PROTEST MADE IN HILL CLIMB CONTEST

Judges Will Investigate Charges of Unfair Driving in Race for Newhouse Cup.

Charges of unfair driving will be investigated by the judges today as a result of the hill climb contest Saturday afternoon in which Frank Seifert won the Newhouse trophy in the eighth event, in a Stoddard H., owned by the Sharman Auto company. Seifert drove two cars in the race, a Stoudard and an Apperson Jack Rabbit. Before the race, the judges received word that the Apperson car would not be given a fair chance to win, and M. J. Cheesman, the owner, raised a protest after the race. Mr. Newhouse, the donor of the cup, acted as one of the judges, and a meeting will be called today and the charges investigated. With the Apperson, Seifert won in a previous race over the same course in 3 2-5 seconds faster time.

Outside of this race, the events in the hill climb Saturday were intensely interesting and keen rivalry existed between the owners. Several remarkable records were made over the course which is a mile in length up a stiff grade and around two sharp curves.

The Thomas, Vanderbilt cup-winning car made a fast mile over the course. With a flying start the car was piloted to the hill in a cloud of dust, the time being :56 2-5. The summary follows:

First event, for stock cars, $800 and under, full stock equipment except glass front, top and muffler, for Evening Telegram, cup—Won by Hupmobile (A. F. Savage) owned by White-Savage company; time—2:26 2-5.

Second event, stock cars, $1,200 and under, full stock equipment except glass front, top and muffler, for Evening Telegram, cup—Won by Ford (H. Kessler) owned by Meredith Auto company; time—1:48 2-5.

Third event, for stock cars, $1,600 and under, full stock equipment except glass front, top and muffler, for Evening Telegram cup—Won by Buick 16 (W. F. Dodd) owned by Randall-Dodd Automobile company; time—1:31 2-5.

Fourth event, for stock cars, $3,000 and under, stripped, for Evening Telegram cup—Won by Stoddard 50 (Frank Siefert) owned by Sharman Auto company; time—1:11 2-5.

OCCIDENTALS FORFEIT GAME TO ORPHANS

UTAH STATE LEAGUE.

Umpire's Decision Causes Dispute and Manager Black Calls Team Off Field.

	W.	L.	Pct.
Murray	14	4	.778
Ogden	9	9	.500
Occidentals	9	9	.500
Salt Lake	4	14	.222

In the second inning when Umpire White called Costello safe at third, Manager Frank Black of the Occidentals called his team off the diamond at Walker's field and the game was forfeited to Salt Lake by a score of 9 to 0. After the dispute was settled by declaring the game won by Salt Lake, the Occidentals went back on the field to give the baseball fans a run for their money. The final score was 8 to 3 in favor of the Occidentals, in the exhibition game.

Costello was attempting to sneak to third base when Mooney, the colored pitcher, discovered him. He whipped the ball to third and by a clever slide, Costello reached the sack without being touched in the opinion of the umpire. Manager Black became abusive and Umpire White fined him $5 and ruled him off the field. For that Black called his team off. The score stood 1 to 1 when the game was forfeited.

Williams played a big league game of ball and with better support should have won. He allowed but five hits and fanned half a dozen men. Mooney pitched a steady game striking out 10 Salt Lakers. The score:

LEADING TENNIS PLAYERS HAVING HARD LUCK

New York, Aug. 1.—Tennis enthusiasts in this city are wondering what the outcome will be of the thirtieth national tournament, to be held at Newport, this month, in view of the physical disabilities which have overtaken leading players. William A. Larned, the national champion, hurt a tendon in his leg in the semi-final match for the Metropolitan championship lately and it is feared that this accident may seriously handicap him if he should have to play strenuously at Newport. William J. Clothier, the ex-national champion, has just recovered from an attack of typhoid fever; Gustave F. Touchard, who began the season so brilliantly, is threatened with appendicitis, and it is said that Maurice E. McLoughlin, the young and dashing California player, finds himself affected by the humid weather on the coast.

DE ROSIER BREAKS MOTORDROME RECORD

Comes Within Three-Fifths of Second Of Lowering World's Record For Mile.

Jake DeRosier made a remarkable ride after a world's record at the motordrome Saturday night but missed it by three-fifths of a second. He clipped off a fifth of a second off the track record going the mile in 43 2-5 seconds. DeRosier also went after the half-mile record but the timers failed to connect up with the cam piston, which was pulled about five seconds late so the trial was declared off.

Three thousand people saw the races which furnished some excitement. DeRosier beat Kettle in the match race in straight heats. Kettle rode a game race and showed some nerve in his effort to pull up to DeRosier but the latter showed his championship form.

Seymour, Blake and Ward went a five-mile race, which brought the spectators to their feet. Seymour won but the other two riders were not a wheel length behind at the tape.

The Samuelson brothers shewed more speed than ever before in the Saturday night races. They alternated in two events, taking first and second place. Billy Samuelson carried off the 10-mile professional and his brother second.

THROW PROVES FATAL.

Pittsburg, Pa., Aug. 1.—Harry Coleman broke his cousin's neck in a wrestling bout and is in jail awaiting hearing on a formal charge of murder. The cousin, Joseph Smith, died yesterday after lying unconscious 10 days. The two are said to have been fast friends, but always disputed each other's prowess. It is expected that Coleman will be released after a hearing.

WILL QUIT RACING.

New York, Aug. 1.—It is understood that Louis Chevrolet, who is ranked as one of the best and most daring drivers of racing automobiles in the world, soon is to end his racing career and that he will devote himself to the factory of the firm, which has employed him on the automobile track. It is said that this change will take place immediately after the Vanderbilt cup race this fall.

Chevrolet is a native of Switzerland and invaded the American motor speedways only three years ago. His first job was leading a blind man in his native country. This man owned a motor trieycle, but he could not use it and gave it to Chevrolet. This launched him on his automobile career.
