DUTCH EAST INDIES TO GET FUNDS HERE

New $25,000,000 Loan, to Be Offered, Will Bear 6 P. C., It Is Believed.

Foremost among the new foreign loans to be offered here when the investment situation improves probably will be a $25,000,000 issue of Dutch East Indies bonds, it was learned yesterday. The Dutch colony already has sold $100,000,000 of bonds in this country since December of last year. The Kingdom of the Netherlands has approved of the policy of the East Indies being financed abroad, it is said, which leaves the mother country free to use its funds for internal developments.

It is believed that the new Dutch East Indies bonds, when issued, will bear a 6 per cent. coupon, the same as the previous issue. Bonds of previous Dutch East Indies external loans listed on the New York Stock Exchange at present are quoted at prices to yield about 6½ per cent.

The two former loans to the Dutch East Indies were underwritten by a syndicate headed by the Guaranty Company, and included Harris, Forbes & Co.; Bankers Trust Company; Lee, Higginson & Co.; Kidder, Peabody & Co.; Union Trust Company; Pittsburgh, Continental and Commercial Trust and Savings Bank and the Illinois Trust and Savings Bank, Chicago and Union Trust Company, Cleveland.

The first Dutch East Indies loan, $40,000,000 twenty-five year external gold 6s, dated January 1, 1922, and due January 1, 1947, was offered at 94½ last December. That loan was followed in March of this year by another of $40,000,000 forty year external sinking fund gold 6s, dated March 1, 1922, and due March 1, 1962, offered at 94¾. In April last the remaining $20,000,000 of the forty year 6s were offered at 96½.

BOND NEWS AND NOTES.

There was little interest in yesterday's bond market, price changes being mostly fractional and largely due to professional operations. The United States Government list was narrow and at the close prices were a few cents higher to a few lower, with the Treasury 4¼s around 99.50, or unchanged from Saturday. Foreign issues were steady with the exception of Jugoslav 8s on the curb, which fell sharply on reports that the syndicate had withdrawn its support. British obligations were firm in sympathy with the strength of sterling. The domestic railroad list had some fairly strong spots. Most gilt-edged bonds were quiet and little changed. The traction list was dull. Industrials were neglected. The day's total turnover fell short of $9,000,000.

Offer Electric Bonds.

Spencer Trask & Co. and Blyth, Witter & Co. are offering at 98 and interest, to yield about 6.15 per cent, the $1,500,000 6 per cent first lien gold bonds, series "B," of the Nevada-California Electric Corporation.

$1,073,500 Mortgage Certificate.

The Lawyers Mortgage Company is offering three new issues of guaranteed first mortgage certificates on New York City properties, netting 5 per cent for five years, and legal for trustees, consisting of $239,750 issue secured by property at 605 to 609 West 114th street, $383,750 issue secured by property at 91st street and Central Park West and $400,000 issue secured by property at Amsterdam avenue and West 92nd street.

N. Y. Central Equipments.

The Guaranty Trust Company of New York will be prepared on Thursday and thereafter to exchange permanent certificates for outstanding temporary certificates in the principal amount of $27,645,000 of the New York Central line's 5 per cent equipment trust gold certificates, bearing date of June 1, 1922.

To Redeem 6 P. C. Notes.

The Western States Gas & Electric Company has called for redemption all of its outstanding issue of ten-year 6 per cent gold notes, maturing February 1, 1927. Payment will be made at the Guaranty Trust Company. The notes are callable at 101 and interest up to February 1, 1925, under terms of the indenture.

Erie Railroad Equipments.

The Erie Railroad asked the Interstate Commerce Commission yesterday for permission to assume obligation for the payment of interest and principal in the amount of equipment trust certificates, $2,800,000 of which will be sold at a 5 per cent. interest rate, are intended to raise funds for new freight cars and locomotives.

U. S. CERTIFICATES AND NOTES.

The Treasury Department offers to redeem United States Treasury 3½ per cent. and 4¼ per cent. certificates, due December 15, 1922, and Victory 4¾ per cent. notes called for payment December 15, 1922, at 100 and interest at any time before maturity.
