DENTISTRY.

DR. W. P. McMILLAN, respectfully tenders his services to the citizens of Woodville and vicinity, in all the various branches pertaining to the practice of Dental Surgery. From his experience in the profession, and having in his possession all the latest improvements practised by the profession at the present day, he feels warranted in assuring the public that he will render satisfaction to all who may favor him with their patronage.—Particular attention will be paid to filling teeth with gold, &c. Also to the insertion of mineral teeth on gold plate, from a single tooth to an entire set, attached by atmospheric pressure, or clasps, so as to suit the mouth in any condition; Also teeth on pivot. Teeth cleansed and polished, diseases of the gums and alveolar process treated successfully. Extracting done in the most scientific manner, with the latest improved instruments, so as to give the least possible pain. Irregularity of children's teeth remedied. All operations warranted.

Orders attended to immediately. Office at Mr. Therrel's Hotel for the present. dec2-6m

Dentistry.

S. & D. STOCKING, *Resident Dentists*, can be found at their office in Mrs. Keller's building, next door to the Republican office, at all times, when not professionally absent. All work done by them shall be satisfactory and equal to any done in the country, or no pay. Terms moderate, and all operations warranted. Whole sets of artificial teeth inserted on gold plate by atmospheric pressure. Artificial palates so perfectly fitted as to produce distinctness in the enunciation as if no malformation had taken place. All orders sent by mail, or left with the Postmaster in this place, will be attended to.

"Suppress the Machine."

☞ It is painful to announce to the public that we have this day entered into partnership, for the purpose of carrying on a cheap and economical business in all the departments of *Undertaking, House joiner & Cabinet ware, etc.* We have taken the old stand formerly occupied by John Lennex, where we are fixing for the prompt and efficient execution of all work that may be entrusted to us. Our object is to work for a reasonable reward.

We will have a neat hearse, and promptly fill all orders for coffins, sent to us. In this department, our prices will be much lower than that heretofore charged, while our jobs shall give entire satisfaction.

We ask of the public a fair trial, being determined to succeed by industry and attention to business. ☞ Orders in our line, from town or country, promptly attended to.

JEFFERSON COLLEGE *And Military College,* WASHINGTON, six miles from NATCHEZ.

[CHARTERED IN 1803.]

THE Trustees of Jefferson College have engaged a lease of the buildings and appurtenances, for a term of years, to the subscriber and his associate. They remove with their families to Washington, and permanently established themselves in that place, in October last. The College is conducted on the plan of teaching, honestly and thoroughly, whatever is taught, and of prompt obedience to rules. The superintendent graduated at West Point, and regulates the discipline.

THE FOLLOWING PRINCIPLES IS ADOPTED:

A Military organization, and uniform, giving order, regular exercise, studious habits, manly deportment, and economy in all.

The abolition of all *extra* charges for extra branches of study; placing every CADET on the same footing, and teaching each one of the course, at the parent's request, with reference to the contemplated profession of the pupils.

Qualifying the student for Civil Engineering, Practical Surveying, the Counting House, and Manufactory, as well as for the Profession.

Fixing no period of time for obtaining a degree, but allowing the Cadet to graduate when he can pass rigid examinations on his chosen studies, and can show that he understands their principles.

☞ The buildings are ample, in good order, and abundantly supplied with cistern water. The healthiness of Washington is too well known to admit of dispute.

☞ The Library, Laboratory, Instruments and Cabinets, are sufficient for all the wants of the pupils.

THE STUDIES.

Greek; Latin; French; Spanish; West Point course of Mathematics; Engineering Practical Surveying; Drawing and Tactics Application of Chemistry to the Arts; English language; in Grammar, Reading, Composition and Declamation.

☞ *Terms and Expenses for ten months—Payable half in advance—Balance at the end of the 5th Month.*
