IF YOU are planning to escape the cold months of winter by a trip to the Far East, send the information blank below and learn about the famous "Sunshine Belt to The Orient." You should know about the swift, luxurious U.S. Government ships, operated by the Pacific Mail Steamship Co.

You enjoy yourself ashore without encountering the annoyances and over-crowded hotels which are to be expected at the height of the traveling season. You reach Europe in the spring when you may do all the things discriminating travelers want to do before returning to America. Furthermore, by going on a Raymond-Whitcomb Cruise you have the assistance of "travel experts" who are wholly American and are particularly appreciative of the way discriminating Americans like to travel. *It is an indescribable pleasure to travel to distant lands and strange countries and still find American coffee on your breakfast table*
