast work to catch the Greek, but after he nailed him, Buzukos went to the mat as flat as a pancake.

When the wrestlers were introduced they received an ovation from the house, which was crowded. There were a number of women in the audience who seemed to enjoy the evening's entertainment. After the men shook hands, it was only 30 seconds until Buzukos was pinned to the mat with both shoulders. Yokel secured the head lock ans leg hold which the Greek was unable to shake. It took one minute for Yokel to get the second fall with a bar hold. Buzukos slipped away twice before Yokel could get him, the Greek playing on the defensive and never trying to catch hold on the champion. After the second fall, Buzukos asked for a three minute rest which was allowed. The third fall came as the result of a crotch hold and a leg lock. Before the Greek went down he executed a head spin but Yokel nailed him easily and sent him to the mat. The Greek whirled and tried to get away when the men met for the fourth time after a 10-minute rest, which Buzukos asked for. Yokel picked him up off the floor and dumped him and then executed another crotch hold which brought the final fall.

F. E. Schefski refereed the main event and his work was good, while Willard Bean handled the two preliminary matches in a satisfactory manner. In the second preliminary the crowd was treated to an interesting event. Edward Ferguson of Ogden won in 25 minutes from Adolph Lindrous, a Finlander, but the latter made a hit with the crowd. He challenged Yokel to a match on the stage after the main event and the match will probably be arranged. Although Ferguson was about 40 pounds heavier than Lindrous, the Finn went after his man, never quitting for a minute. Ferguson was so much larger and stronger that Lindrous was unable to secure a hold that Ferguson could not break. Ferguson waited his chance and threw his opponent with a full Nelson.

Danny Keith won from Charlie Williams, which settled the long-disputed championship of the Salt Lake fire department. Keith secured both falls by the scissors, although he had to work hard.

KAUFMAN ARRIVES.

San Francisco, June 9.—Al Kaufman, who is soon to fight Sam Langford here, arrived from Harbin Springs yesterday and immediately took up his quarters at Jack Johnson's camp, where he will do his training. The advent of Kaufman means heavy work for Johnson, for during the next week or 10 days the two are expected to don the gloves often in heavy workouts together. The first bout is scheduled for next Saturday. The negro champion gave Kaufman a warm welcome, and he is vastly pleased over the prospect of lively sparring clashes with the brawny blacksmith.

Johnson seems to have forgotten all about his managerial troubles. Once more the "golden smile" is in evidence. He went about his work yesterday with a vim and vigor that delighted his trainers and he got through a surprising amount of exercise before the day was over.

WICK BLUE FLAME
Oil Cook-stove

has a Cabinet Top with shelf for keeping plates and food hot. Drop shelves for the coffee pot or saucepans, and nickeled towel racks.

It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove very attractive and invites cleanliness. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

CAUTIONARY NOTE: Be sure you get this stove—see that the name-plate reads "NEW PERFECTION."

Was it Insured?

Everybody asks this question after a fire. The next question, which is just as important, "What company?" nobody asks. The property owners of America pay annually $300,000,000 in premiums for fire insurance, but not one in ten knows even the name of the company whose policy may be his only asset in case of disaster. Do you know? If not, what an astonishing state of affairs for an enlightened business-like American citizen. If you do know the name of the company, what do you know of its standing or its reputation for fair dealing?

The Hartford Fire Insurance Company, of Hartford, Conn., for 100 years has paid promptly every just claim—in all, more than $130,000,000. When next you insure, get a "Hartford" policy.
