DR. SPENCER'S VEGETABLE PILLS

And Vegetable Tonic and Restorative Bitters.

"Prove all things, and hold fast to that which is good." THESE Pills and Bitters have now become the domestic medicine of almost every family. The [illegible] considered by all who have given them a trial to be the most pleasant safe and effectual medicines in use they have the sanction and approval of the most eminent physicians who have adopted them in their practice.—They are not only vegetable in name but in substance, and act as a friend to Nature in all her operations.—They may be taken by persons of any age; and the feeble and infirm, the nervous and delicate are strengthened by their operation, because they possess tonic and restorative properties, independent of their apperient effects. And females will find them to be decidedly the best medicine in use for their peculiar complaints. In sick head ache, costiveness, and bowel complaint, they stand unrivalled. The habitually costive should not fail to give them a trial, as their action is entirely different from most medicines recommended for this complaint, and they leave the bowels in a fine and healthy state.

DR HULL'S

COUGH LOZENGES

EVERY family in the United States should keep a supply of Dr Hull's Cough Lozenges in the house, not only to counteract the consumptive tendencies of all climate, but to be used as a preventive medicine in all cases of colds, coughs, spiting of blood, pain in the side and chest, whooping cough, irritation and fever, night sweats, emaciation, general debility, asthma, influenza, and croups. A single box of this medicine will reveal its astonishing virtue, and open at once the fountain of health and strength to the afflicted. Price 25 cts.

ALSO—DR HULL'S

WORM LOZENGES

WORMS cause the death of thousands and sufferings of millions. Dr Hull's worm lozenges are the surest and safest preparation ever discovered for expelling worms. They are so pleasant to the taste that that children will cry for and eat them as candy. Price 25cents.

DR. HULL'S VEGETABLE FEVER AND AGUE AND ANTI FEVER PILLS

NONE need to suffer with that distressing complaint, fever and chills, or fever and ague, for it is speedily and permanently cured by Dr Hull's celebrated Anti Fever Pills They are what the public have long wanted—a remedy certain and immediate in its effects, and a remedy which never fails curing, even in cases of 6, 9, and 12 months standing, a remedy which possesses all the beneficial, and none of the injurious effects of the system. Price 25 cents.

TOOTH ACHE

IT has been, and some still consider that the Tooth-Ache cannot be cured without extraction. This, however, is an erroneous sentiment. Dr Lacount's Elixir, if properly applied, deaden the sensibility of the inflamed nerve, and effect a speedy and permanent cure. It is sold at the low price of 50 cents per vial.

***A fresh supply of the above medicines has just been received in Woodville by J. A. Ballantine, W. L. Collins and F. Cooley—and by other agents in every town and village in this State and Louisiana.
