VALUABLE FARM

FOR SALE.

BEING DESIROUS OF MOVING West, I offer for sale my Farm lying, three miles east of Cleveland, the County seat of Bradley county, one of the most pleasant and prosperous towns in East Tennessee, on the E. T. & Ga. Railroad. The Farm contains about 200 acres, well watered—eighty acres of which is in good state of cultivation—the rest is well timbered. The buildings are good—consisting of a dwelling house, smoke house, stable, corn-house, &c. The land is one of the healthiest in the South-West, and is supplied with water by one of the best springs that ever issued out of the ground, within fifty yards of the kitchen door; half the cleared land is not in clover, and produces abundantly. The above desirable Farm will be sold on reasonable terms, as I am anxious to go west.

For further particulars, address the undersigned, Cleveland, E. Tennessee.
