MOFFAT'S

LIFE PILLS AND FENIX BITTERS.

THESE MEDICINES HAVE NOW BEEN BEFORE THE PUBLIC FOR MANY YEARS, during which period no medicines have met with such unbounded success, or have so many instances been recorded of their curing when all other means had failed to produce any effect. The following are some of the complaints for which these Medicines are a safe and certain remedy:

VEGETABLE LIFE MEDICINES

DYSPEPSIA, in the worst form, is cured by these Medicines. They gently stimulate the liver, and regulate the bowels, when all other aperients have failed to produce any effect. They purify the blood, and by their invigorating tonic power restore the wasted energies of the system. Dyspeptics will find these Medicines a most valuable remedy.

FEVERS of all kinds, by reducing the blood to a healthy state, through the process of perspiration, are cured in a few days by these Medicines, which are the most powerful and yet safest aperients that can be administered to the sick.

COSTIVENESS, by giving the entire length of the bowels a thorough cleansing, and restoring to healthy action those parts from the long continued use of other aperients, which have rendered them inert, is effectually cured by these Medicines.

FLATULENCY, Loss of Appetite, Nausea, Nervous Headache, Giddiness, Palpitation of the Heart, Pain in the Side, Back, and Limbs, Drowsiness, Cold Chills, Flushings of Heat, Horrid Dreams, Nightmare, and all Nervous Complaints, are the general symptoms of Dyspepsia, or Costiveness, which these Medicines are a certain remedy for the worst cases of.

COLIC, Spasms, and Inward Weakness, by their gentle operation on the bowels, are speedily cured by these Medicines.

WORMS, by dislodging from the intestines of the human subject the various species of worms to which it is subject, these Medicines are a certain remedy for the worst cases of this description.

DROPSY, LOSS OF FLESH, and INTERMITTENT FEVERS, by the perfect purity which these LIFE MEDICINES give to the blood and all the humors.

SCURVY, BLOTCHES, ERUPTIONS, and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all unsightly complaints, such as pimples, scurvy, blotchy, and other disagreeable complaints.

The use of these Pills for a very short time will effect a complete cure of SALT RHEUM and a healthy improvement in the complexion of the skin. COMMON COLDS and INFLUENZAS will always be cured by taking a dose or two of these medicines.

FOGGS.—The original proprietor of these Medicines was cured of Fogs, of 15 years standing, by the use of the LIFE MEDICINES alone.

FEVER AND AGUE.—In this country of the Western territory these Medicines will be found a sure, speedy, and certain remedy. Other medicines have the same recommendation, but the Proprietor feels a certainty in saying that to those who try these Medicines they will be found to be SATISFACTORY AND BE CURED.

STOMACH FEVERS AND LIVER COMPLAINTS.—Persons troubled with these complaints have tried every description of Medicine, without finding any effectual relief, but these Medicines have been used with the most beneficial results in cases of this description. Numerous testimonials from persons in the vicinity of the Proprietor, testifying to the astonishing effects of these Medicines in cases of Dyspepsia or Liver Complaint, Costiveness, Pain in the Side, Back, and Limbs, Loss of Appetite, Nausea, Drowsiness, Coldness of the Feet, Nervous Headache, Palpitation of the Heart, Flushings of Heat, Horrid Dreams, Nightmare, and Cold Chills, may be seen at the Proprietor's office.

STRUCTURAL DISEASES.—Persons who have tried every other means without effect, and who have given up all hopes of a cure, will find these Medicines a perfect cure, as they act effectually on the system, all the effects of Mercury, infinitely sooner than the most potent preparations of Mercury.

EAST TENNESSEE

FEMALE INSTITUTE,

KNOXVILLE, TENNESSEE.

THE SPRING SESSION OF THIS Institute will open on Monday the 4th day of February next.

Mrs. Mary A. Stockton, formerly of Virginia, will take charge of the Preparatory Department.

The Establishment is an incorporated body, of mature and steady character, in business, and will continue to give an adequate degree of satisfaction to the patronizing of the Institute. Reference may be made to the Lady Principal, Mrs. Thomas W. Hooch, of this city, and to Dr. S. G. Cunningham, former President of E. Tenn. & Virginia Rail Road.

The Music department will continue under the care of Miss Anna A. Hayes, whose superior advantages as a cultivated and tasteful performer, and teacher of Music, Instrumental and vocal, are already known to our patronizing community.

The Principal, with an unblemished experience of more than fifteen years teaching, chiefly devoted to the public Schools of Knoxville, and under the notice of its citizens, need offer no new pledge or assurance as to the manner in which he will discharge what seems to be his duties. Unanimously opposed from principle to all fictitious and merely popularizing expedients in behalf of Education and Religion, even when circumstances would seem to render them necessary in general success, we only commend the E. T. F. Institute to our patrons, and the public, in so far as it seems to be a public interest, worthy of their hedging regard.

Terms of admission as heretofore, viz:

Tuition in Advance,

Primary Department per term		$10 00
Intermediate " "		15 00
Collegiate " "		20 00
Music, Piano, " "		20 00

We are gratified to be able to announce that Miss E. Stockton already so favorably known to our community as a Teacher, will take charge of the department of French, and the Ornamental branches of Drawing, Painting, Embroidery, &c., at the opening of the session.

THE PUREST MEDICAL AGENT ever known, has furnished the community a stimulant, pure, healthful and invigorating, at the same time a mild delicious beverage. In addition to the certificates here with, he has received a Diploma from the DEATH ADMINISTRAT, NOTTOTT and additional testimony from Dr. Jackson, of Boston, who testifies under oath to its absolute purity.

CERTIFICATES.

PHILADELPHIA, Sept. 9, '58.

We have carefully tested the sample of Chestnut Grove Whiskey you sent us, and find that it contains none of the Poisonous Substance known as Fusel Oil, which is the characteristic and injurious ingredient of the Whiskies in general use.

BOUR, GARRET & CAMAC, Analytical Chemists.

NEW YORK, Sept. 5, 1858.

I have analyzed a sample of Chestnut Grove Whiskey, received from Mr. Charles Wharton, Jr., of Philadelphia and have carefully tested it. I am pleased to state that it is entirely free from poisonous or deleterious substances. It is an unusually pure and fine flavored quality of whiskey.

JAMES R. CHILTON, Analytical Chemist.

BOSTON, March 1, 1860.

I have made a chemical analysis of unmerchantable Chestnut Grove Whiskey, which proves to be free from the heavy Fusel Oils, and perfectly pure and unadulterated. The fine flavor of the Whiskey is derived from the Grain used in manufacturing it.

CHILDREN TEETHING

MRS. WINSLOW,

AN EXPERIENCED NURSE AND FEMALE Physician, presents to the attention of mothers her

SOOTHING SIRUP,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is sure to regulate the Bowels. Depend upon it mothers, it will give rest to yourselves, and health to your Infants.

We have just put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT PROVED INJURIOUS, NEVER HAS IT FAILED IN EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary all were delighted with its operation, and testified to its virtues in the highest commendation of its magical effects and medicinal virtues. We speak in this matter of "WHAT WE DO KNOW," after long years of trial, and PLEASED AND ENJOYED THE REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in from an hour to twenty minutes after the Sirup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER-FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

Griping in the Bowels and Wind Colic,

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST AND SURE REMEDY in the world, in all cases of Dysentery, and Diarrhœa in Children, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—Do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure, yea, Absolutely Sure—to follow the use according to directions. Full directions for using will accompany each bottle. Sale genuine unless the fac simile of CURTIS & PERKINS, New York, is on the outside wrapper.
