A WOMAN'S GREAT IDEA
is how to make herself attractive. But, without health, it is hard for her to be lovely in face, form or temper. A weak, sickly woman will be nervous and irritable. Constipation and Kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a boon to women who want health, beauty and friends. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure health, smooth, velvety skin, lovely complexion, good health. Try them. 50c at Z. C. M. I. Drug Dept., 112-114 Main St., Salt Lake City.

Bathing never better, Saltair.

Dr. George Weiler is now located in the Judge building, suite 406.

From that point, the command will hike to Dale Creek, 190 miles. The regiment made this same trip last year.

The car equipment consists of two standard Pullmans, 17 tourist sleepers, three baggage cars, two box cars, eight flat cars, seven stock cars and three mess cars, 42 cars in all. The train will run in four sections. At the Crow creek maneuvers there will be 5,000 regular troops, with the organized militia from Wyoming, Colorado and Utah.
