TO THOSE WHO REQUIRE PROOF!

Smelling of the Blood, Sore Eyes, Sore Throat, very Indigestion Cough, cured by Radway's Ready Relief.

JACKSONVILLE, Florida, April 19, 1860.

DR. RADWAY—Dear Sir: I was afflicted with the rheumatism so much so that I could hardly set up in bed. I tried a bottle of RADWAY'S READY RELIEF, and bathed my limbs with it—in TWENTY MINUTES the swelling was entirely gone and my limbs cured. At the same time I had VERY SORE EYES, and after I had rubbed with the Ready Relief, some of it accidentally got in them. My eyes got well immediately. I was likewise affected with a very dangerous Cough, that resisted all medicine, until I used your Ready Relief, a few doses of which have cured me.

Respectfully yours,
SAMUEL J. ASHTON.

SICK FOR THIRTEEN YEARS.

SUPERIORITY OF RADWAY'S READY RELIEF AND PILLS TO ALL OTHER SYSTEMS OF MEDICATION POSITIVELY ESTABLISHED.

Let those who doubt read the following letter from Mr. Joseph Stearns, a respectable citizen of Quincy, Illinois.

QUINCY, Ill., May 1860.

DR. RADWAY & Co.—I became diseased thirteen years ago, and have been diseased ever since. I have dosed with the best Physicians in this place, but I have grown worse under their treatment. I have tried a variety of the popular advertised remedies, with no better success. Nothing, no nothing did me any good until I tried

RADWAY'S READY RELIEF.

Then, for the first time in thirteen long years of anguish, sickness and disease, I felt some comfort, and refreshing information left me, and I was again able to enjoy life. My disease was all over my body and throughout my system. Doctors called it by different names. I was tetter, eryspelas, blotch and scrofula, and I had sought relief in all my limbs, handsches, pains in the stomach after eating, could not sleep well, nor do anything like a healthy man should do; in fact, I was miserable. With the Ready Relief I took

RADWAY'S REGULATING PILLS

AND

RENOVATING RESOLVENT.

All my pains and aches have left me; my sores are healed, my blood is pure. I can sleep well, and feel as vigorous, strong and healthy as any man alive.

SCROFULA CURED.

ISAAC PITTS, Esq., Drayton, Ills., testifies:

"Three years ago I had a Negro girl, twenty-five years old, taken sick with SCROFULA. Tried to heal the girl. I sent her up to my daughter, to be under the treatment of Dr. Williams, in Henry County, who enjoys a great reputation in curing chronic diseases. The girl returned home for three months, without derriving any benefit; in fact, she grew worse all the time. And I had to send for her home. When she returned, her Breast, Neck and Arms were covered with Running Sores. She was weak and could scarcely walk—she had to use crutches to assist her. I was advised by Mr. Oliver, of this place, to use RADWAY'S RENOVATING RESOLVENT and REGULATING PILLS. Three months sufficed to restore her to health. She is now as well as she was before she was taken sick."

"Mrs. Tyson, who lives within five miles of this place, had a Negro girl suffering worse than mine from the same disease. Her mother-in-law recommended her (knowing the efficacy of your valuable Medicines) to try them. You may publish this for the benefit of others."

PILLS! PILLS! PILLS!

RADWAY'S REGULATING PILLS.

In fifteen minutes after a dose of these active and thorough Pills are taken, no matter what may be the character of the disease, either Fever, Inflammation or Congestion, the malady will be arrested in its progress, and the patient will find immediate relief.

CAUSE OF DEATH.

Death in all acute and inflammatory diseases—of the Liver, Bowels, Stomach, Brain, Lungs, and in malignant mucous—occurs from the length of time it takes for the medication of the regular practitioner to act. Now, this great difficulty is averted by Radway's Regulating Pills—for in fifteen minutes after a dose is taken, they attack the progress of the most violent diseases, and to establish safety and health.
