Str Windber, San Francisco.

Sailed 24th, str Franklin, Norfolk.

The corrected reading of the barometer (reduced to sea level) at New York on Friday, Feb 25, 1921, at 8 AM, as reported by the United States Weather Bureau, was thirty and one hundredth (30.01) inches. This closely approximates seven hundred and sixty-two and two-tenths (762.2) millimeters. Captains of all vessels now lying in or near the ports of New York and Brooklyn can advantageously use the above official data for observing whether their own barometers require any considerable correction or adjustment.

Wind at Sandy Hook, 8 PM, NW, 23 miles; cloudy; moderate sea.

FOREIGN WEATHER CABLEGRAMS.

CAPE RACE, NF, Feb 25—Barometer at noon, 29.48 inches; wind, W, fresh breeze; weather, fine; temperature, 41 deg Fahr; coast packed with ice.

MARITIME MISCELLANY.

Six steamers owned by the United States Shipping Board and aggregating 65,450 gross tons lying idle in New York will be towed to the Hog Island shipyard next week for storage until disposed of by the government. Three of the ships are former German liners—the Baron von Steuben, ex-Kronprinz Wilhelm; Nansemond, ex-Pennsylvania, and the Mercury, ex-Barbarossa—which served as army transports during the war. The others are the Marcia, South Bend and Edelyn, American built steamships.

Str Aeolus, of the Munson Line, which arrived at Rio Janeiro from New York on Feb 22, made the passage in 13 days 18 hours and 46 minutes, thereby establishing a record between these two ports. Str Huron, on her last downward trip, made the voyage in three hours longer time than the Aeolus.

A fire occurred yesterday in forward hold of str Antigone, lying at Roach's pier 51, but was extinguished before much damage was done to the steamer.

Capt H P Spinney of str Lake Ledan, from St Thomas Feb 11 for New York, died on Feb 15 of heart disease. The body was landed at Bermuda for burial. Capt Spinney resided in New York and was 41 years old. Chief Officer Hudgins brought the steamer to port.

BERMUDA, Feb 19—Str Liberty Land, Liverpool for New Orleans, arrived here today in tow of str Sapinero.

BOSTON, Feb 24—The United States District Court in Philadelphia ordered the sale of the coal on board the former Boston owned strs Bethlehem and Northern Wave, amounting to approximately 5,000 tons, and the United States Marshal will conduct the sale Feb 28. The vessels will be sold later.

LONDON, Feb 24—Str Tonesti, from Aarhuus for Copenhagen, in ballast, before reported ashore, got off with assistance from a Svitzer steamer and put into Landscrona for repairs.
