l, and made examples to others. It is a villainous outrage, thus to treat unoffending citizens, simply because they have acted and voted with the Union party.

Since writing the foregoing, we have been told that Gen. CASWELL has acted promptly in this matter, and turned over the offenders to the civil authorities, for trial, or proposed to court-martial them, as may be desired.

The Late Freshet.

The recent Freshet turns out to have been more destructive than was supposed—more so than any Freshet this country has experienced in the last forty years. The rise was sudden, and unprecedented, in Chucky, French Broad, Watauga, and Holston Rivers—carrying by this point, corn, fodder, oats, pumpkins, fence-rails, mills, stables, and all manner of farm buildings, including some dwelling houses.—Bridges were carried away, in great numbers, and great damage was done to the crops of corn.

CLUB RATES OF THE PAPER.

Rare Inducements to Subscribers and Agents.

The undersigned, sole Editor and Publisher of the KNOXVILLE WHIG, takes pleasure in saying that he has not suspended publication, as announced in various Southern papers! The *Tri-Weekly* has been suspended, but the *Weekly* has not and will not stop its visits to subscribers. We have a list of 7,500 subscribers, greater than the other six East Tennessee papers all put together. This list we desire to DOUBLE, and in order to induce the friends of an independent paper to sustain it, we have adopted the following

Club Rates of the Weekly:

One copy one year, (in advance)	.....	$ 2 00
Three copies, one year "	.....	5 00
Five copies one year, "	.....	8 00
Seven copies one year, "	.....	11 00
Ten copies one year, "	.....	15 00
Twenty copies one year, "	.....	28 00

And as PRESIDENT DAVIS remarked to several gentlemen recently, in a conversation relative to this paper, that he would not live under a Government that did not tolerate FREEDOM OF THE PRESS, he will feel bound to see that it is transmitted by his mails, its subscribers paying postage like other men.

Certificate of Twenty-eight Year's use.

NEWCASTLE, WESTCHESTER COUNTY, N. Y., August 11, 1860.

DR. B. BRANDRETH:—

My Dear Sir—I am now nearly nine years old, and for the last twenty-eight years have been a constant user of your Vegetable Universal Pills when sick, fully realizing the advantage of enforcing purgation with medicine which, while harmless in its nature, removes all impurities. I can safely say that the vigorous old age I now enjoy has been caused mainly by the timely use of Brandreth's Pills. I have had in these last twenty-eight years several fits of sickness, and occasionally some infirmity of age would press upon me. At these times I have always found your pills a sure remedy, giving me not only health but strength. I consider them, not only invaluable as a purgative, but also as a tonic. I have never during these last twenty-eight years used any other medicine whatever, being convinced, by experience, that none was so good. Brandreth's Pills have also been freely used by my neighbors in every kind of sickness and have been never known to fail when properly administered.

Yours truly, NATHANIEL HYATT.

Price 25 cents per box. Sold by Dr. JOHN JACKSON, Knoxville, Tenn., and by all respectable dealers in medicine. (sep14-1m

PERSONS afflicted with the Fever and Ague, should not spare either time, trouble or expense, to procure Dr. Hostetter's Celebrated Bitters, whose beneficent effects upon the system has been clearly proved to those who have been stricken down for a short space of time by this dreadful curse, whose cheeks are wan and meagre, and whose nights are sleepless and restless, and whose eyes are dim and sunken, with death staring them in the face, this compound must prove a blessing, snatching them, as it were, from the mouth of the grave. None can know its true value until they have tested it. While all others have failed, these Bitters have restored the sufferer to pristine health. Their popularity in all the western and southern parts should introduce them to all families.

EAST TENNESSEE

FEMALE INSTITUTE.

KNOXVILLE, TENNESSEE.

THE FALL SESSION OF THE Institute will begin on Thursday the 5th day of September, 1861, under the following Board of Instruction:

R. L. KIRKPATRICK, A. M., Principal.
MRS. M. A. RICHARDSON, Academic Department.
MISS KATE WHITE, Primary Department.
MISS E. STERCHI, Ornamental Department and Modern Languages.
MRS. V. A. WICKS, Department of Instrumental and Vocal Music.

In again presenting the claims of the Institute to a kind regard and patronage of our citizens and the public, the Principal feels justified in announcing that he has secured as his assistants in the several Departments, a corps of Teachers unsurpassed any where for thoroughness and efficiency in the work of instruction and discipline. They have all been tested and approved by ample experience.

Miss Kate White will have charge of the Primary Department.—and will make it a School of very superior interest and advantages for small girls. In addition to the elementary branches usually taught in such departments, Miss White will give regular instruction in plain sewing to those pupils whose parents may desire it. No additional charge will be made for such instruction. Miss Sterchi will also give to the pupils of this department, without charge, short oral lessons in French twice a week, thus teaching them the names and pronunciation of familiar objects, &c. We are thus authorized to promise our young friends of the primary department a very pleasant and profitable time of it.

The Academic Department will continue to be under the care of Mrs. Richardson whose efforts have given a high and justly deserved degree of satisfaction in her connection with the Institute. The Academic studies include reading, writing, English Grammar, Arithmetic, advanced Geography, History, Webster's Dictionary, &c.

The Principal having under his general superintendence all the departments of the Institute, will give his special attention to the Collegiate Classes. These are four in number embracing the study of Languages, Mathematics, the Natural Sciences and Intellectual and Moral Philosophy.

Miss E. Sterchi will continue in charge of the department of Modern Languages and the ornamental branches comprising French, German, Drawing and Painting of various styles, and the different varieties of embroidery and other ornamental work.

The Department of Music, instrumental and vocal, will be under the care of Mrs. V. A. Wicks, formerly of Athens, Tenn. Mrs. Wicks is an experienced and successful teacher. Her course of instruction will include lessons on the Piano and Guitar and in Vocal Music.

DISCIPLINE.

The system of discipline required throughout the several departments of the Institute, will be uniformly mild and gentle, but of the most thorough and salutary kind. The pupils will at all times be under the kind and watchful supervision of the teachers, one or more of whom will always be at the Institute from the opening to the close hours of school. The several recitation rooms will at all times during school hours, be open to visitation from parents, who are hereby earnestly solicited to visit classes reciting frequently; as we think this will give them a much juster idea of the proficiency of their daughters than can be given by the more formal examination at the close of the Session.

TUITION IN ADVANCE.

The charge for tuition will continue as heretofore:
