The following are among the distressing variety of human diseases in which the

VEGETABLE LIFE MEDICINES

Are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind. FEMALE DELICACY, loss of Appetite, Hypochondria, Hysterics, Irritability, Nervous Debility, Languor, Lassitude, and Melancholy, which are the general symptoms of Dyspepsia, will vanish as a natural consequence of its cure.

CONSTIPATION, by clearing the whole length of the alimentary with a mild process, and without the bitter, all violent purges leave the bowels weaker within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough secretion of all infectious humours in others.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the joints by means of Diaphoresis of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of DRAWS.

The WORMS, by dislodging from the intestines of the animals the slimy matter in which these creatures are born.

SCURVY, ULCERS, and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood and all the humours.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their stimulative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these Medicines was cured of Piles of 30 years standing by the use of the LIFE MEDICINES alone.

FEVER AND AGUE.—For this scourge of the Western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—Ague by these Medicines is permanently—TRY THEM, BE SATISFIED, AND BE CURED.
