TOBACCO PRODUCTS GOLD NOTES SOLD

Guaranty Co. Will Offer Sinking Fund Issue To-day to Yield 7 Per Cent.

The Tobacco Products Corporation has sold $4,000,000 of its ten year sinking fund 7 per cent. gold notes to the Guaranty Company of New York, which will offer the notes to-day at 100 and accrued interest, to yield 7 per cent. A sinking fund, payable to the Guaranty Trust Company of New York as trustee, is provided to retire one-half of the issue by maturity. The notes are redeemable at the option of the corporation at 110 the first year, the premium decreasing 1 per cent. annually thereafter.

The new financing is to provide funds to pay interest bearing scrip and current indebtedness. Net profits of the corporation after taxes increased from $1,571,961 in 1916 to $2,411,094 in 1920. For the first ten months of 1921 the net profits have been at a rate approximating those of 1920.

Tobacco Products Corporation manufactures cigarettes and smoking tobacco, including Melachrino, Herbert Tareyton and Natural cigarettes and Serene Mixture. It markets ZigZag cigarette papers in the United States and owns a substantial interest in Stephano Brothers, Inc., manufacturers of Rameses cigarettes.

Arizona County Bonds.

The high bids either as 5½ per cents or 6 per cents for $4,500,000 Maricopa county, Arizona, twenty-one and one-third year average highway bonds were made by a syndicate headed by the Harris Trust and Savings Bank of Chicago. At a late hour yesterday Harris, Forbes & Co. had not heard whether the award would be for the 5½ per cent. coupon or the 6 per cent. one. Associated with the bank were W. R. Compton Company, the Northern Trust Company of Chicago, the Union Trust Company of Spokane and the Bankers Trust Company of Denver.

$2,722,100 Car Trusts Sold.

Special Despatch to THE NEW YORK HERALD.

WASHINGTON, Dec. 9.—Eastern and Western interests were buyers of the bulk of to-day's sales of railroad equipment trust certificates, sold by the Director-General of Railroads. The sales, announced by the War Finance Corporation, through which they were negotiated, totalled $2,722,100 and were at par plus accrued interest. The buyers were Alfred Borden and Farmers Loan and Trust Company, New York, $474,600 of Fort Worth and Denver City; Robinson & Co., New York, $966,000 of Kanawha and Michigan Railway; the Fifth Third National Bank of Cincinnati and Potter Bros. & Co., New York, $332,800 of Cincinnati, New Orleans and Texas Pacific; Cassatt & Co., $473,400 of Atlantic Coast Line and Texas Pacific; $473,400 of Atlantic Coast Line and Louisville and Nashville, lessees of Georgia, and $426,300 of Atlantic Coast Line.

The sales announced to-day increased the amount thus far sold to $135,632,700.

An Uninteresting Market.

The bond market yesterday was again devoid of interesting features and its prices fluctuated irregularly and in a narrow range. With the exception of Victory issues United States war bonds were under pressure and receded further. In the foreign bond group United Kingdom issues were the most active and held steady around their high prices of this movement. Gains and losses were fairly evenly divided in the railroad list. Chesapeake and Ohio convertible 4½s were strong, while Missouri Pacific general 4s were weak. Industrial bonds were steady to firm, with certain issues, such as Cerro de Pasco 8s displaying strength. International Mercantile Marine 6s opened at 91 and declined to 90. Local traction bonds were heavy.

What Are Gold Bonds?

A bond with the term gold appearing in its title must be paid in United States gold coin of present standard of weight and fineness. Some bonds specify that payment is to be made in currency and others in lawful money.

MILAN LOAN PLAN APPROVED.

WALL STREET BOMB SUSPECT HAS ALIBI

Mike Stine's Story Impresses Omaha Chief.

OMAHA, Dec. 9. — Mike Stine, a wrestler, arrested here last night as a suspect in connection with the Wall street explosion on September 16, 1920, to-day established what Charles Van Deusen, Omaha detective chief, said he considered as a "pretty good" alibi.

Stine, a native of Bulgaria, was identified by many persons as a participant in wrestling contests held here a short time after the New York explosion. He told the detective chief of a disturbance which resulted from the wrestling match, and the officer said he recalled that he was one of a number of police who had quelled the trouble.

Referring to the match, Stine said the crowd "got sore and began to throw eggs and other things at me."

"That's enough," Detective Chief Van Deusen told the prisoner. "This is the place where I stepped in. I went in there and kept that crowd from beating you up."

TEN DAY RECESS SOUGHT.

House Leaders Suggest Adjournment December 22 or 23.

WASHINGTON, Dec. 9.—House leaders are looking forward to a Congressional recess of at least ten days over the Christmas holidays, Representative Mondell, Republican leader, said to-day. If it was agreeable to the Senate both houses would adjourn December 22 or 23 until January 2 or 3.

Last year Congress took a three day recess over Christmas, then came back for a couple of days before recessing again for three days over New Year's.
